Manon Tremblay

Vicarious Kinks S Or M In The Socio Legal Imaginary:

Vicarious Kinks Ummni Khan,2014-01-01 In *Vicarious Kinks* Ummni Khan looks at the mass of claims that film feminism the human sciences and law make about sadomasochism and its practitioners and the way those claims become the basis for the legal regulation of sadomasochist pornography and practice

Vicarious Kinks Ummni Khan,2014-05-27 Who decides where normal stops and perverse begins In *Vicarious Kinks* Ummni Khan looks at the mass of claims that film feminism the human sciences and law make about sadomasochism and its practitioners and the way those claims become the basis for the legal regulation of sadomasochist pornography and practice Khan s audacious proposal is that for film feminism law and science the constant focus on taboo sexuality is a form of vicarious kink itself Rather than attempt to establish the truth about sadomasochism *Vicarious Kinks* asks who decides that sadomasochism is perverse examining how various fields present their claims to truth when it comes to sadomasochism The first monograph by a new scholar working at the juncture of law and sexuality *Vicarious Kinks* challenges the myth of law as an objective adjudicator of sexual truth

Becoming a Kink Aware Therapist Caroline Shahbaz,Peter Chirinos,2016-10-04 As a result of recent media interest the practice of BDSM has become more mainstream yet remains marginalized Now more than ever greater numbers of heterosexual and LGBTQ couples are starting to explore some form of BDSM However profound misunderstandings continue leading to unintentional physical and psychological harm Drawing on current research and ethnographic narratives from the kink community this book seeks to provide psychotherapists with an introductory understanding of the culture and practice of BDSM and presents specific therapeutic concerns related to common misconceptions This book strives to de pathologize BDSM practices while also providing concrete ways to distinguish abuse from consent harmful codependency and more Packed with practical suggestions and rich case studies this book belongs on the shelf of every therapist seeing BDSM and kink clients

Cuts and Criminality Theodore Bennett,2016-03-09 This book investigates how and why the criminal law differentiates between different types of body alterations with particular reference to how they are conceptualised within legal discourse By drawing connections between types of body alteration that have traditionally been considered separately and discretely the book allows analytical conclusions to be made about the law s treatment of the general category of body alteration rather than merely about specific types of body alteration Taking legal discourse as its analytical focus the author critically examines a number of case studies to determine the techniques and processes by which some body alterations are discursively constructed as legitimate and legally approved and by which other body alterations are discursively constructed as illegitimate and legally sanctioned Specifically the body alterations that are addressed include sadomasochistic injuries female genital modification and male circumcision cosmetic surgery body modification and healthy limb amputation and sex reassignment surgery and genital normalisation surgery International in scope the discursive analysis in the book will be of interest to academics and researchers working in the areas of socio legal and cultural studies

Painful pleasures

Christopher Vaccaro,2022-07-12 This timely volume ventures into the subject of sadomasochism in varied aspects of medieval life Saint s Lives and mystical treatises provide evidence of failed sadism and empowering masochism Literary culture in the form of epics and courtly tales preserve stories of eroticised power These exciting chapters join together to form a picture of medieval culture that is kinky in its practice and deeply psychological at its core **Crime, Desire and Law's Unconscious** David Gurnham,2014-06-27 Sexual desire and the possible dangers associated with its more extreme manifestations provokes strong albeit often contradictory reactions Such reactions are a well known stimulant of creative juridical and scholarly activity and the texts of law literature and academic criticism respond to it in ways that suggest both of revulsion and fascination But how are we to understand such responses and what can they tell us about the relationship between law and its others Exploring these questions in the context of HIV transmission on street sexual exploitation and erotic asphyxiation this book draws on psychoanalytic theory in order to understand the motivations behind legal literary and cultural constructions of sexual offences their perpetrators and victims Its analysis of these constructions in a diverse range of sources including appeal judgments in England Wales and North America criminal trials and their reporting visual and linguistic cultures and both modern and classical literature will be of great interest to legal theorists and socio legal scholars as well as those with relevant concerns in the fields of literature and cultural studies *Binding and Unbinding Kink* Amber R. Clifford-Napoleone,2023-01-27 This book is a collection of essays highlighting different disciplinary topical and practical approaches to the study of kink and popular culture The volume is written by both academics and practitioners bringing the essays a special perspective not seen in other volumes Essays included examine everything from Nina Hartley fan letters to kink shibari witches to kink tourism in a South African prison The focus is not just on kink as a sexual practice but on kink as a subculture as a way of living and as a way of seeing popular culture in new and interesting ways **Sensing Law** Sheryl Hamilton,Diana Majury,Dawn Moore,Neil Sargent,Christiane Wilke,2016-11-25 A rich collection of interdisciplinary essays this book explores the question what is to be found at the intersection of the sensorium and law s empire Examining the problem of how legal rationalities try to grasp what can only be sensed through the body these essays problematize the Cartesian framework that has long separated the mind from the body reason from feeling and the human from the animal In doing so they consider how the sensorium can operate variously as a tool of power or as a means of countering the exercise of regulatory force The senses it is argued operate as a vector for the implication of subjects in legal webs but also as a powerful site of resistance to legal definition and determination From the sensorium of animals to technologically mediated perception the ways in which the law senses and the ways in which senses are brought before the law invite a questioning of the categories of liberal humanism And as this volume demonstrates this questioning opens up the both interesting and important possibility of imagining other sensual subjectivities **Sex, Gender and International Human Rights Law** Giovanna Gilleri,2023-12-01 This book investigates the relationship between sex and gender under international human

