

Victorian Children People In The Past

Hilary Cooper

Victorian Children People In The Past:

A New Companion to Victorian Literature and Culture Herbert F. Tucker, 2014-02-14 A NEW COMPANION TO VICTORIAN LITERATURE AND CULTURE The Victorian period was a time of rapid cultural change which resulted in a huge and varied literary output A New Companion to Victorian Literature and Culture offers experienced guidance to the literature of nineteenth century Britain and its social and historical context This revised and expanded edition comprises contributions from over 30 leading scholars who approaching the Victorian epoch from different positions and traditions delve into the unruly complexities of the Victorian imagination Divided into five parts this new Companion surveys seven decades of history before examining the key phases in a Victorian life the leading professions and walks of life the major literary genres the way Victorians defined their persons homes and national identity and how recent neo Victorian developments in contemporary culture reconfigure the sense we make of the past today Important topics such as sexuality denominational faith social class and global empire inform each chapter s approach Each chapter provides a comprehensive bibliography of established and emerging scholarship

Children's Voices from the Past Kristine Moruzi, Nell Musgrove, Carla Pascoe Leahy, 2019-04-23 This book explores a central methodological issue at the heart of studies of the histories of children and childhood It questions how we understand the perspectives of children in the past and not just those of the adults who often defined and constrained the parameters of youthful lives Drawing on a range of different sources including institutional records interviews artwork diaries letters memoirs and objects this interdisciplinary volume uncovers the voices of historical children and discusses the challenges of situating these voices and interpreting juvenile agency and desire Divided into four sections the book considers children s voices in different types of historical records examining children s letters and correspondence as well as multimedia texts such as film advertising and art along with oral histories and institutional archives Evolution and Imagination in Victorian Children's Literature Jessica L. Straley, 2016-06-06 An interdisciplinary study that explores the impact of evolutionary theory on Victorian children s literature

Children in Victorian Times Jill Barber, 2013-02-18 At the start of Queen Victoria s reign 1837 1901 children were treated the same as adults By 1901 this had changed People thought childhood was a special time and children should be treated differently This book investigates the lives of Victorian children and introduces people who worked to improve children s lives

People That changed the Course of History: The Story of Queen Victoria 200 Years After Her Birth Danielle Thorne, 2018 Almost 200 years ago the cries of a newborn baby echoed through the halls of London s Kensington Palace No one who celebrated Princess Victoria s birth in the late spring of 1819 could have imagined that the little girl born fifth in line to the English throne would be the ruling monarch of the United Kingdom in just a few short years The 19th century was a time of great change For Princess Alexandrina Victoria misfortune would strike early with the loss of her father a lonely childhood and a mother determined to control her As teen queen Queen Victoria ruled with stubbornness strength and humility that nourished the advancement of

the Industrial Revolution soothed the tempers of European warmongers and changed life in England in diverse and sometimes controversial ways Through her published journals and letters this beloved figure has come to be known as more than just an aristocratic young woman with a crown but a queen for the ages Victoria ruled on her own terms for an astounding 63 years She survived illness political plots the birth of nine children assassination attempts and a personal heartbreak that would transform her from a royal ruling mother into a mourning widow Through it all she maintained an iron determination to finish her course Under her reign the United Kingdom reached its historic peak of world power and dominion influencing change and life around the globe A small woman with glowing round eyes and a ready wit Queen Victoria is remembered today as the charming giantess who ruled while the sun never set on the British Empire **A Heroes History of the Victorians** ,2006 **Victorian Children** Steve Harrison,Jonathan Hewitt,1997-04-30 *Victorian Britain* Paul Flux,2001 *Edinburgh History of Children's Periodicals* Michelle J. Smith,Beth Rodgers,Kristine Moruzi,2024-04-30 Since the publication of the first children s periodical in the 1750s magazines have been an affordable and accessible way for children to read and form virtual communities Despite the range of children s periodicals that exist they have not been studied to the same extent as children s literature The *Edinburgh History of Children s Periodicals* marks the first major history of magazines for young people from the mid eighteenth century to the present Bringing together periodicals from Britain Ireland North America Australia New Zealand and India this book explores the roles of gender race and national identity in the construction of children as readers and writers It provides new insights both into how child readers shaped the magazines they read and how magazines have encouraged children to view themselves as political and world subjects Citizenship in History Dean Smart,2000 The Revised National Curriculum places a strong emphasis on teaching knowledge skills and understanding of Citizenship to all KS 3 4 pupils In particular it ensures this teaching takes places within the context of an individual subject were possible From the first announcement of the compulsory Programme of Study for Citizenship history has emerged as an example of a subject already delivering aspects of citizenship within its curriculum *The Victorian Era in Twenty-First Century Children's and Adolescent Literature and Culture* Sonya Sawyer Fritz,Sara K. Day,2018-01-19 Victorian literature for audiences of all ages provides a broad foundation upon which to explore complex and evolving ideas about young people In turn this collection argues contemporary works for young people that draw on Victorian literature and culture ultimately reflect our own disruptions and upheavals particularly as they relate to child and adolescent readers and our experiences of them The essays therein suggest that we struggle now as the Victorians did then to assert a cohesive understanding of young readers and that this lack of cohesion is a result of or a parallel to the disruptions taking place on a larger even global scale **History in the Early Years** Hilary Cooper,2002-01-04 Until recently history was sometimes seen as being inappropriate for young children Increasingly however teachers are discovering that children enjoy finding out about the past yet researchers are often unsure about what counts as real history

