famous shipwreck in history The Rough Guide to the Titanic tells the full compelling story of the supposedly unsinkable liner A comprehensive history it covers all the Titanic s final hours from striking the iceberg to disappearing beneath the freezing Atlantic waters Discover the epic human drama at the heart of the tragedy with a rich cast of characters including the heroes villains and victims aboard the Titanic and the adventurers who re discovered it in 1985 Plus there are maps diagrams and images to illustrate the saga at every turn The focus also stretches backwards the people who built the Titanic with their faith in progress and technology and forwards to explore the controversies and conspiracy theories that have raged ever since its sinking The Rough Guide to the Titanic also looks at quite why everybody appears to be so fascinated by the Titanic and the books music and movies that have kept its memory alive ever since from the stiff upper lips of 1958 s A Night To Remember to the tear jerking romance of James Cameron s Titanic Now available in ePub format

Titanic: The History and Legacy of the World's Most Famous Ship (The True Accounts of People Who Lived Through History's Most Famous Shipwreck) Mark Magwood,101-01-01 This book brings those voices back to life It doesn t just tell you what happened it helps you feel it With immersive storytelling emotionally driven scenes and deeply researched accounts titanic a story of dreams disaster and the human spirit gives readers a full panoramic experience of the titanic From its majestic design and launch through its fateful voyage and collision to the chilling hours as it slipped beneath the sea every detail is vividly explored You ll relive the bravery of passengers and crew the aftermath and investigations the discovery of the wreck and the cultural impact that continues to shape our view of human ambition and vulnerability This exclusive collector s edition includes The fully restored 1912 facsimile text of the wreck of the titan or futility Insightful annotations that illuminate the chilling connections to the titanic disaster A high resolution scan of the original 1912 autograph edition Morgan robertson s facsimile signature preserved in print A thought provoking afterword that examines modern day hubris and the timeless lessons history refuses to let us forget Almost everyone is familiar with what happened to the titanic during its maiden voyage and the tragedy that followed but the construction of the titanic is often overlooked despite being an amazing story itself one that combined comfort and raw power with the world s foremost technological advances Nonetheless the seeds of the titanic s destruction were sown even before it left for its first and last journey

The Titanic 1912 Victoria Parker,2006 The Titanic was the largest most luxurious passenger ship in the world In 1912 it hit an iceberg while traveling from England to the United States An enormous gash was made in the side and ice cold water began rushing in Within hours this floating palace had plunged to the bottom of the ocean Over 1500 people died and along with them the idea that any ship is unsinkable Timelines a glossary ideas for research and suggestions for future reading are included in this gripping read about one of the most famous shipwrecks in history This book explains how and why the Titanic sank

Titanic: The History and Legacy of the World's Most Famous Ship (The True Accounts of People Who Lived Through History's Most Famous Shipwreck) William Heroux,101-01-01 The original facts and details of the titanic disaster from the

newspapers of the world bring forward the story in a vivid and striking way Join the news stories in action as the first reports told of the rms titanic being towed to halifax and all the passengers saved in erroneous first reports Learn how the survivors were saved and about the heroes of the night who sacrificed their own lives so that others may live the story of the heroes and the wonderful new wireless device that was so critical in saving lives as well as startling new details of a fire on board the titanic which had been burning since the ship left port in southampton You ll learn Who is the man responsible for the start of the passenger ocean liner boom Why were the workers on the titanic almost entirely protestant What was the name of the titanic s mascot cat Who were some of the richest people in the world on board the titanic and which of them survived How did some of the passengers on the titanic become heroes while others proved to be zeroes What were some of the connections and coincidences the titanic had with another doomed passenger liner the lusitania The titanic examines the entire history and legacy of the ship from its construction to its sinking as well as the investigations and changes that followed the discovery of the wreck in 1985 and even the current events surrounding the ship Along the way life aboard the titanic is analyzed through passengers accounts as are the tales of survival and death that continue to resonate Along with pictures of important people places and events you will learn about the titanic like never before in no time at all Titanic: Victims and Villains Senan Molony,2011-08-31 Why are there so many heroes attached to the sinking of the Titanic Why do we accord impossible glory to the miserable misbegotten drowning of the equivalent of a small town Who were the real heroes and how were they overlooked What did society and the press do with its overriding need for blame The creation of heroes where they did not exist offers us insights in throwing off the blanket of boasting a century later that bring history s most famous shipwreck back into sharper focus We see into the nature of prejudice social values and the overriding political and national considerations of the time This book also looks at the offered sacrificial victims of the time in particular the character of Captain Stanley Lord of the Californian the man charged with abandoning 1 500 people to their fate Backed up with new photographic archives and bolstered by a series of contemporary extracts to support its arguments this is Titanic history presented in an entirely new authentic light The Wreck of the Titanic Foretold? Martin Gardner,1986 The Titanic s memory lives on today in documentaries movies and even a Broadway musical Persistent investigators remain on the case offering new theories to explain its demise Those who strongly believe in precognition point to Morgan Robertson s sea novel The Wreck of the Titan published fourteen years before the Titanic went down as proof of the power of extrasensory perception This rare fifty page novel is reproduced here in full along with a selection of other writings that seem to foretell the Titanic s fate including an excerpt from a novel by famous British journalist and spiritualist W T Stead a short story called The White Ghost of Disaster and several poems about ships hitting icebergs in the North Atlantic Martin Gardner includes notes and running commentary that explore the coincidences and laws of chance as applied to this historical phenomenon He also includes a new preface with reaction and updates to the original publication of The Wreck of the Titanic Foretold Martin
