George de Tarnowsky

Trolley Wars Trolley Wars:

Trolley Wars Scott Molloy, 2007 A groundbreaking study of public transportation in the Gilded Age and its place in the emerging American city **Trolley Wars** Judi Bevan, 2006 The story of the ferocious battle for supremacy of the four main supermarket chains in Britain Sainsbury Tesco Safeway and Asda There are dynasties in decline upstarts coming of age and those who struggle by the wayside The story of how Tesco came from brash beginnings to challenge and finally overtake the patrician Sainsbury as the market leader in 1995 stunned the retailing world and raised the curtain on the dramatic rise of supermarket chains in the second half of the 20th century Behind the bare statistics of roller coaster profits and changing market shares lies a deeper tale of social change increasing power and clashes with Government and pressure groups The huge buying power of the supermarket chains and the growth of edge of town shopping with vast car parking has destroyed many small high streets along with traditional butchers fishmongers and greengrocers Yet their growth has been fuelled by the increase in the numbers of working women who no longer have the time or inclination to shop by foot at small outlets The result is a love hate relationship with their customers The fever of competition engendered by the heads of these companies cannot be underestimated This book goes behind the checkout till and into the boardroom to discover the true story and show what will happen next Click here to visit the author s website **Running the Rails** James Wolfinger, 2016-06-07

Philadelphia exploded in violence in 1910 The general strike that year was a notable point but not a unique one in a generations long history of conflict between the workers and management at one of the nation s largest privately owned transit systems In *Running the Rails* James Wolfinger uses the history of Philadelphia s sprawling public transportation system to explore how labor relations shifted from the 1880s to the 1960s As transit workers adapted to fast paced technological innovation to keep the city s people and commerce on the move management sought to limit its employees rights Raw violence welfare capitalism race baiting and smear campaigns against unions were among the strategies managers used to control the company s labor force and enhance corporate profits often at the expense of the workers and the city s well being Public service workers and their unions come under frequent attack for being a special interest or a hindrance to the smooth functioning of society This book offers readers a different historically grounded way of thinking about the people who keep their cities running Working in public transit is a difficult job now as it was a century ago The benefits and decent wages Philadelphia public transit workers secured advances that were hard won and well deserved came as a result of fighting for decades against their exploitation Given capital s great power in American society and management s enduring quest to control its workforce it is remarkable to see how much Philadelphia s transit workers achieved

Montclair in Colonial and War Times ... Joseph Walker McSpadden, 1912 **War** Михаил Арцыбашев, 1916 This play explores the tragedy of war in this case the rise of the unfit to positions of power due to the destruction of the fit by war The unfit having survived the war by being unable to fight Just War Theory Thom Brooks, 2012-10-19 Just War Theory raises

some of the most pressing and important philosophical issues of our day This book brings together some of the most important essays in this area written by leading scholars and offering significant contributions to how we understand just war theory

The Encyclopedia of Strikes in American History Aaron Brenner, Benjamin Day, Immanuel Ness, 2015-01-28

Strikes have been part of American labor relations from colonial days to the present reflecting the widespread class conflict that has run throughout the nation's history Against employers and their goons against the police the National Guard local state and national officials against racist vigilantes against their union leaders and against each other American workers have walked off the job for higher wages better benefits bargaining rights legislation job control and just plain dignity At times their actions have motivated groundbreaking legislation defining new rights for all citizens at other times they have led to loss of workers' lives This comprehensive encyclopedia is the first detailed collection of historical research on strikes in America To provide the analytical tools for understanding strikes the volume includes two types of essays those focused on an industry or economic sector and those focused on a theme Each industry essay introduces a group of workers and their employers and places them in their economic political and community contexts The essay then describes the industry's various strikes including the main issues involved and outcomes achieved and assesses the impact of the strikes on the industry over time Thematic essays address questions that can only be answered by looking at a variety of strikes across industries groups of workers and time such as why the number of strikes has declined since the 1970s or why there was a strike wave in 1946 The contributors include historians sociologists anthropologists and philosophers as well as current and past activists from unions and other social movement organizations Photos a Topic Finder a bibliography and name and subject indexes add to the work's appeal

History of the Twenty-second Regiment of the National Guard of the State of New York George Wood Wingate, 1896

The SAGE Handbook of Environment and Society Jules Pretty, Andy Ball, Ted Benton, Julia Guivant, David R Lee, David Orr, Max Pfeffer, Professor Hugh Ward, 2007-10-30 A monumental and timely contribution to scholarship on society and environments The handbook makes it easy and compelling for anyone to learn about that scholarship in its full manifestations and as represented by some of the most highly respected researchers and thinkers in the English speaking world It is wide reaching in scope and far reaching in its implications for public and private action a definite must for serious researchers and their libraries Bonnie J McCay Rutgers University This is the desert island book for anyone interested in the relationship between society and the environment The editors have assembled a masterful collection of contributions on every conceivable dimension of environmental thinking in the social sciences and humanities No library should be without it Robyn Eckersley University of Melbourne The SAGE Handbook of Environment and Society focuses on the interactions between people societies and economies and the state of nature and the environment Editorially integrated but written from multi disciplinary perspectives it is organised in seven sections Environmental thought past and present Valuing the environment Knowledges and knowing Political economy of environmental change Environmental

technologies Redesigning natures Institutions and policies for influencing the environment Key themes include locations where the environment society relation is most acute where for example there are few natural resources or where industrialization is unregulated the discussion of these issues at different scales local regional national and global the cost of damage to resources and the relation between principal actors in the environment society nexus Aimed at an international audience of academics research students researchers practitioners and policy makers The SAGE Handbook of Environment and Society presents readers in social science and natural science with a manual of the past present and future of environment society links

Des Moines Craig S. McCue, Ron Playle, 2007 The city of Des Moines experienced a rebirth at the beginning of the 20th century The City Beautiful movement focused on cleaning up the city starting with a new civic center along the Des Moines River A progressive wave in city politics organized the Des Moines plan of commission government Modern streetcars traveled along recently paved roads and newly constructed bridges while electric lights kept the streets safe at night The city motto said it all Des Moines Does Things This postcard collection showcases the best the city had to offer during that time as the city changed and prospered becoming the City of Certainties through challenges during both world wars and beyond into the postwar boom when Des Moines became the crossroads of the nation *Town Journal*, 1922

The Quest for Streetcar Unionism in the Carolina Piedmont, 1919-1922 Jeffrey M. Leatherwood, 2017-06-23 Ever since the courtroom doors closed in 1919 the tragic Charlotte Streetcar Strike has haunted the collective memory of the Carolina Piedmont region During a season of labor unrest it briefly made national headlines Five men were killed and at least twelve others were wounded by gunfire during a demonstration against Southern Public Utilities a subsidiary of James B Duke s Southern Power For many who lived afterward in North Carolina s Queen City the strike and riot were events better left forgotten while for later generations the Battle of the Barn has become an item of curiosity As the centennial approaches this book represents the result of over ten years worth of primary research about the Charlotte Streetcar Strike a story that rightfully belongs to a larger narrative about the AFL s campaign to organize transportation workers among the textile mill towns of North and South Carolina Prior to the 1919 Charlotte Strike the national streetcar union had overcome fierce anti labor sentiment from South Carolina s state capital of Columbia to the Upcountry citadel of Spartanburg To AFL organizers Charlotte represented the last link in the Piedmont chain
