Porter, 2021-03-30 Imagine what it could be like if you lived on the earth during the time of the Great Tribulation The Antichrist begins his reign of terror to coerce the world into blind allegiance to his scheme for deification His goal is to replace God in your life Can you believe it and he will not take NO for an answer You either embrace and comply or you reject and rebel but you can't ride the fence Those who rebel soon learn that there are dire life-threatening consequences to face for their effort to stay true to their heart and faithful to God That's the strait that a band of Believers found themselves looking at They had gathered together seemingly in a haphazard fashion But each had their own account of how they were being led by the Spirit It was God's anointing that brought out the best in them and helped them to operate in gifts and dimensions they never would have thought possible Soon they became The End Times Army from Greenville Their rewards

in Heaven were greater than they could have imagined God made sure of that Phil is a retired psychologist who has lived and worked most of his life in the Midwest Since becoming a Christian forty years ago he has been interested in the Biblical study of End times At first it was more a fascination with end times realities like the Great Tribulation the Antichrist and the Rapture Now the interest is in sharing with others what the Bible teaches about these approaching realities Phil s heart is to help the Church become faithful and committed during these perilous last days Hopefully this novel accomplishes that purpose

The New Brothers Grimm and Their Left Behind Fairy Tales David T. Morgan, 2006 The New Brother s Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil

Media and the Apocalypse Kylo-Patrick R. Hart, Annette Holba, 2009 Responding to a plethora of media representing end times this anthology of essays examines pop culture s fascination with end of the world or apocalyptic narratives Essays discuss films and made for television movies including Deep Impact The Core and The Day After Tomorrow that feature primarily human made catastrophes or natural catastrophes These representations complement the large amount of mediated literature and films on religious perspectives of the apocalypse the Left Behind series and other films books that deal with prophecy from the Book of Revelation in the Bible This book will be useful in upper level undergraduate graduate courses addressing mass media film and television studies popular culture rhetorical criticism and special advanced topics In addition the book will be of interest to scholars and students in disciplines including anthropology history psychology sociology and religious studies

The Seventh Vial Mark Goodwin, 2017-11-21 The ultimate battle which will decide the fate of Heaven and Earth has finally come Everett and Courtney Carroll have fared better than most through the past seven years of the Great Tribulation but the eve of Armageddon refuses to let them live out the last hours of this present age without conflict trouble and persistent peril The Bible has prophesied of the Seven Vials of God s Wrath the final judgments which will utterly destroy what s left of a decimated planet These calamities will bring a plague of festering boils upon the followers of the Antichrist rivers and seas will turn to blood and a global earthquake will raze the cities of the earth to the ground All of this in the midst of the war to end all wars Everett and Courtney must leave their sanctuary of relative safety but there is nowhere left to turn And getting anywhere in these last days means traversing wastelands patrolled by Global Republic drones or crossing hostile deserts
