Whisper Beach A Novel:

Whisper Beach Shelley Noble, 2015-06-16 From the New York Times bestselling author of *Beach Colors* and *Breakwater Bay* comes this unforgettable story reminiscent of Kristin Hannah's beloved novels of friends, loyalty, and love as three women who are reunited in the idyllic beach town where they grew up are forced to re-evaluate their bonds. Fifteen years ago, seventeen-year-old Vanessa Moran fell in love and lost her virginity but not to the same boy. Pregnant, desperate, and humiliated, she fled friends and family and Whisper Beach, New Jersey, never breathing a word about her secret to anyone. She hasn't been back since. Now a professional Manhattan organizer, she returns to the funeral of her best friend's husband. She intends on just paying her respects and leaving, though she can't deny she also wants the town to see how far she's come as a successful business woman. But her plans to make this a short visit fall by the wayside when her girlfriends have other ideas. Dorie, the owner of the pier's Blue Crab Restaurant where Van and her friends worked as teenagers, needs help. Dorie's roving husband spends every penny they make, and now their restaurant is failing. Joe, the boy Van left behind without an explanation, has never stopped loving her. While he's wary of getting hurt again, he also can't help wondering what would happen if they took up where they left off. As the summer progresses and the restaurant takes on a new look, trouble comes from unexpected sources. For Van, this summer will test the meaning of friendship and trust and how far love can bend before it breaks.

Christmas at Whisper Beach Shelley Noble, 2017-11-28 The holidays always seem brighter at Whisper Beach. **The Beach at Painter's Cove** Shelley Noble, 2017-06-13 From the New York Times bestselling author of *Whisper Beach* comes another heartwarming story of four generations of women who reunite in their crumbling family mansion by the sea for a dramatic summer filled with love, family secrets, and sisterhood. The Whitaker family's Connecticut mansion, *Muses by the Sea*, has always been a haven for artists, a hotbed of creativity, extravagances, and the occasional scandal. Art patrons for generations, the Whitakers supported strangers but drained the life out of each other. Now, after being estranged for years, four generations of Whitaker women find themselves once again at *The Muses*. Leo, the Whitaker matriarch, lives in the rambling mansion crammed with artwork and junk. She plans to stay there until she joins her husband, Wes, on the knoll overlooking the cove and meadow where they first met. Her sister-in-law, Fae, the town eccentric, is desperate to keep a secret she has been hiding for years. Jillian is a jet-setting actress down on her luck and has run out of men to support her. She thinks selling *The Muses* will make life easier for her mother, Leo, and Fae by moving them into assisted living. The sale will also bring her the funds to get herself back on top. Issy, Jillian's daughter, has a successful life as a museum exhibit designer that takes her around the world. But the *Muses* and her grandmother are the only family she's known, and when her sister leaves, her own children with Leo, Issy knows she has to step in to help. Steph is only twelve years old and desperately needs someone to fire her imagination and bring her out of her shell. What she begins to discover at the *Muses* could change the course of her future. As Issy marshals the family together to restore the mansion and catalogue the massive art collection, a

surprising thing happens Despite storms and moonlight dancing diva attacks and cat fights trips to the beach and flights of fancy these four generations of erratic dramatic women may just find a way to save the Muses and reunite their family
