To America Personal Reflections Of An Historian:

To America Stephen E. Ambrose, 2002 When Stephen Ambrose became interested in American history at age 18 there was much that America had done that made him proud but there were some things he condemned as well for instance slavery the treatment of Native Americans racist Southern politicians the Robber Barons of the transcontinental railroad the use of the atomic bomb All through his undergraduate and graduate years from 1953-1960 Ambrose learned such ideas from his professors and believed and then taught them himself when he became a teacher of history in 1960 But after reasearching and writing about the Civil War in graduate school Eisenhower in the 60s Crazy Horse and Custer Lewis and Clark Nixon the transcontinental railroad and World War II over the next three decades Ambrose's views on American history changed In his new book the renowned historian celebrates America's spirit and confronts its failures and struggles As always in his much acclaimed work Ambrose brings alive the men and women famous and not who have peopled history and made the United States the superpower it is now

To America Stephen E. Ambrose, 2003 Now in paperback the New York Times bestseller on the history of America and the pioneering men and women who made the nation what it is today *To America* Stephen E. Ambrose, 2003-10-07 Completed shortly before Ambrose's untimely death *To America* is a very personal look at our nation's history through the eyes of one of the twentieth century's most influential historians Ambrose roams the country's history praising the men and women who made it exceptional He considers Jefferson and Washington who were progressive thinkers while living a contradiction as slaveholders and celebrates Lincoln and Roosevelt He recounts Andrew Jackson's stunning defeat of a superior British force in the battle of New Orleans with a ragtag army in the War of 1812 He brings to life Lewis and Clark's grueling journey across the wilderness and the building of the railroad that joined the nation coast to coast Taking swings at political correctness as well as his own early biases Ambrose grapples with the country's historic sins of racism its ill treatment of Native Americans and its tragic errors such as the war in Vietnam which he ardently opposed He contrasts the modern presidencies of Eisenhower Kennedy Nixon and Johnson He considers women's and civil rights immigration philanthropy and nation building Most powerfully in this final volume Ambrose offers an accolade to the historian's mighty calling

Theoretical Perspectives on Historians' Autobiographies Jaume Aurell, 2015-07-24 E H Carr wrote study the historian before you begin to study the facts This book approaches the life work ideas debates and the context of key 20th and 21st century historians through an analysis of their life writing projects viewed as historiographical sources Merging literary studies on autobiography with theories of history it provides a systematic and detailed analysis of the autobiographies of the most outstanding historians from the classic texts by Giambattista Vico Edward Gibbon and Henry Adams to the Annales historians such as Fernand Braudel Philippe Ariès and Georges Duby to Marxist historians such as Eric Hobsbawm and Annie Kriegel to postmodern historians such as Carolyn Steedman Robert A. Rosenstone Carlos Eire Luisa Passerini Elisabeth Roudinesco Gerda Lerner and Sheila Fitzpatrick and to interventionist historians such as Geoff Eley Jill

Ker Conway Natalie Davis and Gabrielle Spiegel Using a comparative approach to these texts this book identifies six historical autobiographical styles humanistic biographic ego historical monographic postmodern and interventional By privileging historians autobiographies this book proposes a renewed history of historiography one that engages the theoretical evolution of the discipline the way history has been interpreted by historians and the currents of thought and ideologies that have dominated and influenced its writing in the 20th and 21st centuries **Military Review** ,2004

Professional Journal of the United States Army ,2004 **Past Imperfect** Peter Charles Hoffer,2004-10-12 At a time when the writing of history has never been more contentious and its interpreters never more publicly at war a renowned American historian provides an evocative examination of his profession **Tuesday's Child: How America Chooses its Presidents** Brian Church,2021-01-15 A fun and snappy look at how the world s most important job is filled each year published in time for the 2020 election Written in a conversational style former ESPN columnist Brian Church looks at the electoral college the history of dirty campaigns and more **Preserving the Legacy** Gordon H. "Nick" Mueller,2025-06-06 Preserving the Legacy offers a comprehensive and compelling look at the founding and first two decades of The National WWII Museum now one of the largest and most immersive military museums in the United States Before its inception friends and historians Gordon H Nick Mueller and Stephen E Ambrose recognized the need for an institution dedicated to preserving the oral histories of WWII veterans and the history of World War II more generally Their efforts resulted in the opening of the D Day Museum on June 6 2000 With funding from the federal government the state of Louisiana and numerous individuals including actor Tom Hanks and director Steven Spielberg the Museum rapidly expanded Following Ambrose s death in 2002 the U S Congress designated the institution as America s National World War II Museum Today it consists of seven separate pavilions that span the entirety of the war and boasts several multifaceted educational programs many of which are held in the Museum s Higgins Hotel and Conference Center Its twenty five year history is one of remarkable success Preserving the Legacy begins with a foreword by famed journalist and longtime champion of the Museum Tom Brokaw Nick Mueller then narrates the growth of the Museum detailing its leadership and the various intellectual challenges involved in accurately portraying the scale of wartime sacrifice and loss He traces the development deliberations and decisions of the many boards and committees that helped transform the embryonic institution into a sprawling museum complex in the heart of New Orleans Far surpassing the modest intentions of its founders The National WWII Museum not only provides today s visitors with authentic historical context but also will serve as a valuable educational resource for generations to come

Reinventing Richard Nixon Daniel E. Frick,2008 Examining Nixon s autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon s version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And

he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God-fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president. With dozens of illustrations, Nixon posing with Elvis the National Archives' most requested photo, Nixonian cultural artifacts, classic editorial cartoons, no other book collects in one place such varied images of Nixon from so many diverse media. These reinforce Frick's probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements.

BOOK JACKET **Prologue**, 2015 *Mercy Warren. (Women of color and revolutionary times in America)*. Alice Brown, 1896 *Braille Book Review*, 2004-03 **The Publishers Weekly**, 1888 **Army**, 2002 **Talking Book Topics**, 2004-05 *American Spirit*, 2003 *Proceedings of ... National Executive Committee of the American Legion* American Legion. National Executive Committee, 2003-10-08 *OAH Newsletter*, 2001 [Braille Books](#) Library of Congress. National Library Service for the Blind and Physically Handicapped, 2011
