grounded crime dramas Publishers Weekly Terri Blackstock the queen of Christian suspense CBA Market delivers a riveting story of the secrets and lies that are too close to home One father was murdered Another was convicted of his death And all because their children fell in love Nate Beckett has spent his life fighting wildfires instead of the lies and rumors that drove him from his Colorado hometown His mother begs him to come back now that his father has been released from prison but it isn't until he's sidelined by an injury that he's forced to return and face his past But that means facing Brenna too Fourteen years ago Nate was in love with the preacher's daughter When Pastor Strickland discovered Brenna had defied him to sneak out with Nate the fight between the Pastor and Nate's drunken dad was loud and very public The Pastor was found murdered later that night and everyone accused Nate's father Roy of the murder When the church burned down not long after people assumed Nate set the fire to get even for his father's conviction He let the rumors fly and left town without looking back Brenna is stunned to learn that the man convicted of murdering her father has been pardoned The events of that night set her life on a bad course and now she's fighting a brutal custody battle with her ex and his new wife where he's using lies and his family's money to sway the judge Brenna is barely hanging on As Nate and Brenna deal with the present including new information about that fateful night and a wildfire that's threatening their town the past keeps igniting Nate is the steady force Brenna has so desperately needed But she'll have to learn to trust him again first New York Times bestselling author Terri Blackstock's *Smoke Screen* is riveting suspense layered with family drama second chance romance small town secrets and plenty of redemption and forgiveness Perfect for fans of Colleen Coble or Tosca Lee

If I Run Terri Blackstock, 2016-02-16 Now a Lifetime Original Movie USA TODAY Bestseller ECPA Bestseller Over 500 000 copies of the If I Run Series sold From New York Times bestselling author Terri Blackstock comes the first gripping novel in her If I Run series featuring a strong female protagonist wrongly framed for murder and the troubled investigator who's trying to find her Casey Cox knows the truth But it won't set her free Her DNA is all over the crime scene There's no use talking to police they've failed her abysmally before She has to flee before she's arrested or worse The truth doesn't matter anymore But what is the truth That's the question haunting Dylan Roberts the war weary veteran hired to find Casey PTSD has marked him damaged goods but bringing Casey back can redeem him Though the crime scene seems to tell the whole story details of the murder aren't adding up Casey Cox doesn't fit the profile of a killer But are Dylan's skewed perceptions keeping him from being objective If she isn't guilty why did she run Unraveling her past and the evidence that condemns her will take more time than he has but as Dylan's damaged soul intersects with hers he is faced with two choices the girl who occupies his every thought is a psychopathic killer or a selfless hero And the truth could be the deadliest weapon yet In the If I Run series Terri Blackstock delivers edge of your seat tension to keep the pages turning relatable characters dual perspectives an intriguing plot with unexpected twists and themes of faith and redemption Run don't walk to start reading this captivating story today A fast paced thoroughly mesmerizing thriller If I Run offers distinct Christian undertones Though not preachy this layering

adds to the complexity of this suspenseful novel An enthralling read with an entirely unexpected conclusion New York Journal of Books Blackstock is masterly in navigating the suspenseful fugitive plot Crisp dialogue and unexpected twists make this compulsive reading Publishers Weekly The If I Run Series Book 1 If I Run Book 2 If I m Found Book 3 If I Live Creative Interventions with Traumatized Children Cathy A. Malchiodi,2008-01-08 Rich with case material and artwork samples this volume demonstrates a range of creative approaches for facilitating children s emotional reparation and recovery from trauma Contributors include experienced practitioners of play art music movement and drama therapies bibliotherapy and integrative therapies who describe step by step strategies for working with individual children families and groups The case based format makes the book especially practical and user friendly Specific types of stressful experiences addressed include parental loss child abuse accidents family violence bullying and mass trauma Broader approaches to promoting resilience and preventing posttraumatic problems in children at risk are also presented **Greening in the Red Zone** Keith G. Tidball,Marianne E. Krasny,2013-07-22 Creation and access to green spaces promotes individual human health especially in therapeutic contexts among those suffering traumatic events But what of the role of access to green space and the act of creating and caring for such places in promoting social health and well being Greening in the Red Zone asserts that creation and access to green spaces confers resilience and recovery in systems disrupted by violent conflict or disaster This edited volume provides evidence for this assertion through cases and examples The contributors to this volume use a variety of research and policy frameworks to explore how creation and access to green spaces in extreme situations might contribute to resistance recovery and resilience of social ecological systems *The Routledge International Handbook of Psycholinguistic and Cognitive Processes* Jackie Guendouzi,Filip Loncke,Mandy J. Williams,2023-06-02 This handbook provides a comprehensive overview of the theories of cognition and language processing relevant to the field of communication disorders Thoroughly updated in its second edition the book explores a range of topics and issues that illustrate the relevance of a dynamic interaction between both theoretical and applied clinical work Beginning with the origins of language evolution the authors explore a range of both developmental and acquired communication disorders reflecting the variety and complexity of psycholinguistics and its role in extending our knowledge of communication disorders The first section outlines some of the major theoretical approaches from psycholinguistics and cognitive neuroscience that have been influential in research focusing on clinical populations while Section II features examples from researchers who have applied this body of knowledge to developmental disorders of communication Section III features examples focusing on acquired language disorders and finally Section IV considers psycholinguistic approaches to gesture sign language and alternative and augmentative communication AAC The new edition features new chapters offering fresh perspectives further reading recommendations and a new epilogue from Jackie Guendouzi This valuable text serves as a single interdisciplinary resource for graduate and upper level undergraduate students in cognitive neurosciences psychology communication sciences and

disorders as well as researchers new to the field of communication disorders or to psycholinguistic theory
