The Oxford History of British and Irish Catholicism, Volume V Alana Harris, James Edward Kelly, John David McCafferty, 2023 The fifth volume of The Oxford History of British Irish Catholicism which assembles synoptic chapters from leading historians of modern Catholicism offers a comprehensive and accessible overview of the changing contours of the Church on two islands and with connections across the world throughout the twentieth century **Frances Burney's Cecilia** Catherine M. Parisian, 2012 In her exhaustive publishing history of Frances Burney's Cecilia Or Memoirs of an Heiress Parisian mines an extensive archival record that includes portions of the original manuscript annotated page proofs legal records relative to its copyright and an abundance of letters to chronicle the composition printing and publication of Frances Burney's Cecilia from its first edition in 1782 to the present day Oxford World's Classics paperback Her timely history demonstrates the importance of Cecilia to the art of the novel and the history of the book **Reference Books Bulletin, 1986-1987** Penny Spokes, Sandy Whiteley, 1988 **Monographic Series** Library of Congress, 1982 **Jonathan Coe** Vanessa Guignery, 2015-12-01 Jonathan Coe is one of the most popular and critically acclaimed contemporary British writers This comprehensive introduction places his work in clear historical and theoretical context offering extensive readings of the author's ten novels from The Accidental Woman to Expo 58 including the remarkable What a Carve Up The book explores Coe's biography and his experimentations with narrative genre and comedy as well as his thematic preoccupations with history memory loss and nostalgia The first volume devoted entirely to Coe this book includes A supporting timeline of key dates in literature and current events An examination of the critical reception to Coe's works An exclusive interview with Jonathan Coe himself *Diary Poetics* Anna Jackson, 2020-08-26 The diary is a genre that is often thought of as virtually formless a capacious hold all for the writer's thoughts and as offering unmediated access to the diarist's true self Focusing on the diaries of Katherine Mansfield Virginia Woolf Antonia White Joe Orton John Cheever and Sylvia Plath this book looks at how six very different professional writers have approached the diary form with its particular demands and literary potential As a sequence of separate entries the diary is made up of both gaps and continuities and the different ways diarists negotiate these aspects of the diary form has radical effects on how their diaries represent both the world and the biographical self The different published editions of the diaries by Katherine Mansfield Virginia Woolf and Sylvia Plath show how editorial decisions can construct sometimes startlingly different biographical portraits Yet all diaries are constructed and all diary constructions depend on how the writer works with the diary form *Christmas at High Rising* Angela Thirkell, 2013-11-21 Originally published in the 1930s and 1940s and never before collected these stories by the incomparable Angela Thirkell relate merry scenes of a trip to the pantomime escapades on ice a Christmas Day gone awry and an electrifying afternoon for Laura Morland and friends at Low Rising not to mention the chatter of the arty set at a London private view Charming irreverent and full of mischievous humour they offer the utmost entertainment in any season

of the year German Literature and the First World War: The Anti-War Tradition Brian Murdoch, 2016-03-09 The period immediately following the end of the First World War witnessed an outpouring of artistic and literary creativity as those that had lived through the war years sought to communicate their experiences and opinions In Germany this manifested itself broadly into two camps one condemning the war outright the other condemning the defeat Of the former Erich Maria Remarque's *All Quiet on the Western Front* remains the archetypal example of an anti war novel and one that has become synonymous with the Great War Yet the tremendous and enduring popularity of Remarque's work has to some extent eclipsed a plethora of other German anti war writers such as Hans Chlumberg Ernst Johannsen and Adrienne Thomas In order to provide a more rounded view of German anti war literature this volume offers a selection of essays published by Brian Murdoch over the past twenty years Beginning with a newly written introduction providing the context for the volume and surveying recent developments in the subject the essays that follow range broadly over the German anti war literary tradition telling us much about the shifting and contested nature of the war The volume also touches upon subjects such as responsibility victimhood the problem of historical hiatus in the production and reception of novels drama poetry film and other literature written during the war in the Weimar Republic and in the Third Reich The collection also underlines the potential dangers of using novels as historical sources even when they look like diaries One essay was previously unpublished two have been augmented and three are translated into English for the first time Taken together they offer a fascinating insight into the cultural memory and literary legacy of the First World War and German anti war texts **The Bookseller**, 1982 **Australian National Bibliography**, 1983
