

Unknown Vice Lord Nation

My Love For You Began At Birth

My life is dedicated to this VLN not by the will of the nation but from my will to sacrifice it all for a love greater even then myself. Lord Love means I have an undying love for this nation and I will die for this cause... we have all heard this, we all have stamped this ideal on our minds but how many have stamped this ideal on there hearts. Our power comes from our unity, it comes from our willingness to disregard our own lives for this nation. I come as I am, am as I come. I was a vice lord from birth, my goals where set at birth to become a man of immeasurable trust in order that my brothers may see a greater light and know a greater understanding as representatives of this almighty vice lord nation. My love for you began at birth and nothing will ever dampen the compassion I feel for all my Lords through my life till my death I solemnly swear to live my life in the knowledge, wisdom and understanding of this almighty vice lord nation as a representative of this AVLN I swear to TEACH, THE LOVE, LIFE, AND LOYALTY OF THIS ALMIGHTY VICE LORD NATION. It is our duty to uplift our brothers, to teach our nation and guide them so that it is to be a vice lord. So take your lordism to the next level, evolve your love into something greater that will take Vice Lords to another level of Understanding. It is up to us to take this Nation and make it strong, be willing to sacrifice because sacrifices must be made. Be righteous, loyal, worthy of trust. If you care for your nation then teach righteously and the ones that hear you will be filled with the same fury you hold dear to your heart. My mistakes should be your salvation. If I die I die, but don't let it be in pain, learn from those righteous brothers that have given there lives so that no more of use have to give that ultimate sacrifice.

Vice Lords Literature:

The Vice Lords R. Lincoln Keiser, 1979 **A Nation of Lords** David Dawley, 1973 A Nation of Lords David Dawley, 1992-03-01 An instructive and relevant look at an explosive period in urban history This savagely moving autobiography of a violent street gang covers its heyday in the 1960s when it had perhaps ten thousand members in at least twenty six branches on Chicago s West Side It is the story of a street gang that became a community organization supported by private foundations and corporations and dedicated to social economic and political development The gang s violent neighborhood was transformed into Head Start s most improved block where the crime rate decreased as did the number of gang related killings *The Vice Lords* George W. Knox, Andrew V. Papachristos, 2002-01-01 *Real Gangstas* Timothy R. Lauger, 2012-09-01 Street gangs are a major concern for residents in many inner city communities However gangs secretive and at times delinquent tendencies limit most people s exposure to the realities of gang life Based on eighteen months of qualitative research on the streets of Indianapolis *Real Gangstas* provides a unique and intimate look at the lives of street gang members as they negotiate a dangerous peer environment in a major midwestern city Timothy R Lauger interviewed and observed a mix of fifty five gang members former gang members and non gang street offenders He spent much of his fieldwork time in the company of a particular gang the Down for Whatever Boyz who allowed him to watch and record many of their day to day activities and conversations Through this extensive research Lauger is able to understand and explain the reasons for gang membership including a chaotic family life poverty and the need for violent self assertion in order to foster the creation of a personal identity Although the book exposes many troubling aspects of gang life it is not a simple descriptive or a sensationalistic account of urban despair and violence Steeped in the tradition of analytical ethnography the study develops a central theoretical argument combinations of street gangs within cities shape individual gang member behavior within those urban settings Within Indianapolis members of rival gangs interact on a routine basis within an ambiguous and unstable environment Participants believe that many of their contemporaries claiming gang affiliations are not actually real gang members but instead are imposters who gain access to the advantages of gang membership through fraud and pretense Consequently the ability to discern real gang members or to present oneself successfully as a real gang member is a critical part of gangland Indianapolis *Real Gangstas* offers an objective and fair characterization of active gang members successfully balancing the seemingly conflicting idea that they generally seem like normal teenagers yet are abnormally concerned with and too often involved in violence Lauger takes readers to the edge of an actual gang conflict providing a rare and up close look at the troubling processes that facilitate hostility and violence The Almighty Black P Stone Nation Natalie Y. Moore, Lance Williams, 2011 Were the Stones criminals brainwashed terrorists victims of their circumstances or champions of social change Or were they all of these their role perceived differently by different races and socioeconomic groups This Is My Story ToMack D. Johnson, 2011-10-21 THIS GRITTY BRUTALLY MEMOIR TELLS THE

STORY OF AN ANGRY YOUTH WHO GOES TO PRISON AND UPON RELEASE BECOMES ONE OF OKLAHOMAS MOST PROMINENT DRUG DEALERS This Is My Story is the brutally honest life story of ToMack D Johnson From his troubled childhood in Chickasha and Lawton Oklahoma to his initiation into the gang known as the Vice Lords Johnson is brutally honest about the challenges that he faced He describes his disturbing childhood and his rugged life as a teen gang member In 1992 he began his rst prison term following his conviction for a drive by shootingthus beginning the next troublesome period of his life as a hard head in prison He left prison after spending over a quarter of his life there Johnson explores his life as a businessman street hustler and drug dealer trying to make money any way possible He also talks about the battle for his life that he has fought since discovering that he had high blood pressure and devastating kidney failure Finally he talks honestly about his relationship with his daughter and her mother as well as with all of the women in his life By discussing the hardship of his abusive relationships with women he recognizes the a ect that being raped as a child had on his life **The Annual Register, Or, A View of the History, Politicks, and Literature for the Year ... ,1786** **Oxford Books: Oxford literature, 1450-1640, and 1641-1650. 1912** Falconer Madan,1912 **Encyclopaedia Perthensis; Or Universal Dictionary of the Arts, Sciences, Literature, &c.
