Michaud,2022-09-13 Tired disoriented and confused Robert East was no match for the wolves when they arrived Robert East loved his older brother Tom but always resented Tom s favored role in the family cattle business based at their San Antonio Viejo ranch near Hebbronville Texas just north of the Rio Grande Tom was a figure to be reckoned with a cattleman with ambitions to supplant their Uncle Bob Kleberg head of the enormous King Ranch as the leading cattle raiser in Texas Robert by contrast was a cowboy who cared little for what occurred beyond the San Antonio Viejo s main gate Handsome and ornery with no head for business he nevertheless chafed in his brother s shadow until 1984 when Tom died young of a heart attack just as their father Tom East Sr had 40 years earlier Suddenly Robert was the new and untested patr n of 250 000 acres of East Family ranchland and the majority owner of the ocean of natural gas pooled beneath East rangeland It was his turn to issue the orders Robert s contentious nature drove the Easts into bitter intra family legal hostilities that persisted for a

decade He lost his beloved sister Lica to cancer and as old age advanced he found himself alone and isolated on a remote ranch with only an unreliable foreman and a scattering of vaqueros and other workers for company The physical wear and tear from decades of working cattle on horseback began to show Robert s knees gave out and he developed serious cardiovascular problems His doctors prescribed pain pills sedatives and medications for his chronic depression In 2000 drillers hit the most productive gas well in the U S if not the world on East property making the rich old man suddenly and spectacularly wealthy beyond his comprehension Soon enough the wolves began to circle and Robert s grotesque final days were at hand *Outlaws & Desperados* Ann Lacy, Anne Valley-Fox, 2008 Between 1936 and 1940 field workers in the Federal Writers Project collected many accounts that provide an authentic and vivid picture of the early days of New Mexico This volume focuses on outlaws and desperados *Using Spanish Synonyms* R. had a life marked by abuse and hardship When her story begins she is translating a book about the kidnapping of a woman connected to a drug cartel At the book launch she meets her husband to be a lawyer When their marriage fizzles out she falls in love with one of his clients Angel a Colombian from a drug cartel family imprisoned in British Columbia on a drug smuggling charge Pregnant the narrator is taken hostage by Angel s wife to a hot and squalid island off the coast of Colombia in an atmosphere of extreme violence she is fed drugs until she becomes addicted to cocaine and useless to her child When she winds up on death row it is because the evidence in her trial suggests she sacrificed her baby for drugs Her narrative violent and bizarre but also riveting and erotic runs parallel to an account of life in Death Clinic at the Heaven Valley State Facility for Women A moving story emerges of the friendship of three female inmates who share only the fact that they each have a date with the executioner There is humour and emotion in their lives however harsh their stories When Musgrave was asked how humour finds its way into such an unlikely place she replied It s a survival technique People make jokes when they survive tragedies that s how they deal with the world In this novel about prison and drug culture filled with brutality and injustices the compassion we feel for the narrator lends the story a moral message that nobody is so simply bad as to deserve the death sentence As the Gazette commented the book puts a human face on convicted criminals makes us face squarely the issue of capital punishment and assess how we judge guilt innocence and the ambiguous space in between The Calgary Straight called the book a love letter to those who are serving time and the families who serve with them It s also a book about unconditional love and how far we will go for it according to Musgrave who spent eight years writing this novel and knows plenty about prison life having met and married her husband Stephen Reid during his incarceration in the 1980s She had just finished a draft of the novel when Reid was arrested again following a bank robbery in 1999 just months after the CBC aired a Life and Times documentary about the couple A brilliant mix of black humour stark tragedy and poignant humanity Cargo of Orchids is Musgrave s first novel in over ten years She has three times been nominated for the Governor General s Award once for fiction The Charcoal Burners and twice for poetry A Man to Marry a Man to Bury and Grave Dirt and Selected Strawberries and has published over twenty books She likes novels with intense use of language and good plotting I want to give readers a harrowing ride she says I like to think of Cargo of Orchids as a suspense novel which is also an exploration of the heart
