Before reading	Statement	After Reading
	Adults have little positive influence on children.	
	All people are created equal.	
	Everyone has prejudices about things and people.	
	Nobody is all good or all bad.	
	Education occurs only in a classroom.	
	The advantages of living in a small town are greater than life in a big city.	
	Most of our values and attitudes develop during childhood.	
	Fear and ignorance keep prejudice alive.	
	Some words are so offensive they should never be stated or written.	
	Speaking proper English proves that a person is smart.

Reading and Writing Across Content Areas Roberta L. Sejnost, Sharon Thiese, 2006-08-04 We often hear middle and high school teachers are frustrated because their students can't understand the textbooks or can't write effectively about their particular content. This book will provide both the framework for solving this dilemma and the specific practical classroom practices that teachers can use each day to help students become more competent readers and writers. Douglas Johnson, Assistant Superintendent, Kane County Regional Office of Education, IL. Every middle school and secondary teacher should have a copy of this book. It not only provides the theoretical basis for each strategy but it also provides effective instructions for use of the strategies in the classroom. Dorothy Giroux, Program Director, Initial Teacher Preparation Program, School of Education, Loyola University, Chicago. Eager for proven methods to strengthen your students' content literacy. Then this book is a must-have for your classroom. Using a step-by-step approach that makes the strategies easy to understand and implement, the authors provide updated research-based strategies that will help increase your students' reading comprehension, strengthen their writing skills, and build vocabulary across content areas. Expanded coverage of content literacy, additional reading and writing strategies for exploring content, and suggestions for working with struggling readers are included in this revised edition. This rich resource also offers tips for using trade books in the classroom, graphic organizers to help students recognize text structures, assessment tools, technology activities in every chapter, real classroom examples of how the strategies have been implemented, more ways to evaluate the readability of textbooks, over 40 ready-to-use reproducibles. Whether you are getting ready to begin teaching or are a veteran teacher, this accessible, invaluable handbook will give you the tools you need to help your students become lifelong learners.

Research in Education, 1972 **Resources in Education**, 1990 **Focus on Reading** Walch Publishing, 2002 **Transforming Talk into Text** Thomas M. McCann, 2014-08-08 Author Thomas McCann invites readers to rethink their approach to teaching writing by capitalizing on students' instinctive desire to talk. Drawing on extensive classroom research, he shows teachers how to craft class discussions that build students' skills of analysis, problem solving, and argumentation as a means of improving student writing. McCann demonstrates how authentic discussions immerse learners in practices that become important when they write. Chapters feature portraits of teachers at work, including transcripts that reveal patterns of talk across a set of lessons. Interviews with the teachers and samples of student writing afford readers a deeper understanding of process. Students also report on how classroom discussions supported their
