By Dale Hartle DTM, Spinnaker 7868/WOW 9964 Toastmasters Clubs

20 August 2007

I have now completed the new Competent Leader manual for the first time. In this document I describe the activities I completed, with snippets from my evaluators as evidence of its completion. Copies of all evaluations, notes and agendas are held in my manual.

Project 1 – Listening and Leadership

For this project I completed the Evaluator, Ah-Counter and Grammarian roles.

Did the evaluation indicate listening and understanding?

Yes, paid attention to the speech and highlighted parts of it to illustrate aspects of the evaluation.

What listening skills did the leader exhibit?

Careful listening as she quoted various sayings.

Did the leader focus on grammatical errors?

Picked out interesting phrases/sentences. Covered grammatical errors but didn't identify any – this is more than just ums and ahs.

Project 2 – Critical Thinking

For this project I completed Grammarian and General Evaluator.

Did the leader allow pet peeves to influence her analysis of the speakers grammar and word usage?

Took note of who said/used word of the day and how often. A good choice for word of the day – “presience”.

Did the leader determine the critical areas of the meeting that need attention?

Yes, lack of applause; handover of speakers.

Project 3 – Giving Feedback

For this project I completed Evaluator, Grammarian and General Evaluator.

What part of the evaluation did the leader do well?

Energy, structure, pace, body language, and smile.

What parts of the grammarian role did the leader do well?

Humorous, supported the audience and speakers, motivational.

What parts of the general evaluation did the leader do well?

Explained how the written evaluation operates.