Hilary Cooper explains the strands of thinking involved in historical enquiry at any level the extent to which pre school children can think in this way and how teachers can build on this thinking once children are in school making history an integral part of good practice The book includes case studies to illustrate points and activities thr

People in the Past: Victorian Children / Victorian Jobs / Victorian Homes / Victorian Women Brenda Williams,2004-08-02 This series for primary school children offers a topic based approach to an important period in history each book covering a different aspect of Victorian society This history explores how people lived then and what today s society has learned from them The series focuses on primary sources

Bringing History Alive through Local People and Places Lynne Dixon,Alison Hales,2013-12-04 A much needed and delightful book It shows how history can be taught with the meaningful experiences of each child at its centre making connections between the child the locality and community the national and global past and concepts of time Throughout the authors empower teachers to adopt their philosophy by showing them how to plan select resources and strategies and reflect on ideas and case studies Hilary Cooper Emeritus professor of history and pedagogy The University of Cumbria UK Bringing History Alive through Local People and Places puts the local environment and community at the heart of history showing how it can be used as the context for successful history teaching across the primary age range It considers how to develop children s concepts and skills through local history how to link local national and global aspects of history and helps you develop your own historical knowledge understanding and confidence in teaching the subject Practical topics explored include Investigating children s cultural and geographical roots through fieldwork Finding and visiting local museums archives and heritage sights Choosing and using resources Using significant people events and buildings to link with national history Environmental education and sustainable development through local history Understanding the links between history and everyday life Planning and assessing history Based on the latest research and practice in the field Bringing History Alive through Local People and Places offers an exciting template of creative ideas and activities to show teachers how they can make history relevant to all children

Listening to Children and Young People in Healthcare Consultations Sarah Redsell,Adrian Hastings,2018-04-17 The involvement of children and young people in consultations about aspects of their health or illness is often limited with their role in diagnosis and decision making on treatment options secondary to that of parents or carers However research shows that most children and young people want greater involvement that this can both improve their understanding of their illness and positively influence healthcare outcomes Policy recommendations increasingly require health professionals to involve children and young people in healthcare but there is little available guidance on building the knowledge and skills needed to do so effectively This book meets that need including an overview of the particular issues involved and providing structured guidance for different types of consultations including children with learning difficulties disabled children and children as carers Edited by eminent researchers and with highly experienced contributors this book is an invaluable resource for GPs and GP registrars paediatric and emergency

consultants and specialist registrars nurses paramedics healthcare educators and trainees and all those who work with children and young people in health related contexts

History in Action 5 Karen Cooksey, 2004-11 Instant lesson plans with teacher notes on differentiation and engaging copiable activities for pupils Book 5 concentrates on popular topics for ages 9 to 11 matching the QCA Scheme of Work for History and meeting NC requirements More topics for 9 to 11 year olds are covered in Book 6

Choosing and Using Fiction and Non-Fiction 3-11 Margaret Mallett, 2010-07-02 Winner of the United Kingdom Literacy Association's Author Award 2011 for its contribution to extending children's literacy Praise for the book This book is about making readers A compact summary of its contents would not do it justice It is the account of a life's work and it deserves thanks and readers Margaret Meek Books for Keeps on line Number 185 November 2010 This book is a cornucopia of varied pleasures offering something for all tastes presented with an awareness of the complexities of the field and communicated with commitment enthusiasm and deep knowledge Eve Bearne English 4 11 the primary school journal of The English Association Number 42 Summer 2011 Choosing and Using Fiction and Non Fiction 3 11 is a guide to the many kinds of text we want children to encounter use and enjoy during their nursery and primary school years So children's non-fiction literature including autobiography biography information and reference texts is given equal status with fiction nursery rhymes picturebooks novels traditional tales playscripts and poetry The author addresses important issues and allows the voices of teachers reviewers and children to be heard The book supports teachers as they help children on their journey to becoming insightful and critical readers of non-fiction and sensitive and reflective readers of fiction It also contains suggestions for practice which are in the spirit of the more flexible and creative approach to learning towards which primary schools are moving It includes help on using criteria to select quality texts of all kinds annotated booklists for each kind of text for different age groups suggestions for keeping a balance between print and screen-based texts case studies showing teachers and children using texts in interesting and imaginative ways to support learning in English lessons and across the curriculum advice on developing children's visual and multimodal literacy guidance on using the school library and embedding study skills in children's wider purposes and learning critiques of key theoretical perspectives and research projects Although the main readership will be primary and student teachers it is hoped that the book will be of interest and use to anyone concerned with the role of texts in children's learning

Books, Buildings and Social Engineering Alistair Black, Simon Pepper, Kaye Bagshaw, 2009 This important and comprehensive book represents a ground-breaking socio-architectural study of pre 1939 public library buildings It includes a study of what is happening to historic libraries now and proposes that knowledge of their origins and early development can help build an understanding of how best to handle their future

The Girls' History and Culture Reader Miriam Forman-Brunell, Leslie Paris, 2011 Provides scholars instructors and students with the most influential essays that have defined the field of American girls' history and culture and addresses topics ranging from diary writing and toys to prostitution and slavery from cover
