The Adventures of Tom Sawyer Mark Twain, 2019-04-13 The Adventures of Tom Sawyer by Mark Twain is an 1876 novel about a young boy growing up along the Mississippi River. It is set in the 1840s in the fictional town of St. Petersburg, inspired by Hannibal, Missouri, where Twain lived as a boy. In the novel, Tom Sawyer has several adventures, often with his friend Huckleberry Finn. Originally a commercial failure, the book ended up being the best-selling of any of Twain's works during his lifetime. Although *The Adventures of Tom Sawyer* is sometimes overshadowed by its sequel *Adventures of Huckleberry Finn*, the book is considered a masterpiece of American literature and was one of the first novels to be written on a typewriter.

Tom Sawyer, an orphan, lives with his Aunt Polly and his half brother Sid in the fictional town of St. Petersburg, Missouri, sometime in the 1840s. A fun-loving boy, Tom skips school to go swimming and is made to whitewash his aunt's fence for the entirety of the next day, Saturday, as punishment. In one of the most famous scenes in American literature, Tom cleverly persuades the various neighborhood children to trade him small trinkets and treasures for the privilege of doing his tedious work, using reverse psychology to convince them it is an enjoyable activity. Tom later trades the trinkets with other students for various denominations of tickets obtained at the local Sunday school for memorizing verses of Scripture; he cashes these in to the minister in order to win a much-coveted Bible offered to studious children as a prize, despite being one of the worst students in the Sunday school and knowing almost nothing of Scripture, eliciting envy from the students and a mixture of pride and shock from the adults.
