

WHITE COAT

BECOMING A DOCTOR AT
HARVARD MEDICAL SCHOOL

ELLEN LERNER ROTHMAN, M.D.

White Coat Becoming A Doctor At Harvard Medical School

Helen Meldrum, Mary L. Hardy

White Coat Becoming A Doctor At Harvard Medical School:

White Coat Ellen L. Rothman, Ellen Rothman, 2000-04-26 *White Coat* is Dr Ellen Lerner Rothman's vivid account of her four years at Harvard Medical School. Describing the grueling hours and emotional hurdles she underwent to earn the degree of M.D., Dr Rothman tells the story of one woman's transformation from a terrified first-year medical student into a confident, competent doctor. Touching on the most relevant issues in medicine today such as HMOs, AIDS, and assisted suicide, Dr Rothman recounts her despair and exhilaration as a medical student, from the stress of exams to the hard-won rewards that came from treating patients. The anecdotes in *White Coat* are funny, heartbreaking, and at times horrifying. Each chapter takes us deeper into Dr Rothman's medical school experience, illuminating her struggle to walk the line between too much and not enough intimacy with her patients. For readers of Perri Klass and Richard Selzer, Dr Rothman looks candidly at medicine and presents an unvarnished perspective on a subject that matters to us all. *White Coat* opens the infamously closed door between patient and doctor in a book that will change the way we look at our medical establishment. In *White Coat*, Ellen Rothman offers a vivid account of her four years at one of the best medical schools in the country and opens the infamously closed door between patient and doctor. Touching on today's most important medical issues such as HMOs, AIDS, and assisted suicide, the author navigates her way through despair, exhilaration, and a lot of exhaustion in Harvard's classrooms and Boston's hospitals to earn the indisputable title to which we entrust our lives. With a thoughtful, candid voice, Rothman writes about a wide range of experiences, from a dream about holding the hand of a cadaver she had dissected to the acute embarrassment she felt when asking patients about their sexual histories. She shares her horror at treating a patient with a flesh-eating skin infection, the anxiety of being pimped by doctors for information when doctors quiz students on anatomy and medicine, as well as the ultimate reward of making the transformation and of earning a doctor's white coat. For readers of Perri Klass, Richard Selzer, and the millions of fans of *ER*, *White Coat* is a fascinating account of one woman's journey through school and into the high-stakes drama of the medical world. In *White Coat*, Ellen Rothman offers a vivid account of her four years at one of the best medical schools in the country and opens the infamously closed door between patient and doctor. The Fallible Body: Narratives of Health, Illness & Disease Vera Kalitzkus, Peter L. Twohig, 2020-09-25 There is perhaps no subject that lends itself to interdisciplinarity better than corporeal finitude and it is a recognition of this fact that from 12 to 15 July 2006 a group of international scholars policy makers and practitioners were brought together for the 5th annual conference Making Sense of Health Illness and Disease

Final Exam Pauline W. Chen, 2008-01-08 A brilliant transplant surgeon brings compassion and narrative drama to the fearful reality that every doctor must face the inevitability of mortality Uncommonly moving A revealing and heartfelt book

Atul Gawande 1 New York bestselling author of *Being Mortal* When Pauline Chen began medical school she dreamed of saving lives What she could not predict was how much death would be a part of her work Almost immediately she found herself wrestling with medicine's most profound paradox that a profession premised on caring for the ill also systematically depersonalizes dying *Final Exam* follows Chen over the course of her education and practice as she struggles to reconcile the lessons of her training with her innate sense of empathy and humanity A superb addition to the best medical literature of our time

Women in Medicine Janet Bickel, 2000-04-21 *Women in Medicine* is a concise practical resource for anyone considering a medical career but especially women Drawing on all the best available literature and the experience of thousands of women doctors the book covers getting into medical school overcoming gender stereotypes finding a mentor combining parenting with a career and maximising career development The author also offers tips on building key professional skills and a self diagnostic section for readers who are preparing to begin a medical career