rights law and how this influences the formation of individual subjects Combining feminist queer and psychoanalytical perspectives the author scrutinises the sexed gendered human rights discourse starting from the assumptions underpinning interpretations of sex gender and the related notions of gender identity sex characteristics and sexual orientation Human rights law has so far offered only a limited account of the diversity of sexed gendered subjectivities being based on a series of simplistic assumptions Namely that there are only two sexes and two genders sex is a natural fact and gender is a social construct gender is the metonymic signifier for women and gender power relations take the asymmetrical shape of male domination versus female oppression Against these assumptions dominative and subordinate postures interchangeably attach to femininities and masculinities depending on the subjects roles their positionalities and the situational meanings of their acts The limits of an approach to gender which is based on rigid binaries are evident in two case studies on the UN human rights treaty bodies vocabulary on medically unnecessary interventions upon intersex children and on the European Court of Human Rights narrative on sadomasochism This examination of the impact of human rights on gendered subjectivities will be of interest to scholars students and researchers in international law gender studies queer studies cultural studies critical race theory and psychoanalysis

The Power of BDSM Brandy L. Simula, Robin Bauer, Liam Wignall, 2023 Pleasure Power and Pain Understanding BDSM Practices Identities and Communities features cutting edge empirical research by scholars working from a wide range of disciplinary approaches and in diverse national contexts along with personal reflections from community educators activists and practitioners Designed to be of interest to scholars working in sexuality studies and related fields teachers of graduate courses focused on sexualities identities communities inequalities and a broader non specialist audience interested in sexualities society and identity Pleasure Power and Pain engages persistent questions about the relationships among sexualities identities and communities What role do communities play in shaping BDSM identities How are BDSM communities similar to and different from other kinds of sexuality and identity based communities What are the ethics involved in researching marginalized and stigmatized communities How do cultural representations shape lived experiences What are the relationships between structural and personal power

Enticements Joseph J. Fischel, Brenda Cossman, 2024-03-19 Provides a variety of queer interdisciplinary interventions upon the social and legal regulation of sex gender reproduction and family In *Enticements* an exceptional group of interdisciplinary scholars comes together to contribute to the field of Queer Legal Studies The essays investigate a wildly proliferating assortment of genders sexualities and intimacies questioning how they have been regulated criminalized or privileged by law and other regulatory forces *Enticements* expands and expounds on the discipline of queer legal studies Contributors focus on a wide range of sex gender regulatory regimes interrogating the use and abuse of queer history for impact litigation and social change colonial and postcolonial sex laws otherwise obscured by the modern LGBT paradigm of sexual identity and the policing of trans and cis men Moving beyond a focus on LGBT identities contributors consider limits to reproductive freedom the Christianization of

