 everyone that enjoys catching fish The Kokanee Obsession D. F. Cannon,D. Kent Cannon,2011-01-01 Kokanee fishing is
 an obsession and as you can see by the name of the book I am addicted One of the most frustrating things for a Kokaholic to
 hear is that the fish are just not biting Many times I have been at the ramp launching my boat when some forlorn fisherman
 will tell me that the bite is off Should have been here last week it was real hot is another statement that I hear fairly often I
 am a cup is half full kind of guy not a half empty sort of person I always tell my wife after such an encounter I just don t think
 those guys know how to fish for Kokanee It has always been a frustration for me to hear those words because there is so little
 information out there specifically targeting kokanee To date my only effective method of teaching Kokanee techniques has
 been to take a non believer out fishing My hope is that through this book I can in effect take you fishing without leaving the
 dock Kokanee can be a very frustrating fish to pursue and without a little coaching there is a long learning curve to get to the
 point you are regularly catching fish My goal with this book is to help shorten the learning curve and in a sense give you a
 running start By understanding the seasons and the methods that work within those seasons you can put more and larger