Physicians as Leaders Mindi McKenna, Perry A Pugno, 2016-07-06 This practical work has clinical guidelines and advice on controlling symptoms as well as showing doctors and carers how to provide physical and psychological comfort It helps the clinician to develop a scientific approach to managing symptoms

Medical Sociology William C. Cockerham, 2015-09-07 For upper

division undergraduate beginning graduate level courses in Medical Sociology and for Behavioral Science courses in schools of Public Health Medicine Pharmacy and Nursing A comprehensive overview of the most current issues in medical sociology The standard text in the field Medical Sociology presents the discipline s most recent and relevant ideas concepts themes issues debates and research findings To draw students into the course author Dr William Cockerham integrates engaging first person accounts from patients physicians and other health care providers throughout the text The Thirteenth Edition addresses the current changes stemming from health care reform in the United States and other issues that reflect the focus of the field today

Babel and the Ivory Tower William David Shaw, Professor W David Shaw, 2005-01-01 Writing at the time of his retirement from an academia that after four decades has become unfamiliar Shaw English U of Toronto says in a society where book learning is an anomaly scholars must breach the citadel of computer wizards and technicians by combining their knowledge of books with the rebel s power to criticize authority the prophet s power to renew tradition and the poet s power to create a world that is no less true for being a vision He insists that scientists scholars and professional practitioners must learn from each other Annotation 2004 Book News Inc Portland OR booknews com

Routledge Handbook of Applied Communication Research Lawrence R. Frey, Kenneth N. Cissna, 2009-07-21 The Routledge Handbook of Applied Communication Research provides a state of the art review of communication scholarship that addresses real world concerns issues and problems This comprehensive examination of applied communication research including its foundations research methods employed significant issues confronted important contexts in which such research has been conducted and overviews of some exemplary programs of applied communication research shows how such research has and can make a difference in the world and in people s lives The sections and chapters in this Handbook explain what constitutes applied communication scholarship encompassing a wide range of approaches and clarifying relationships among theoretical perspectives methodological procedures and applied practices demonstrate the breadth and depth of applied communication scholarship review and synthesize literature about applied communication areas and topics in coherent innovative and pedagogically sound ways set agendas for future applied communication scholarship Unique to this volume are chapters presenting exemplary programs of applied communication research that demonstrate the principles and practices of such scholarship written by the scholars who conducted the programs As an impressive benchmark in the ongoing growth and development of communication scholarship editors Lawrence R Frey and Kenneth N Cissna provide an exceptional resource that will help new and experienced scholars alike to understand appreciate and conduct high quality communication research that can positively affect people s lives

Asian American Studies Now Jean Yu-Wen Shen Wu, Thomas Chen, 2010-03-08 Asian American Studies Now truly represents the enormous changes occurring in Asian American communities and the world changes that require a reconsideration of how the interdisciplinary field of Asian American studies is defined and taught This comprehensive anthology arranged in four parts and featuring a stellar group of