social justice movements and the politicization of care within and across Black and feminist studies Accessible and forward looking Enticements consolidates and emboldens queer legal studies as a critical necessary field for the historical present With noted contributions from Libby Adler Chris Ashford Matthew Ball Noa Ben Asher Mary Anne Case Brenda Cossman Joseph J Fischel Janet Halley Zachary Herz Ratna Kapur Ido Katri Evelyn Kessler Ummni Khan Kyle Kirkup Jennifer C Nash Senthorun Raj and Matthew Waites Kinky in the Digital Age Liam Wignall,2022 Through rapid cultural change and technological advances kink subculture has become more visible and accessible and less stigmatized than ever before Internet communities have created exciting new possibilities for social identities and communities in ways that were once thought unimageable both online and in the real world This book combines a range of psychological sociological and cultural theories with 74 interviews of gay men in this community to unpack their attraction to kink and its impact on their social and sexual identities In examining how the internet has transformed these subcultures this book presents an authentic picture of kink social networking sites that have empowered and enabled a whole new group of people to engage both on and offline Through its case study of pup play this book follows the rich tradition of locating kinksters in their communities and cultural contexts It also investigates new pathways for a wide range of gay men such as non community participants who want to practice kink without entering the community Kinky in the Digital Age is a comprehensive empirically deep exploration of gay men s social and sexual experiences of kink It bolsters the voices of these men in an unprecedented way as it documents the history and potential of this fascinating subculture and social community Consent Laurie James-Hawkins,Róisín Ryan-Flood,2023-11-30 This book considers the concept of consent in different contexts with the aim of exploring the nuances of what consent means to different people and in different situations While it is generally agreed that consent is a fluid concept legal and social attempts to explain its meaning often centre on overly simplistic narrow and binary definitions viewing consent as something that occurs at a specific point in time This book examines the nuances of consent and how it is enacted and re enacted in different settings including online spaces and across time Consent is most often connected to the idea of sexual assault and is often viewed as a straight forward concept and one that can be easily explained Yet there is confusion among the public as well as among academics and professionals as to what consent truly is and even the degree to which individuals conceptualise and act on their own ideas about consent within their own lives Topics covered include consent in digital and online interactions consent in education consent in legal settings and the legal boundaries of consent and consent in sexual situations including sex under the influence of substances BDSM and kinky sex This book will appeal to students and scholars interested in issues of consent from the social sciences gender theory feminist studies law psychology public health and sexuality studies Power Played Derek Silva,Liam Kennedy,2022-10-01 This innovative collection convincingly argues that modern sport can be characterized by unequal and problematic power relations that are inextricably linked to issues of violence harm deviance and punishment On the one hand sport is a mainstay of community building an

expression of solidarity and a means to mental and social health On the other there is the star player who commits sexual violence the trans athlete whose achievements are dismissed as fraudulent or the racist and abusive nationalism of the impassioned sports fan From drawing connections between head trauma and athletic violence to exploring the social meanings of sport in prison contributors to this volume reimagine sport as an important unit of analysis for critical criminologists Messages about crime violence and punishment in sport mirror broader relations of power that exist off the field Situated at the intersections of sport sporting culture and crime *Power Played* blows the whistle on the harm violence and exploitation embedded within *Ruling Out Art* Taryn Sirove, 2019-05-15 In the 1980s the Ontario Board of Censors began to subject media artists work to the same cuts bans and warning labels as commercial film *Ruling Out Art* reveals what happens when art and law intersect when artists arts exhibitors and their anti censorship allies enter courts of law as appellants defendants or expert witnesses The administration of culture during Ontario's censor wars was not a simple top down exercise Members of arts communities mounted grassroots protests and engaged the province in court cases that ultimately influenced how the province interpreted freedom of expression a fundamental and far reaching legal right The language of the law in turn shaped the way artists conceived of their own practices By exploring how art practices and provincial legislation intertwined during Ontario's censor wars this innovative book documents an important moment in the history of contemporary art and cultural activism in Canada one that helped artists secure their constitutional rights under the law **Not Sex Work** Max Morris, 2025-09-11 This book explores the parallel histories and intersecting politics of LGBTQ people and sex workers including the role of digital media in shaping the experiences of both in the early twenty first century Drawing on the first empirical study with gay bisexual and queer young men who agreed to sell sex online without advertising or identifying as sex workers it examines what the term incidental sex work means Adopting queer methods and feminist theories to explore how definitions of sex and work have become increasingly unstable in the digital era it considers how casual occasional and unprofessional forms of sex work are arranged on different platforms from Grindr to OnlyFans This book will appeal to students and researchers studying sex work and social media across a wide range of fields It will also be useful for campaigners policymakers and healthcare practitioners interested in the implications of incidental sex work Manitoba Law Journal: Criminal Law Edition (Robson Crim) 2020 Volume 43(3) , Robson Crim is housed in Robson Hall one of Canada's oldest law schools Robson Crim has transformed into a Canada wide research hub in criminal law with blog contributions from coast to coast and from outside of this nation's borders With over 30 academic peer collaborators at Canada's top law schools Robson Crim is bringing leading criminal law research and writing to the reader We also annually publish a special edition criminal law volume of the Manitoba Law Journal providing a chance for authors to enter the peer reviewed fray The Journal has ranked in the top 0.1 percent on Academia.edu and is widely used This issue has articles from a variety of contributing authors Why We Lost the Sex Wars Lorna N. Bracewell, 2021-03-23 Reexamining feminist sexual

