GREAT IGWE, 2019-07-30 Out of nowhere the storms of life hit us without warning The loss of a loved one a broken relationship loss of a job and properties A terrible accident illness or the failure of a business This is tough challenges that people all over the world are being confronted with daily in their respective life We don t have the power to choose what happens to us neither can we as humans choose the nature and severity of the problems and challenges that confronts us every day But one thing we sure can do and has the power to control is the way we respond to these challenges and how we fight through it Life is like an ocean and every one of us are born sailors sailing through this ocean Everybody shall one day encounter a storm be it the wealthy the educated the poor the uneducated the single or married the sick or healthy The storms of life is not a respecter of race religion or country of birth but rather a respecter of courage boldness persistent firmness of purpose and positive attitude Walking tall in tough times is a book that will certainly arm and spur you to take tough decisions and actions necessary to bring about a change in your life It will also help you change your negative perceptions and response to the challenges you are going through and put you on a part to true success The principles and practical steps that are outlined in this book is not based on head knowledge but rather are founded on experiential knowledge and scriptural examples that will certainly leave transformed This book will undoubtedly stir you to leave your comfort zone to your rightful place of influence and power It will forge you to become uncomfortable with mediocrity and average existence Buckle up as I take you through this journey of self freedom and reawakening Happy read **The**