contributors summarizes and defines the current shape of this rapidly changing field addressing topics such as transnationalism U S imperialism multiracial identity racism immigration citizenship social justice and pedagogy Jean Yu wen Shen Wu and Thomas C Chen have selected essays for the significance of their contribution to the field and their clarity brevity and accessibility to readers with little to no prior knowledge of Asian American studies Featuring both reprints of seminal articles and groundbreaking texts as well as bold new scholarship Asian American Studies Now addresses the new circumstances new communities and new concerns that are reconstituting Asian America A Hippocratic Odyssey Suresh K Pandey,Vidushi Sharma,2020-08-18 Do you want to transform your passion for becoming a doctor or successful medical professional into reality Can t wait to use your medical knowledge and skills to serve humanity While you may have an undying passion to help people at their most vulnerable times you might still find the thought of interacting and building a relationship with patients overwhelming If you can relate to the above this book will be a guiding light for you A Hippocratic Odyssey attempts to make it easier for aspiring medical professionals doctors and expert healthcare workers to treat their patients effectively by revealing some inspirational stories from the lives of doctor couple Suresh K Pandey and Vidushi Sharma A beautiful memoir the authors narrate their medical training at PGIMER Chandigarh AIIMS New Delhi USA and Australia They share the stories of their initial struggles overcoming hurdles and tackling life problems during their journey as medical professionals It also serves as a go to book where the authors share tips and take home messages that will help medical students aspiring doctors and young medical professionals to stay focused and motivated during this long journey and guide them through the uncertainties and inspire them to become the best in their field *Literatim* Howard Markel,2020 In 1959 shortly before his death and while reflecting over his roller coaster career as a Hollywood film director Preston Sturges who I write about more fully later in this book remarked the only amazing thing about my career is that I ever had one at all 1 The same might be said about my career as a physician and historian of medicine As a young boy some of my best companions were the characters I met on the pages of novels stories theatrical scripts and screenplays Fascinated by human stories contradictions both moral and physical and worlds so vastly different from my middle class suburban Detroit upbringing I was inspired to I try my hand at writing some of my own tales In my teens I was an active participant in my high school s theatre program thankfully in an era when taxpayers still supported the arts as a critical part of the public school curriculum and wrote a series of incredibly bad plays Soon enough I was confronted by the decidedly difficult time I had in coming up with believable plots a serious handicap for any budding fabulist **Hospital Land USA** Wendy Simonds,2016-11-03 In Hospital Land USA Wendy Simonds analyzes the wide reaching powers of medicalization the dynamic processes by which medical authorities institutions and ideologies impact our everyday experiences culture and social life Simonds documents her own Hospital Land adventures and draws on a wide range of U S cultural representations from memoirs to medical mail from hospital signs to disaster movies in order to urge critical thinking about conventional notions

of care health embodiment identity suffering and mortality This book is intended for general readers medical practitioners undergraduate and graduate students in courses on medical sociology medicine medical ethics nursing public health carework visual culture cultural studies and gerontology **Patient-Centered Medicine** Moira Stewart, Judith Belle Brown, W. Wayne Weston, Thomas Freeman, Bridget L. Ryan, Carol L. McWilliam, Ian R. McWhinney, 2024-03-06 The Patient Centered Clinical Method PCCM has been a core tenet of the practice and teaching of medicine since the first edition of Patient Centered Medicine Transforming the Clinical Method was published in 1995 This timely fourth edition continues to define the principles underpinning the patient centered clinical method using four major components clarifying its evolution and consequent development and it brings the reader fully up to date It reinforces the relevance of the method in the current much changed realities of health care in a world where virtual care will remain common dependence on technology is rising and societal changes away from compassion equity and relationships toward confrontation inequity and self absorption Fully revised by its highly experienced author team ensuring wide interest and written for those practising now and for the practitioners of the future this new edition will be welcomed by a wide international audience comprising all health professionals from medicine nursing social work occupational therapy physical therapy pharmacy veterinary medicine and other fields **Television and Health Responsibility in an Age of Individualism** Katherine A. Foss, 2014-10-15

American society centers on individualism celebrating personal choice even at the expense of collective progress As part of this emphasis on agency Americans value freedom for health decisions and individual health professionals and consumers are held responsible for the nation's health often at the expense of improving the overall healthcare system Such individualistic discourse disseminated and reinforced through American media has created resistance and hostility toward health policy initiatives such as the Affordable Care Act and other legislation aimed to improve American healthcare Television and Health Responsibility in an Age of Individualism examines the relationship between entertainment and health responsibility in the United States Through the analysis of contemporary television medical dramas Foss explores how these media texts help shape and perpetuate ideologies that have and continue to encourage resistance to healthcare reform that shifts responsibility away from individuals to government and other institutions After Harm Nancy Berlinger, 2007-10-22

