Victory Undone Carter Address,Malcolm McConnell,2014-10-20 Here is a dramatic first person account of how the United States won the war in Iraq only to see the peace lost by an unengaged administration with Iraqis terrorized and the new caliph of ISIS promising I ll see you in New York Military contractor Carter Address was the ultimate boots on the ground civilian in Iraq While reporters aid workers diplomats and even U S soldiers were often cut off from the ground truth in Iraq by the blast walls protecting the Green Zone and our bases Address was in the thick of things driving through insurgent infested territory negotiating with hostile tribes and witnessing the transformation of Iraq from chaos and violence to a stable multi ethnic multi sectarian democracy that needed only minimal American support to defend itself support however that thanks to the Obama administration was not forthcoming A page turner of a story but also an incredibly important account of what actually happened in the Iraq War and afterwards Victory Undone is a book every American needs to read *Once Upon Tomorrow* Shurick Agapitov,2024-03-05 Shurick Agapitov s Once Upon Tomorrow unpacks the

sometimes vague concept of the metaverse and shares the opportunities that are and will be available within this new world. Thirty years ago the advent of the internet changed the world. For the first time in human history the collected knowledge of all mankind was freely available to every man, woman, and child on the planet with the click of a few buttons. Fifteen years ago the world changed again with the widespread availability and adoption of smartphones that put the full power of the internet in the palm of our hands whenever we want and wherever we are. As monumental as these advancements were, they were just the warmup for the change that's coming next. In just a few years we won't think of going on the internet to look up information and find entertainment. Instead, we'll already be in the internet, living, working, and playing in an endless virtual world that will turn everything we think we know about the internet on its head. Welcome to the Metaverse.

In "Once Upon Tomorrow," visionary tech CEO Shurick Agapitov dives deep into this new age of the internet by unpacking exactly what the Metaverse is and what it will become. It's not about pixels and computer chips; it's a total paradigm shift that will revolutionize how people interact, share stories, create, and implement ideas, conduct business, and literally live their lives. The Metaverse will be the biggest change any of us have ever seen. Fortunately, Shurick Agapitov is here to take you by the hand and welcome you into this wild, wonderful new universe of opportunity.

Diaries of War by Nora Krug, 2023-10-24. Powerful graphic journalism that highlights the contrasting realities of a Ukrainian journalist and a Russian artist grappling with their own individual experiences of Russia's war on Ukraine. Collected, edited, and illustrated by award-winning author Nora Krug. Immediately after Russia began its unprovoked invasion of Ukraine in February 2022, Nora Krug reached out to two anonymous subjects: K, a Ukrainian journalist, and D, a Russian artist, and began what would become a year of correspondence. Based on her weekly interviews with K and D, Krug created this collection of illustrated accounts that chronicles two contrasting viewpoints from opposing sides of the first year in this ongoing war. With millions displaced, injured, or killed as a result of the invasion, Krug presents a look at the devastating effects on an everyday individual level. K's diary documents a year of emotional and existential distress. She experiences loss in every sense of the word: the death of those close to her, the disconnection from her family and friends, and the devastation of her country. But her account is also a story about bravery and survival in the face of dire uncertainty. In juxtaposition, D's narrative details his disdain for his government's murderous actions and his attempts at emigrating his family abroad. He navigates his own struggle with cultural identity, guilt, and lack of action in the face of a tyrannical regime, a perspective that is necessary in challenging readers to confront the political actions of their own countries. Krug approaches *Diaries of War* with the immense skill and thoughtfulness required to document these two complicated experiences for the purpose of encouraging critical thinking. Published as an Op-Ed series with the Los Angeles Times, with a portion of the entries unique to this book, *Diaries of War* is a harrowing real-time record of an international conflict that continues to devastate countless lives.

Land of Enchantment by Leigh Stein, 2016. A thoughtful and compelling elegy to a troubled man, a broken love, and a broken dream of the West. Leslie Jamison, New York

Times bestselling author of *The Empathy Exams* An MSN Best Book of 2016 Set against the stark and surreal landscape of New Mexico *Land of Enchantment* is a coming of age memoir about young love obsession and loss and how a person can imprint a place in your mind forever When Leigh Stein received a call from an unknown number in July 2011 she let it go to voice mail assuming it would be her ex boyfriend Jason Instead the call was from his brother Jason had been killed in a motorcycle accident He was twenty three years old She had seen him alive just a few weeks earlier Leigh first met Jason at an audition for a tragic play He was nineteen and troubled and intensely magnetic a dead ringer for James Dean Leigh was twenty two and living at home with her parents trying to figure out what to do with her young adult life Within months they had fallen in love and moved to New Mexico the *Land of Enchantment* a place neither of them had ever been But what was supposed to be a romantic adventure quickly turned sinister as Jason s behavior went from playful and spontaneous to controlling and erratic eventually escalating to violence Now New Mexico was marked by isolation and the anxiety of how to leave a man she both loved and feared Even once Leigh moved on to New York throwing herself into her work Jason and their time together haunted her *Land of Enchantment* lyrically explores the heartbreaking complexity of why the person hurting you the most can be impossible to leave With searing honesty and cutting humor Leigh wrestles with what made her fall in love with someone so destructive and how to grieve a man who wasn t always good to her Words Onscreen Naomi S.
