Good Or God? John Bevere, 2015-08-11 These days the terms good and God seem synonymous We believe what s generally accepted as good must be in line with God s will Generosity humility justice good Selfishness arrogance cruelty evil The distinction seems pretty straightforward But is that all there is to it If good is so obvious why does the Bible say that we need discernment to recognize it Good or God isn t another self help message This book will do more than ask you to change your behavior It will empower you to engage with God on a level that will change every aspect of your life **Judging the Lawyers** Ted Preston, 2007 Almost everyone in the United States is familiar with criticisms of lawyers and their handling or mishandling of the civil justice system The relationship between the American public and lawyers is vital yet often misunderstood What are we to make of the paradox of increasing dependence on attorneys and criticism of them to the point of disrespect More importantly do they really deserve this condemnation In *Judging the Lawyers A Jury Box View of the Case Against American Lawyers* author Ted Preston discusses the realities of lawyers practices and their vast benefits to society to make his point that critical but balanced assessment of attorneys and the civil justice system is essential Using a trial format that balances both sides of the argument *Judging the Lawyers* is a vehicle for exploring the case for and against lawyers and for examining the causes of the tensions between the bar and the public Preston invites you to stand in the position of a juror and gives you the opportunity to actively think through each issue *Judging the Lawyers* can help you better understand lawyers and their operation of our civil justice system *Those Who Expect Nothing Are Never Disappointed* Steven Sampson, 1998-10-31 I ve been a fan of Steve Sampson s ministry since 1985 and he has never failed to impact my life with his insight into the ways and purposes of God He is refreshingly un religious and his down to earth approach to kingdom living helps those up in heaven type believers get real about how to enjoy heavenly victory in our earthly situations
