Tom Train Spotter Murray Mcleod:

Tom the Train Spotter Murray McLeod, 2015-12-12 Tom Brown lived on his parent's farm near a country railway station. Every afternoon after school Tom would hurry to the station to see his friend Bert the station master. A railway journey years ago was an exciting event. Powerful steam locomotives hauled passenger trains from city to city. Even more powerful locos hauled the freight trains. Tom's favourite pastime was train spotting.

Feature Films, 1960-1969 Harris M. Lentz III, 2009-12-29 This is a filmography in two volumes of not only all of the English language movies made during the 1960s that had a U.S. theatrical release but major foreign films exhibited in the United States as well. The following information is provided for each film: year of release, nation of origin if other than the U.S., production or distribution company, black and white or color, running time, genre, production credits, cast and characters, and a brief synopsis. This turbulent decade is unusually interesting in the history of cinema. Those films released in the early part of the decade were similar to those of the 1950s but as the years passed the offerings changed in many ways.
