hardest days So if you re ready to rediscover the hope that lies beyond frustration to lean into the truth that God is working even in the mess and to embrace the possibility that your struggles are shaping something meaningful let s begin There s hope waiting on the other side of your pain Let s find it together **When God Disappears** Shane Stanford,2013-07-25

What happens when the storm does not pass When the pain does not stop When the prodigal does not return When our sins continue to taunt us When we make the same mistakes and break the same hearts again and again When the chasm between what we do and what God intends seems so wide we ca not even see the other side In six very special encounters recorded in the Gospels Jesus addressed the too much and the too late scenarios of our lives Shane Stanford brings these meetings vividly to life offering a glimpse of Jesus passion for restoring the unrestorable and redeeming the unredeemable As a hemophiliac who lives with HIV and hepatitis C Stanford has deeply and personally experienced the too much and the too late of life and recognizes his own story in these six appointments with Jesus In When God Disappears he helps us to do the same to see ourselves in these messy all too human Jesus encounters and to experience the grace and hope of a God who has not forgotten us
