Dave Thompson

White Light Heat Velvet Underground:

White Light/White Heat Richie Unterberger, 2009-06 A comprehensive history of the influential cult band draws on dozens of new interviews and previously undiscovered archive sources tracing their initial lack of success before they inspired and were championed by such artists as David Bowie Original **White Light / White Heat** Richie Unterberger, 2015-11-19 Le Velvet Underground est un des plus grands groupes de l'histoire du rock Cette formation de l'genre dont l'aura mythique empêche parfois de bien la connaître est née de la rencontre de fortes personnalités Lou Reed John Cale Nico Sans parler d'Andy Warhol qui produisit le groupe et dessina la fameuse pochette banane Peel Slowly and See Mais ils n'ont connu du temps de leur existence qu'un succès modeste et leurs albums se sont peu vendus Leur look noir et blanc y est pour quelque chose tout comme leurs paroles ultra-ralistes qui tranchent avec les couleurs vives et l'esprit pacifique de la période hippie Pourtant tout en défrichant les sentiers qui mèneront la new wave ou au post punk leur musique et leur style sont devenus un modèle pour beaucoup de David Bowie The Jesus And Mary Chain White Light White Heat du nom de leur album sans doute le plus exigeant ou le Velvet Underground au jour le jour est l'ouvrage le plus complet et le plus documenté paru ce jour sur le Velvet Depuis la pré-histoire du groupe jusqu'à l'explosion en 1973 puis les quelques rares retrouvailles tout y figure de manière encyclopédique les concerts les enregistrements les changements de casting et de management les interviews **All Music Guide** Vladimir Bogdanov, Chris Woodstra, Stephen Thomas Erlewine, 2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre Dirty Blvd. Aidan Levy, 2015-10-01 Lou Reed made it his mission to rub people the wrong way whether it was with the noise rock he produced with the Velvet Underground in the late 1960s or his polarizing work with Metallica that would prove to be his swan song On a personal level too he seemed to take pleasure in insulting everyone who crossed his path How did this Jewish boy from Long Island an adolescent doo wop singer rise to the status of Godfather of Punk And how did he maintain that status for decades Dirty Blvd the first new biography of Reed since his death in 2013 digs deep to answer those questions And along the way it shows us the tender side of his prickly personality Born in Brooklyn Reed was the son of an accountant and a former beauty queen but he took the road less traveled trading literary promise for an entry level job as a budget label songwriter and founding the Velvet Underground under the aegis of Andy Warhol The cult of personality surrounding his transformation from downtown agent provocateur to Phantom of Rock and finally to patron saint of the avant garde was legendary but there was more to his artistic evolution than his abrasive public persona The lives of many American rock stars have had no second act but Reed's did Dirty Blvd not only covers the highlights of Reed's career but also explores lesser known facets of his work such as his first recordings with doo wop group the Jades his key literary influences and the impact of Judaism upon his work and his engagement with the LGBT movement Drawing from new interviews with many of his artistic collaborators friends and romantic partners as well as from archival material concert

footage and unreleased bootlegs of live performances author Aidan Levy paints an intimate portrait of the notoriously uncompromising rock poet who wrote Heroin Sweet Jane Walk on the Wild Side and Street Hassle songs that transcended their genre and established Lou Reed as one of the most influential and enigmatic American artists of the past half century