politics since the 1970s the rivalries and the remarkable alliances Since the historic MeToo movement materialized in 2017 innumerable survivors of sexual assault and misconduct have broken their silence and called out their abusers publicly from well known celebrities to politicians and high profile business leaders Not surprisingly conservatives quickly opposed this new movement but the fact that sex positive progressives joined in the opposition was unexpected and seldom discussed Why We Lost the Sex Wars explores how a narrow set of political prospects for resisting the use of sex as a tool of domination came to be embraced across this broad swath of the political spectrum in the contemporary United States To better understand today's multilayered sexual politics Lorna N Bracewell offers a revisionist history of the sex wars of the 1970s 80s and 90s Rather than focusing on what divided antipornography and sex radical feminists Bracewell highlights significant points of contact and overlap between these rivals particularly the trenchant challenges they offered to the narrow and ambivalent sexual politics of postwar liberalism Bracewell leverages this recovered history to illuminate in fresh and provocative ways a range of current phenomena including recent controversies over trigger warnings the unimaginative politics of sex positive feminism and the rise of carceral feminism By foregrounding the role played by liberal concepts such as expressive freedom and the public private divide as well as the long neglected contributions of Black and Third World feminists Bracewell upends much of what we think we know about the sex wars and makes a strong case for the continued relevance of these debates today Why We Lost the Sex Wars provides a history of feminist thinking on topics such as pornography commercial sex work LGBTQ identities and BDSM as well as discussions of such notable figures as Patrick Califia Alan Dershowitz Andrea Dworkin Elena Kagan Audre Lorde Catharine MacKinnon Cherr e Moraga Robin Morgan Gayle Rubin Nadine Strossen Cass Sunstein and Alice Walker

Screw Consent Joseph J. Fischel, 2019-01-08 When we talk about sex whether great good bad or unlawful we often turn to consent as both our erotic and moral savior We ask questions like What counts as sexual consent How do we teach consent to impressionable youth potential predators and victims How can we make consent sexy What if these are all the wrong questions What if our preoccupation with consent is hindering a safer and better sexual culture By foregrounding sex on the social margins bestial necrophilic cannibalistic and other atypical practices Screw Consent shows how a sexual politics focused on consent can often obscure rather than clarify what is wrong about wrongful sex Joseph J Fischel argues that the consent paradigm while necessary for effective sexual assault law diminishes and perverts our ideas about desire pleasure and injury In addition to the criticisms against consent leveled by feminist theorists of earlier generations Fischel elevates three more consent is insufficient inapposite and riddled with scope contradictions for regulating and imagining sex Fischel proposes instead that sexual justice turns more productively on concepts of sexual autonomy and access Clever witty and adeptly researched Screw Consent promises to change how we understand consent sexuality and law in the United States today

Queering Representation Manon Tremblay, 2019-11-15 Political representation matters And representation requires participation voting joining political

parties running as candidates acting as politicians Yet the election of openly LGBTQ people is a relatively recent phenomenon in the West Queering Representation explores long ignored issues relating to LGBTQ voters and politicians in Canada What are the LGBTQ electorate s characteristics and voting behaviours and what empowerment has it achieved through electoral systems How do straight voters view out LGBTQ politicians and what part do the media play in framing these perceptions What pathways to power do LGBTQ politicians follow Do they represent LGBTQ people and communities in particular and if so how is this role articulated And finally how do Canadian party ideologies shape LGBTQ representation The contributors to Queering Representation address these questions by offering diverse nuanced readings of political representation shining a spotlight on relations between electoral processes and LGBTQ communities
