Tom Shippey

Tolkien In The New Century Tolkien In The New Century:

Tolkien in the New Century John Wm. Houghton, Janet Brennan Croft, Nancy Martsch, 2014-07-08 Widely considered one of the leading experts on the works of J R R Tolkien Thomas Alan Shippey has informed and enlightened a generation of Tolkien scholars and fans In this collection friends and colleagues honor Shippey with 15 essays that reflect their mentor s research interests methods of literary criticism and attention to Tolkien s shorter works In a wide ranging consideration of Tolkien s oeuvre the contributors explore the influence of 19th and 20th century book illustrations on Tolkien s work utopia and fantasy in Tolkien s Middle earth the Silmarils the Arkenstone and the One Ring as thematic vehicles the pattern of decline in Middle earth as reflected in the diminishing power of language Tolkien s interest in medieval genres the heroism of secondary characters and numerous other topics Also included are brief memoirs by Shippey s colleagues and friends in academia and fandom and a bibliography of Shippey s work [Tolkien in the New Century](#) John Wm. Houghton, Janet Brennan Croft, Nancy Martsch, 2014-06-04 Widely considered one of the leading experts on the works of J R R Tolkien Thomas Alan Shippey has informed and enlightened a generation of Tolkien scholars and fans In this collection friends and colleagues honor Shippey with 15 essays that reflect their mentor s research interests methods of literary criticism and attention to Tolkien s shorter works In a wide ranging consideration of Tolkien s oeuvre the contributors explore the influence of 19th and 20th century book illustrations on Tolkien s work utopia and fantasy in Tolkien s Middle earth the Silmarils the Arkenstone and the One Ring as thematic vehicles the pattern of decline in Middle earth as reflected in the diminishing power of language Tolkien s interest in medieval genres the heroism of secondary characters and numerous other topics Also included are brief memoirs by Shippey s colleagues and friends in academia and fandom and a bibliography of Shippey s work *Tolkien's Intellectual Landscape* E.L. Ridsen, 2015-03-18 The work of J R R Tolkien has had a profound effect on contemporary fiction and filmmaking Often disparaged by critics Tolkien s fiction created a market for the fantasy trilogy and his academic work represents an innovative contribution to the field of philology In the 20th century his fiction bridged the gap between learned and popular readerships Today the fantasy genre continues to grow even as publishers cut back on creative fiction moving energetically into film gaming and online fan fiction This book describes how Tolkien s imaginative landscape continues to entertain and inspire drawing new generations to Middle earth **J. R. R. Tolkien's "The Hobbit"** Robert T. Tally Jr., 2022-09-19 This book is a critical introduction to J R R Tolkien s *The Hobbit* but it also advances an argument about the novel in the context of Tolkien s larger literary and philosophical project Notwithstanding its canonical place in the fantasy genre *The Hobbit* is ultimately a historical novel It does not refer directly to any real historical events but it both enacts and conceptualizes history in a way that makes it real Drawing on Marxist literary criticism and narrative theory this book examines the form and content of Tolkien s work demonstrating how the heroic romance is simultaneously employed and subverted by Tolkien in his tale of an unlikely hero quite a little fellow in a wide world who nonetheless makes

