

STAAR Composition

Reminders—Persuasive Writing

- Students must support their position with specific examples to make it convincing and forceful. Ideas should be ordered to maximize their persuasiveness—for example, building the argument so that the strongest evidence is at the end.
- Students can use ethos, pathos, logos or a combination—but they have to rely on what they really know and understand.

That means NO false evidence!

Victoria, Queen of the Screen Leigh Ehlers Telotte, 2020-07-14 Both in life and death Queen Victoria is among the most popular monarchs to be committed to film Her reign was characterized by an explosion in media coverage that began to rely on images rather than words to tell her story Even though Victoria has been labeled the first media monarch the sheer magnitude of her screen presence has been neither chronicled nor fully appreciated until now This book examines the growth and evolution of Queen Victoria s on screen image From the satirical cartoons and silent films of the 19th century to the television shows video games and webcomics of the 21st it demonstrates how the protean Victoria character has evolved ultimately meaning many different things to many different people in many different ways Each chapter looks at a facet of her character and includes analysis of how these media present Queen Victoria as a real person and shape her as a character acting within a narrative The book includes a comprehensive and international filmography *The Morning Star and Free Baptist*, 1907
