White Goat House Synchronicity Synchronicity:

White Goat for the White House Dr Lynette Hlongwane, 2016-10-18 The author is invited to live in Canada. Out of the blue just one week after her arrival a life changing Quantum Moment strikes her like Saul was changed to Paul on the road to Damascus. The Quantum Leap comes synchronously through Barack Obama six weeks before his first inauguration as 44th President of the United States. Instead of preparing to settle in her new country the author has to return to South Africa to attend to unfinished business a search of a life time. It means the world to her. What did she find? It's a difficult journey of two and a half years with unexpected twists and turns that yield unforgettable life lessons. **Getting Lost On My Way** Diane Hartman, 2025-09-30 For fans of McCarthy's *Bar* a debut memoir about a woman's humorous and poignant solo adventures of self discovery on Ireland's backroads following a painful divorce. When an introverted divorced middle aged mother and school librarian from the Midwest decides to leave her comfort zone and travel alone to Ireland her desire to fulfill her dream overcomes her fear as she immerses herself into what will become an adventure of courage and self discovery. Motivated by her love of Irish music and Celtic spirituality along with her desire to find healing from depression and divorce Diane sets off for Ireland a country she's been obsessed with for years. Her romantic preconceptions of the Emerald Isle quickly clash with reality however and while there she faces many obstacles including driving the narrow ill marked roads throughout the countryside she traverses. Nevertheless this first sojourn leads to three more trips over the next six years and she gradually learns to navigate Ireland's back roads not to mention her own personal and spiritual roads toward self discovery and acceptance. This heartfelt and humorous account of Diane's adventures including hanging out with an Irish rock band traveling remote roads in search of a hermit nun and meeting her favorite Irish musician not once but twice is sure to inspire readers to get outside their own comfort zones and take some rewarding risks of their own. *The Proof Is in the Pudding (Expanded Edition)* Doug Zeigler, Synchronicity is a psychic phenomena that is an acausal connecting principle that Dr Carl Jung coined the concept synchronicity or a profound meaningful coincidence. He began to recognize the importance of meaningful coincidences in his patients and his life. He found that when you have a synchronicity you feel a sense of purpose and meaning in your life. You should feel you are on the right track not alone. And being guided by the universe. Dr Deepak Chopra said Synchronicity is harnessing the infinite power of a meaningful coincidences to create Miracles. This book is to help explain this psychic phenomenon and to help you to learn how utilize your Universal Guide or Cosmic Soul. Also it will share true events that cannot be explained by current scientific methods. True stories of mystical experiences that covers many factual events are in this book. You will give you a new world view that maintains your free will and you will have a clear path to follow. That will give you less stress and more joy and you will be able to live without fear of death or anything else that comes your way. A White Goat for the White House Lynette Hlongwane, 2015-11-30 What do you do when your life path crosses with that of a world leader and it is changed forever. One week after landing in her new country Canada out

of the blue four words jolt the author's memory Unfinished business back in South Africa She has to go back and embark on a journey of a lifetime Her life is changed forever This book chronicles this amazing story on the power of synchronicity when Universe Spirit Force God certainly something bigger than ourselves performs miracles in our lives and in real time The High Strangeness of Dimensions, Densities, and the Process of Alien Abduction Laura Knight-Jadczyk, 2005 The central core of this book is the entirely new domain of the knowledge of nature that has been the concern of the Cassiopaeans Transmissions from the very beginning It is the nature of this domain that is the subject of their communications regarding aliens alien abductions hyperdimensional realities and related subject matter Page 34 **Kidnapped Asylum** Brandi Parsons, 2019-05-08 Political activist Christel Kisongo worked for the Paix Programme in the Democratic Republic of Congo until the disappearance of his UN colleagues Caleb and Sara Promoting peaceful resolution to conflict was his life's calling until he had to flee his country with nothing but his backpack Once catapulted into the quest for asylum in the United States will he be crushed in the immigration process or will he survive the tumultuous political landscape *Letters from the Edge* Chris Brazier, 2008 The best and most timeless examples of New Internationalist magazine's acclaimed Letters From series in which women writers have homed in on the nuances and resonances of everyday life and culture in 12 different locations around the world Examples include villages in Mongolia Cairo the Colombian rainforest Lahore and a provincial city in China Each section has a brief biography of the writer followed by a summary of the relevant country's political situation at the time of writing *Just Your Typical Love Story The Hamlet Collection* Kates Kennery, 2023-11-06 Nestled amidst the idyllic beauty of a quaint English village Just Your Typical Love Story unfolds a heart warming saga of serendipity and romance This is an 8 part series that can be purchased as individual stories or in full with The Complete Hamlet series Each story intertwines with the next to give you the full Hamlet story Prepare to be captivated by the magic of happenstance and the irresistible allure of romance all set against the backdrop of a hamlet that feels like home These tales and their linking stories are a celebration of life's sweetest moments from different perspectives with every tale proving that sometimes the most extraordinary love stories begin in the most typical of ways Yiddish Cinema Jonah Corne, Monika Vrečar, 2023-09-01 In this book Jonah Corne and Monika Vrečar offer a conceptually innovative reexamination of Yiddish cinema a crucial yet little known diasporic phenomenon that enjoyed its golden age in the mid to late 1930s Yiddish cinema they argue exhibits a distinctive fascination with media forms technologies and institutions and with relationality writ large What stands behind this communication obsession as it might be understood is the film's engagement both with Judaic ideals and with a series of Jewish sociohistorical predicaments of troubled communication immigration displacement the breakdown of tradition and so on that the films seek to reflect Accordingly the authors create a resonant conversation between Yiddish cinema populated by an endless procession of disconnected characters ardently striving to rejoin the world of communication and the brilliant yet underappreciated ideas of pioneering Czech Jewish media theorist Vilém Flusser 1920-1991 who escaped Nazi persecution

and built the first part of his intellectual career in Brazil Indeed the authors claim that the popular art of Yiddish cinema articulates in dramatic terms a version of the central Flusserian hypothesis that the structure of communication is the infrastructure of human reality and by doing so embodies a remarkable Jewish media theory from below Films discussed include *The Wandering Jew* 1933 *The Dybbuk* 1937 *Where is My Child* 1937 *A Little Letter to Mother* 1938 *Kol Nidre* 1939 *Motel the Operator* 1939 *Tevye* 1939 *The Living Orphan* 1939 and *Long Is the Road* 1948 **The Mystics of Reyesville** Corinne Chacon,2006-11 In the captivating novel *The Mystics of Reyesville* the first in a series celebrating the healing mysteries of Mexican culture a displaced executive is called back to her hometown where she must confront past relationships and haunting memories before moving forward with her life After her godmother passes away Marlana Rivera returns to Reyesville Texas a town she fled years ago She reconnects with old friends but Anna her godmother s spiritual prot g still bears a grudge against Marlana over their shattered romance To make matters worse Marlana s uncle is planning a new and unwanted career for her and her father is turning over the family business to a cousin who may not be trustworthy Marlana sees the connections between power land and money in this small Texas town and she is tempted to take advantage of the opportunities that present themselves But Reyesville is different it s on the Map of Emotions a world with its own rules and its own guides Marlana never counted on the mystics of Reyesville or the possibility that she might be one of them
