What to Knit

When You're Expecting Nikki Van De Car, 2018-08-23 Nikki Van De Car spent the months before her daughter's birth knitting constantly to keep her hands busy and to help the time before her arrival pass more quickly. She knitted everything from sweaters and hats to burp cloths and stuffed animals. Over the course of the following year she learned which items were actually useful and which sat in a drawer never to be worn. The 28 patterns collected in *What to Knit When You're Expecting* for babies aged from 0 to 12 months are the best of these and include booties, mittens, bibs, and blankets as well as sweaters, hats, and cardigans. All are relatively simple so can be knit while your mind is elsewhere and all are immensely practical. This title is organized according to where you are in your pregnancy: the patterns for the first trimester reflect the fact there is still plenty of time to finish a longer project; those for the second when many women learn the sex of their baby focus on clothes for girls and boys; and projects for the third are quick and easy.

Nordic Baby Crochet Charlotte Kofoed Westh, 2023-02-16 *Nordic Baby Crochet* includes easy to follow crochet patterns to create beautiful baby clothes and accessories without the need for arduous assembly. *Nordic Baby Crochet* features 35 patterns for adorable clothing and accessories for babies. With accessible step by step guides, the patterns are suitable for experienced crocheters as well as for those just starting with crochet. Here are patterns for cardigans, dresses, bibs, blankets, hats, and more. All projects are assembly free and achieve a modern Scandinavian look with simple patterns and elegant colours of your choosing. Crochet has a somewhat unfair reputation for being uncomfortable and tight. However, Charlotte Kofoed Westh with her individual crochet technique, smart choice of patterns, and the right yarn ensures that the pieces in this book are snug, elastic, and comfortable. This is crochet in a whole new way, a far cry from the rigid designs that many associate with crochet.
