Evil Lance Morrow,2009-04-27 Long couched only in theological terms and popularly personified by the despots of history the nature of evil has resisted explanation In this singular survey of this mysterious but all too often palpable force veteran Time magazine writer Lance Morrow examines the unmistakable ways evil influences our global culture and how that global culture in turn has magnified evil s menace Its dramatic reemergence in the national consciousness against a backdrop of high tech sensationalized violence makes his updated understanding both timely and absolutely necessary Drawing on examples both obscure and splashed across the headlines Morrow seeks to understand how evil works and what purpose if any it serves From the heartrending to the harrowing from quiet lies to catastrophic acts his stories are drawn from over thirty years of experience as a revered journalist and essayist The result is a brilliant synthesis of a lifetime of observation that elegantly illuminates a chronically elusive but fascinating subject

A Slow Reckoning Vassily Klimentov,2024-02-15 A Slow Reckoning examines the Soviet Union s and the Afghan communists views of and policies toward Islam and Islamism during the Soviet Afghan War 1979 1989 As Vassily Klimentov demonstrates the Soviet and communist Afghan disregard for Islam was telling of the overall communist approach to reforming Afghanistan and helps explain the failure of their modernization project A Slow Reckoning reveals how during most of the conflict Babrak Karmal the ruler installed by the Soviets instrumentalized Islam in support of his rule while retaining a Marxist Leninist platform Similarly the Soviets at all levels failed to give Islam its due importance as communist ideology and military considerations dominated their decision making This approach to Islam only changed after Mikhail Gorbachev replaced Karmal by Mohammad Najibullah and prepared to withdraw Soviet forces Discarding Marxism Leninism for Islam proved the correct approach but it came too late to salvage the Soviet nation building project A Slow Reckoning also shows how Soviet leaders only started seriously paying attention to an Islamist threat from Afghanistan to Central Asia after 1986 While the Soviets had concerns related to Islamism in 1979 only the KGB believed the threat to be potent The Soviet elites never fully conceptualized Islamism continuing to see it as an ideology the United States Iran or Pakistan could instrumentalize at will They believed the Islamists had little agency and that their retrograde ideology could not find massive appeal among progressive Soviet Muslims In this they were only partly right

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
