TANAK Marvin A. Sweeney, 2011-11-01 Though biblical theology has long been considered a strictly Christian enterprise Marvin A Sweeney here proposes a Jewish theology of the Hebrew Bible based on the importance of Tanak as the foundation of Judaism and organized around the major components Torah Nevi im Prophets and Kethuvim Writings Sweeney finds the structuring themes of Jewish life the constitution of the nation Israel in relation to God the disruption of that ideal documented by the Prophets and the reconstitution of the nation around the Second Temple in the Writings Throughout he is attentive to tensions within and among the texts and the dialogical character of Israel s sacred heritage Publisher description

The Lancet ,1880 The British Columbia Gazette British Columbia,1873 *The Shape of the Writings* Julius Steinberg, Timothy J. Stone, 2015-09-09 Are the Writings a miscellaneous collection of books as is so often asserted or do they have a purposeful design or arrangement Over the past 35 years there has been a significant amount of scholarly interest in the shape of the Law Former Prophets Twelve Minor Prophets and the Psalms while examinations of the shape of the Writings were almost nonexistent until very recently The 11 essays in this volume explore this often neglected issue from a variety of critical perspectives reader centered approaches canonical structural canonical and redactional made more robust by the mix of German and English language scholarship on this question including 4 articles translated from German into English Essays range from the historical development of the collection to analysis of the collection s different arrangements to the relationship of books and subcollections within the Writings to the reception of the collection in Jewish and Christian sources Every book in the Writings is discussed with particular attention given to Job Ruth and 1 and 2 Chronicles The volume closes with 3 critical responses from John Barton Tamara Cohn Eskenazi and Christopher Seitz *The Druggists' Circular and Chemical Gazette* ,1894 Includes Red book price list section title varies slightly issued semiannually 1897 1906

Polemic in the Book of Hebrews Lloyd Kim, 2006-11-01 The author of Hebrews is arguing that God himself has brought about the fulfillment of these institutions through his Son s priesthood his once for all sacrifice and the new covenant he inaugurated in the last days These new institutions are never denied the Jews In fact the context of the epistle presumes that these are primarily for the Jews considering that the author was speaking to a Jewish Christian community The author is not arguing for the abandonment by God of the Jewish people but rather for the abandonment of the shadowy means by which God s people drew near to him It is here we can speak of a qualified supersessionism According to the author of Hebrews the Levitical priesthood the Mosaic covenant and the Levitical sacrifices have been superseded by Jesus priesthood the new covenant and Jesus once for all sacrifice However we conclude that the polemical passages in Hebrews do not promote hatred of the Jews nor do they advocate the destruction of the Jewish people Rather the author of Hebrews stresses the fulfillment of specific Jewish institutions for the benefit of the Jews It is this idea of fulfillment that rules out the charge that the epistle promotes the supersession of the Jewish people Because of God s great love for his people he has provided a

superior way by which his people can draw near to him from the Conclusion **British Medical Journal** ,1923 *The Bookseller* ,1920 Official organ of the book trade of the United Kingdom *Moody's Manual of Investments: American and Foreign* ,1928 **The Asiatic Journal and Monthly Register for British and Foreign India, China, and Australia** ,1833 **The Asiatic Journal and Monthly Register for British India and Its Dependencies** ,1833 *The Law Times* ,1872 **Forthcoming Books** Rose Arny,2002 **Herald and Presbyter** ,1898 *The Law Journal* ,1895 The Bookman ,1893 *The Interior* ,1919 Issues for Jan 12 1888 Jan 1889 include monthly Magazine supplement **Building World** ,1898 **Engineering** ,1883 *The Miller* ,1879
