Lies Frank Tallis, 2008 Vienna 1903 In St Florian's military school a rambling edifice set high in the hills of the city's famous woods a young cadet is found dead his body lacerated with razor wounds Once again Inspector Oskar Rheinhardt calls on his friend and disciple of Freud Doctor Max Liebermann to help him with the investigation *Vienna Blood (kindle)* Frank TALLIS, 2009-12-23 Mortal Mischief Frank Tallis, 2005 The room containing the body has been locked from the inside and a cryptic note suggests a malevolent supernatural power is at work Liebermann uses the new science of psychoanalysis to probe the minds of suspects in an attempt to unravel this bewildering crime *The Detective's Companion in Crime Fiction* Lucy Andrew, Samuel Saunders, 2021-07-24 This book aims to establish the position of the sidekick character in the crime and detective fiction literary genres It re-evaluates the traditional view that the sidekick character in these genres is often overlooked as having a small generic or singular role either to act as the foil to the detective in order to accentuate their own abilities at solving crimes or else to simply tell the story to the reader Instead essays in the collection explore the representations and functions of the detective's sidekick across a range of forms and subgenres of crime fiction By incorporating forms such as children's detective fiction comics and graphic novels and film and television alongside the more traditional fare of novels and short stories this book aims to break down the boundaries that sometimes exist between these forms using the sidekick as a defining thread to link them together into a wider conceptual argument that covers a broad range of crime narratives *Mephisto Waltz* Frank Tallis, 2018-02-06 Vienna 1904 The body of a man still sitting in a chair is discovered in an abandoned piano factory on the outskirts of the city He has been shot dead but his face has been horribly disfigured with acid making identification impossible In front of the body are three chairs positioned conspicuously in a straight line Who were the former occupants Had they sat in judgement and pronounced a sentence of death Detective Inspector Oskar Rheinhardt calls on his good friend Doctor Max Liebermann psychiatrist and disciple of Sigmund Freud to assist in an investigation that draws them both into the shadowy and sexually unconventional world of fringe political activism A Death in Vienna Frank Tallis, 2015-03-10 An elegant historical mystery stylishly presented and intelligently resolved set at the dawn of psychoanalysis The New York Times Book Review In Vienna at the turn of the twentieth century Max Liebermann a contemporary of Sigmund Freud's is at the forefront of psychoanalysis practicing the controversial new science with all the skill of a master detective Every dream inflection or slip of tongue in his hysterical patients has meaning and reveals some hidden truth When beautiful medium Charlotte L. Weinstein dies under extraordinary circumstances Max's good friend Detective Oskar Rheinhardt calls for his expert assistance Her body has been found in a room that can only be locked from the inside She's been shot through the heart but there's no gun and absolutely no trace of a bullet All signs point to a supernatural killer but Liebermann the scientist is not so easily convinced Especially when one of Charlotte's clients is also found in a locked room this time bludgeoned to death Unfolding in the Vienna of Klimt and Mahler a time of unprecedented activity in the worlds of philosophy science and art A Death in Vienna is an engrossing portrait of a legendary

period as well as a brain teaser of startling perplexity Chicago Tribune Darkness Rising Frank Tallis, 2009 Vienna 1903
Outside one of the city's most splendid baroque churches the decapitated body of a monk is found Shortly after the remains
of a municipal councillor are discovered in the grounds of another church his head also ripped from his body It transpires
that both men were rabid anti Semites and suspicions fall on Vienna's close knit community of Hassidic Jews In a city riven
by racial tensions and extremism the situation is potentially explosive Detective Inspector Rheinhardt turns to his trusted
friend the young psychoanalyst Doctor Max Liebermann for assistance As the investigation progresses Liebermann is drawn
into the world of Jewish mysticism a magical world dominated by the rites and secret lore of the Kabbalah Back cover
