*To Lhasa in Disguise* William Montgomery McGovern, 1924 William Montgomery McGovern was an American adventurer anthropologist and journalist He was possibly an inspiration for the character of Indiana Jones McGovern claims he had to sneak into the Tibet disguised as a local porter As Time reported in 1938 With a few Tibetan servants he climbed through the wild snowy passes of the Himalayas There in the bitter cold he stood naked while a companion covered his body with brown stain squirted lemon juice into his blue eyes to darken them Thus disguised as a coolie he arrived in the Forbidden City without being detected but disclosed himself to the civilian officials A fanatical mob led by Buddhist monks stoned his house Bill McGovern slipped out through a back door and joined the mob in throwing stones The civil government took him into protective custody finally sent him back to India with an escort Wikipedia **To Lhasa in Disguise** William Montgomery McGovern, 2018-12-02 This is a record of adventures and of achievements in the face of supposedly insuperable obstacles which is thrilling by reason of the size and color and significance of the events Tibet and especially Lhasa its capital city is guarded from outsiders by fanatic natives and the country is further guarded by the giant mountain ranges that hem it in No white man before Dr McGovern ever got through the ice bound Himalaya passes in the winter and no white man before him ever contrived to live in Lhasa long enough to photograph and study the Tibetans at close range A party made up to go to Tibet of which Dr McGovern was one was met in the mountains and told to go back All the rest of the party turned in their tracks and dropped down into India Dr McGovern accompanied only by his servant Satan continued in disguise into Tibet arriving ultimately after a series of almost incredible hardships in Lhasa itself He interviewed the Dalai Lama and other officials and functionaries studied the people and took innumerable photographs Dr McGovern who by the way was related on his mother's side to both Theodore Roosevelt and Woodrow Wilson was an Oxford man a distinguished Orientalist a lecturer of the Royal Asiatic Society and the author of several books dealing with the Far East He was especially equipped to capitalize in interest and information for his readers the amazing experiences through which he passed *The Lhasa in Disguise - An Account of a Secret Expedition Through Mysterious Tibet*, 1924 Britain and Tibet 1765-1947 Julie Marshall, 2004-11-23 This bibliography is a record of British relations with Tibet in the period from 1765 to 1947 It also provides background information to Tibet's claims to independence an issue of current importance The work is divided into a
