Viaje Al Corazon De Cuba:

Viaje al corazón de Cuba Carlos Alberto Montaner,1999 Cuba pese a la intensa propaganda es una isla rodeada de misterios Como es la psicología de Fidel Castro el hombre que la gobierna desde hace 40 años Como llegó al poder y como se sostiene Quien era realmente el Che Guevara En que consiste realmente la Revolución Cuáles son sus fallos y sus logros Que va a suceder cuando desaparezca Fidel Castro Este libro responde a todas esas preguntas Es un viaje al corazón de Cuba Viaje al corazón de Cuba is an examination of the last forty years of Cuban history recounting the events that led to what was originally a fight for freedom and democracy but which instead under the leadership of Fidel Castro became a communist dictatorship The author provides a brief history of Cuba prior to 1952 with an overview of Castro's life illustrating the events that led to the fight against Batista the defeat of his 40 000 man army and the ultimate establishment of communist rule in Cuba This new book by the bestselling co author of *Manual del Perfecto Idiota Latinoamericano* and *Fabricantes de Miseria* Carlos Alberto Montaner will provide answers for anyone interested in the current state of affairs in Cuba as well as what may be expected for the country in the future Viaje al corazón de Cuba Carlos Alberto Montaner,2000 *Cuba's Eternal Revolution through the Prism of Insurgency, Socialism, and Espionage* Miguel A. Faria, Jr.,2023-06-21 This book not only relates the defining moments of the Cuban Revolution such as the Moncada Barracks attack the assault on Batista's Presidential Palace the Bay of Pigs invasion and the Cuban Missile Crisis but also lesser known events like the War Against the Bandits the overseas adventures of Che Guevara in the Congo and Bolivia Fidel Castro's possible prior knowledge of and involvement in JFK's assassination Cuba's silent war against the environment and ongoing foreign intelligence operations The book contains information most readers and academicians may not be familiar with and utilizes major tomes as sources that have only been published in Spanish and so are not widely available to international audiences outside of Spain and Latin America It will enlighten readers about the realities of the Cuban Revolution its purported achievements as well as its definite shortcomings its impact on world events in the last seven decades and correct the record where needed enhancing the fount of knowledge for further research by social scientists historians and political scientists Fidel Humberto Fontova,2012-04-01 Funny name for a man who has threatened the United States with nuclear war who has made common cause with Islamic terrorists against the United States and whose people risk death to escape him But there's a lot that Hollywood liberals and other Fidel Castro admirers would rather you didn't know about the dictator of Cuba like how he imprisoned more people as a percentage of population than the prewar Nazis how Fidel's firing squads killed thousands of Cubans how Fidel's subjects would rather inject themselves with AIDS than live under his tyranny Drawing on a wealth of research including interviews with former Castro regime officials anti Castro freedom fighters and Castro's political prisoners acclaimed author Humberto Fontova reveals the ugly face of the Castro regime **The Cuban Connection** Eduardo Sáenz Rovner,2009-06-01 A comprehensive history of crime and corruption in Cuba The Cuban

Connection challenges the common view that widespread poverty and geographic proximity to the United States were the prime reasons for soaring rates of drug trafficking smuggling gambling and prostitution in the tumultuous decades preceding the Cuban revolution Eduardo S enz Rovner argues that Cuba s historically well established integration into international migration commerce and transportation networks combined with political instability and rampant official corruption to help lay the foundation for the development of organized crime structures powerful enough to affect Cuba s domestic and foreign politics and its very identity as a nation S enz traces the routes taken around the world by traffickers and smugglers After Cuba the most important player in this story is the United States The involvement of gangsters and corrupt U S officials and businessmen enabled prohibited substances to reach a strong market in the United States from rum running during Prohibition to increased demand for narcotics during the Cold War Originally published in Colombia in 2005 this first English language edition has been revised and updated by the author *Cuban Studies 33* Lisandro Perez,Uva De Aragon,2003-02-01 Cuban Studies has been published annually by the University of Pittsburgh Press since 1985 Founded in 1970 it is the preeminent journal for scholarly work on Cuba Each volume includes articles in both English and Spanish a large book review section and an exhaustive compilation of recent works in the field América Latina Universidad Nacional Autónoma de México.
