Covenant BRANDON MASSEY, 2017-06-10 From the award-winning author of *Dark Corner* and *The Other Brother* comes an unforgettable thriller of family secrets, toxic faith, and high-tech suspense. On a golden summer morning, fifteen-year-old Anthony Thorne is on a fishing boat with his father. Rods cast into the lake when the crack of a rifle shatters the silence. His father slumps forward, blood leaking from his chest. Horrified, Anthony spins in the direction of the gunfire and sees a shadowy figure race away from the shore and vanish in the cover of the trees, a vision that will haunt him for years to come. Anthony pulls his dad into his arms, but he is beyond help. He dies in Anthony's embrace. Anthony's scream of anguish echoes across the still waters. Fifteen years later, a happily married Marine veteran and author of a bestselling series of crime novels, Anthony has achieved a measure of success. But the past still haunts him. In spite of his eyewitness testimony, his father's murder was declared a hunting accident, and no one was ever brought to justice. On the anniversary of his father's death, a mysterious message arrives from an unknown sender that promises to lead Anthony to the truth. But is Anthony's helper the angel he'd been waiting for, or a devil in disguise? Determined to find answers, Anthony and his wife soon find themselves hunted by a team of assassins dispatched by a powerful organization with frightening technological resources. The killers pursuing them are as fanatical in their beliefs as they are well-equipped, loyal followers of a charismatic leader who might be the most dangerous man in America. Lightning-paced and gripping from the first sentence to the explosive finale, *Covenant* marks Brandon Massey's entry into the arena of high-stakes action thrillers, a story exploring today's issues that will resonate with readers long after they've turned the last page.

The World of Ef'il - Whispers of the Eastern Shores Bound by Blood and Stone Volume 6 Miclescu Bogdan-Constantin,2025-07-11 The sixth volume in The World of Ef'il saga plunges readers once more into the sprawling turbulent lands of Ef'il a realm where tenuous alliances ancient legacies and encroaching darkness intertwine to decide the destiny of all who dwell within The saga thus far has woven an intricate narrative of survival and intrigue where powerful forces clash and the delicate equilibrium they uphold teeters perpetually on the brink of collapse The journey commenced in the series inaugural entry The World of Ef'il Faces of the Order unveiling the epic story of Aetheros as a continent fractured into three great kingdoms Sag Sanu and Nin These realms each proud and sovereign were bound together by the tireless vigilance of the Nephilim guardians whose ancient lineage and supernatural gifts marked them as the last bastion against darkness Led by Aeronwen Eilwyn the Grand Archon of the Order their power stretched across the land protecting an increasingly fragile peace Yet even as their strength waned and unseen enemies stirred in shadowed corners Aeronwen recognized that Aetheros's survival hinged on forging new alliances alliances beyond the familiar boundaries of the known world To this end Aeronwen entrusted her most trusted friend and a very capable emissary the formidable and fiercely loyal Keraphine Lykos with a perilous quest to venture eastward far away from Aetheros and the Island of Neutrals into unknown territories uncharted and whispered about only in old stories and ancient parchments centuries old A seasoned Nephilim diplomat Keraphine understood the immense weight of her mission for failure might spell doom not only for her Order but for all of Aetheros Accompanied by trusted companions Alice Dacaea Raffaello Seti and Branoc Elyz she sailed boldly into the unknown determined to confront whatever lay beyond the maps drawn by mortal hands By the time the tale reached Whispers of the Eastern Shores Volume 6 the stakes had risen perilously high Keraphine and her intrepid crew having departed the comforting safety of familiar shores found themselves plunged into the merciless expanse known ominously as the Sea of Ash and Flame Here beneath skies darkened by relentless storms they confronted unimaginable terrors raging tempests and colossal leviathans that emerged from the abyss threatening to shatter their courage and annihilate their resolve Tragedy struck in the heart of this tumultuous sea as one of their twin vessels fell victim to the fury of the waves dragged beneath the churning waters to be forever lost to darkness Yet driven by sheer determination and unyielding hope Keraphine and the surviving members of her crew pressed onward Against all odds they eventually set foot upon uncharted lands remote shores untouched by any map or legend There in defiance of the trials that had sought to break them they established the outpost known as Nomad's Haven a sanctuary borne of bravery resilience and a stubborn refusal to yield to despair In the previous volumes after the establishment of Nomad's Haven the narrative plunged deeper into realms of uncertainty and mounting peril Keraphine and her stalwart companions encountered enigmatic and formidable races the blood driven ruthless Sanguinars and the resilient stone skinned warriors known as the Stoneaters whose ancient rivalry had

long fractured the Eastern Shores The fragile peace between these two powerful peoples teetered on the brink of collapse strained by intensifying hostilities that threatened to erupt into open conflict with consequences destined to echo across the known world Now as the saga progresses into its latest installment the recently discovered continent of Durnhart stands precariously at the edge of momentous upheaval The simmering skirmishes between Stoneaters and Sanguinars have grown increasingly volatile poised to ignite into a war of devastating scale one capable of reshaping the very fabric of the Eastern Shores and altering the balance of power far beyond their contested lands Amidst this brewing storm the paths of our heroes diverge and intertwine once more their bonds tested by betrayal and sacrifice their convictions shaken by revelation and loss and their courage stretched perilously close to its breaking point Raffaello Seti whose valor and steadfast loyalty have been proven repeatedly in the crucible of battle now finds himself ensnared by the ruthless hands of the Sanguinars Captured in the aftermath of a harrowing conflict he is imprisoned deep within the eerie confines of the Yellow Forest a shadow laden realm whose haunting beauty conceals predatory dangers and sinister secrets There in a prison designed to shatter the strongest wills Raffaello must withstand relentless torment as his captors aim not merely to break his body but also to dismantle his spirit Their intentions are clear either pry precious knowledge from his mind or twist his indomitable will into a tool serving their dark ambitions Meanwhile Keraphine Lykos journeys deeper into the heartland of the Stoneaters seeking to forge a crucial alliance that might tip the scales in their favor She travels through mountainous strongholds and ancient halls carved from solid stone encountering a civilization steeped in tradition wary of outsiders and bound by unyielding pride For Keraphine a diplomat renowned for her resilience and skill the negotiations promise to push her abilities to their very limits demanding a delicate balance of diplomacy strength and wisdom Trust she soon discovers is a commodity even rarer and far more precious than Etherius itself At the same time Alice Branoc and Jalen find themselves thrust into an entirely different and equally daunting struggle Deep within an unmapped jungle they navigate through a verdant maze alive with hidden perils at every turn In the oppressive humidity beneath towering canopies thick with vegetation they stumble upon a vast network of ancient subterranean tunnels These tunnels carved from stone and concealed by centuries of unchecked growth whisper eerie secrets of civilizations long vanished The further they delve the more they sense the lingering presence of a powerful and forgotten magic a force whose very existence defies reason and understanding As our heroes venture deeper into the perilous terrains and confront formidable adversaries throughout the Eastern Shores their individual journeys become irrevocably entwined with mysteries far older and darker than they had ever imagined Even as their paths diverge they remain connected through bonds of friendship loyalty and destiny threads woven tightly by courage sacrifice and hope In this newest chapter of The World of Ef il readers will experience an unforgettable epic brimming with peril and wonder betrayal and heroism Secrets buried beneath centuries of dust and stone will resurface forever altering the lives and destinies of those who uncover them
