Helen J. B. Galbraith

Whitsunday Intercessions:

The Eucharistic Celebration Adolf Adam, 1994 The Constitution on the Sacred Liturgy says The Church earnestly desires that Christ's faithful when present at this mystery of faith should not be there as strangers or silent spectators On the contrary through a good understanding of the rites and prayers they should take part in the sacred action conscious of what they are doing with devotion and full collaboration What is needed and what the author offers here is that good understanding of the meaning and value of the Mass After examining its historical development Professor Adam explains each part of the Mass as it is currently celebrated He uses understandable terminology and a form of presentation designed to increase appreciation of the Mass among the faithful and to provide the knowledge and impetus to achieve this in family and group discussions in catechetical instruction and in preaching *Reformed Church Messenger*, 1909 *Littlemore parish magazine*, 1893