history First time readers of Tolkien as well as established scholars and fans will enjoy this engaging and accessible study of *The Hobbit* *The Mismeasure of Orcs* Robert T. Tally Jr.,2025-06-19 Despite its well earned reputation as the richest world in fantasy there exists a notable troubling problem in Tolkien s legendarium the existence of a sentient rational being for whom no sympathy or moral feeling is ever shown Examining the origin stories of the orc which changed over time according to Tolkien s own worries about whether orcs were redeemable this book endeavors to show that these inhuman creatures are in fact among the most human perhaps all too human to be found in *The Lord of the Rings* This work discusses racism and class hierarchies in Tolkien s writings contexts in which the characterization of orcs is particularly noticeable But Tolkien s own writings reveal the nature of orcs to be worthy of sympathy despite their often dehumanized or demonized depictions Focusing on key scenes from *The Silmarillion* *The Hobbit* and *The Lord of the Rings* this study uncovers the richly diverse cultures as well as the distinctive personalities of various orcs who turn out to be a far cry from the monsters they are taken to be in the popular imagination A revised understanding of the orcs as a people presents Middle earth s history geopolitics and cultural anthropology in a new light **J.R.R. Tolkien** Tom Shippey,2014-02-21 The definitive Tolkien companion an indispensable guide to *The Hobbit* *The Lord of the Rings* and more from the author of *The Road to Middle earth* This highly erudite celebration and exploration of Tolkien s works is enormous fun declared the *Houston Chronicle* and Tom Shippey a prominent medievalist and scholar of fantasy deepens your understanding without making you forget your initial purely instinctive response to Middle earth and hobbits In a clear and accessible style Shippey offers a new approach to Tolkien to fantasy and to the importance of language in literature He breaks down *The Lord of the Rings* as a linguistic feast for the senses and as a response to the human instinct for myth Elsewhere he examines *The Hobbit* s counterintuitive relationship to the heroic world of Middle earth demonstrates the significance of *The Silmarillion* to Tolkien s canon and takes an illuminating look at lesser known works in connection with Tolkien s life Furthermore he ties all these strands together in a continuing tradition that traces its roots back through *Grimms Fairy Tales* to *Beowulf* Shippey s commentary is the best so far in elucidating Tolkien s lovely myth wrote *Harper s Magazine* J R R Tolkien Author of the Century is a triumph *Chicago Sun Times* that not only gives readers a deeper understanding of Tolkien and his work but also serves as an entertaining introduction to some of the most influential novels ever written **THE NEW CENTURY HANDBOOK OF ENGLISH LITERATURE REVISED EDITION** CLARENCE L. BARNHART,1967 **The New Century Handbook of English Literature** Clarence Lewis Barnhart,1967 *Children's Literature and British Identity* Rebecca Knuth,2012-04-12 For more than 250 years English children s literature has transmitted values to the next generation The stories convey to children what they should identify with and aspire to even as notions of goodness change over time Through reading children absorb an ethos of Englishness that grounds personal identity and underpins national consciousness Such authors as Lewis Carroll J R R Tolkien and J K Rowling have entertained motivated confronted social wrongs and transmitted cultural mores in their

works functions previously associated with folklore Their stories form a new folklore tradition that provides social glue and supports a love of England and English values In *Children's Literature and British Identity Imagining a People and a Nation* Rebecca Knuth follows the development of the genre focusing on how stories inspire children to adhere to the morals of society This book examines how this tradition came to fruition exploring the works of several authors including Robert Baden Powell Robert Ballantyne J M Barrie Enid Blyton Angela Brazil Frances Hodgson Burnett Randolph Caldecott Lewis Carroll Roald Dahl Daniel Defoe Charles Dickens Maria Edgeworth Kenneth Grahame Kate Greenaway G A Henty Thomas Hughes Charles Kingsley Rudyard Kipling C S Lewis A A Milne Hannah More E Nesbit John Newbery George Orwell Beatrix Potter Arthur Ransome Frank Richards J K Rowling Anna Sewell Robert Louis Stevenson J R R Tolkien P L Travers Sarah Trimmer Charlotte Yonge Evaluating the connection between children's literature and the dissemination and formation of identity this book will appeal to both general readers and academics who are interested in librarianship English culture and children's literature

France in the New Century John Ardagh, 2000 Provides a detailed account of the political economic and cultural state of France and theorizes about the future of the country

Bulletin of Bibliography & Magazine Notes, 1977

The Lord of the Rings and the Western Narrative Tradition Martin Simonson, 2008 When *The Lord of the Rings* was published in the 1950s it did not sit comfortably among any preconceived notions of literary genre The critical responses reflected the confusion for some it was an unwelcome reappearance of narrative standards that modernism was supposed to have done away with or just a bad novel Others considered it a refreshing work in the epic and romance traditions Ironically much of the critical prejudice regarding the question of genre in *The Lord of the Rings* has been motivated by the same kind of blindness that Tolkien denounced in his famous 1936 lecture *Beowulf the monsters and the critics* Like *Beowulf* Tolkien's work has also failed to be properly appreciated and assessed due to a general refusal to accept the centrality of monsters because despite its monstrous originality and fantastic setting it is very clearly and not only chronologically at the centre of twentieth century literature *The Lord of the Rings and the Western Narrative Tradition* is an attempt to account for the particular genre interaction that governs Tolkien's tale and put it in a meaningful relationship with the contemporary literary context At the same time it is a quest to track down one of the most famous and elusive literary monsters of the past century by filling out a long neglected white space on the map of comparative literature and genre criticism

The Catholic World Report, 2005

Bulletin of Bibliography, 1977

Webster's New Century Dictionary Webster's, Rh Value Publishing, 2001 The most modern comprehensive and complete dictionary for home office and college with over 100 000 entries 500 black and white illustrations printed thumb index up to date maps as endpapers and a variety of key reference supplements including Grammar and Usage Notes The Declaration of Independence Proofreader's Marks Presidents and Vice Presidents of the United States and many others that are found in far more expensive dictionaries An outstanding dictionary