Medical error is a leading problem of health care in the United States Each year more patients die as a result of medical mistakes than are killed by motor vehicle accidents breast cancer or AIDS While most government and regulatory efforts are directed toward reducing and preventing errors the actions that should follow the injury or death of a patient are still hotly debated According to Nancy Berlinger conversations on patient safety are missing several important components religious voices traditions and models In After Harm Berlinger draws on sources in theology ethics religion and culture to create a practical and comprehensive approach to addressing the needs of patients families and clinicians affected by medical error She emphasizes the importance of acknowledging fallibility telling the truth confronting feelings of guilt and shame and

providing just compensation After Harm adds important human dimensions to an issue that has profound consequences for patients and health care providers **Cinemeducation** Alexander Matthew, Patricia Lenahan, Anna Pavlov, 2024-11-01

Companion volume to Cinemeducation Volume 1 Cinemeducation Volume 2 outlines a comprehensive approach to using film in graduate and medical education It provides readers with a wide array of film excerpts ready for immediate application in the classroom Each excerpt includes the counter time year of release names of actors a short description of the movie and the scene being highlighted as well as discussion questions Entire chapters are dedicated to reality television mainstream television music videos documentaries and YouTube Clearly structured this second volume dives deep into human experiences Authors from five continents have composed 49 chapters devoted to a wide assortment of new topics relevant to medical and postgraduate healthcare education Some of the specific issues covered include substance abuse gambling dealing with tragedy diabetes heart disease chronic illness and obstetrics as well as mental health problems Some films portray health care professionals both positively and negatively and these are presented with rich detail A wide variety of specialties and different health careers are covered All of these areas converge on the common ground of compassion in the medical experience This book is ideal for the undergraduate or postgraduate classroom All healthcare educators will appreciate its comprehensive scope and innovative approach including those in psychology social services dentistry and veterinary science **Black Man in a White Coat** Damon Tweedy, 2015-09-08

When Tweedy began medical school he envisioned a bright future where his segregated working class background would become irrelevant Instead he found himself grappling with race bias and the unique health problems of black Americans and met a professor who bluntly questioned whether he belonged in medical school In examining the complex ways in which both black doctors and patients must navigate the difficult and often contradictory terrain of race and medicine he illustrates the complex social cultural and economic factors at the root of most health problems in the black community Bodies of Knowledge Wendy

Kline, 2010-10-15 Throughout the 1970s and 80s women argued that unless they gained access to information about their own bodies there would be no equality In Bodies of Knowledge Wendy Kline considers the ways in which ordinary women worked to position the female body at the center of women s liberation As Kline shows the struggle to attain this knowledge unified women but also divided them according to race class sexuality or level of professionalization Each of the five chapters of Bodies of Knowledge examines a distinct moment or setting of the women s movement in order to give life to the ideas expectations and pitfalls encountered by the advocates of women s health the making of Our Bodies Ourselves 1973 the conflicts surrounding the training and practice of women s pelvic exams the emergence of abortion as a feminist issue the battles over contraceptive regulation at the 1983 Depo Provera FDA hearings and the rise of the profession of midwifery Including an epilogue that considers the experiences of the daughters of 1970s feminists Bodies of Knowledge is an important contribution to the study of the bodies that marked the lives of feminism s second wave

White Coat Becoming A Doctor At Harvard Medical School Introduction

In today's digital age, the availability of White Coat Becoming A Doctor At Harvard Medical School books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of White Coat Becoming A Doctor At Harvard Medical School books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of White Coat Becoming A Doctor At Harvard Medical School books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing White Coat Becoming A Doctor At Harvard Medical School versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, White Coat Becoming A Doctor At Harvard Medical School books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing White Coat Becoming A Doctor At Harvard Medical School books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for White Coat Becoming A Doctor At Harvard Medical School

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, White Coat Becoming A Doctor At Harvard Medical School books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of White Coat Becoming A Doctor At Harvard Medical School books and manuals for download and embark on your journey of knowledge?

FAQs About White Coat Becoming A Doctor At Harvard Medical School Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. White Coat Becoming A Doctor At Harvard Medical School is one of the best book in our library for free trial. We provide copy of White Coat Becoming A Doctor At Harvard Medical School in digital format, so the resources that you find are reliable. There are also many Ebooks of related with White Coat Becoming A Doctor At Harvard Medical School. Where to download White Coat Becoming A
