Whos Who In The Jfk Assassination An A To Z Encyclopedia:

Who's who in the JFK Assassination Michael Benson, 1993 **Legacy of Secrecy** Lamar Waldron, Thom Hartmann, 2009-03-01 This painstakingly researched follow up to *Ultimate Sacrifice* draws on explosive new material from the National Archives to piece together the puzzle of JFK's assassination. *Vanity Fair* A riveting take on the assassination itself and the devastating results of government secrets. Publishers Weekly John F Kennedy's assassination launched a frantic search to find his killers. It also launched a flurry of covert actions by Lyndon Johnson, Robert F Kennedy and other top officials to hide the fact that in November 1963 the United States was on the brink of invading Cuba as part of a JFK authorized coup. The coup plan's exposure could have led to a nuclear confrontation with Russia but the cover up prevented a full investigation into Kennedy's assassination, a legacy of secrecy that would impact American politics and foreign policy for the next forty five years. It also allowed two men who confessed their roles in JFK's murder to be involved in the assassination of Dr Martin Luther King in 1968. Exclusive interviews and newly declassified files from the National Archives document in chilling detail how three mob bosses were able to prevent the truth from coming to light until now **ARBA Guide to Biographical Resources, 1986-1997** Robert L. Wick, Terry Ann Mood, 1998 This single source guide to selected biographical dictionaries and directories covers the entire spectrum of biographical sources, serial and nonserial that have been published in the last ten years. In each entry the book gives complete bibliographic information along with price and a critical evaluation. Most entries have been selected from *American Reference Books Annual* ARBA between 1986 and 1997. Organized in two broad categories: International and National Biographies and Biographies in Professional Fields, listings are also easily accessed through detailed author, title and subject indexes. This work will be valuable to reference librarians, researchers and others who require information on the lives of individuals from all fields of study and all time periods and of particular use to those involved in the library acquisition process **Ultimate Sacrifice** Lamar Waldron, Thom Hartmann, 2013-08-22 Drawing on seventeen years of research, thousands of recently declassified files and dozens of interviews, *Ultimate Sacrifice* re-creates and in many ways rewrites the crucial period of our history leading up to November 22, 1963. In the process, this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post-war America: the true circumstances behind the assassination of President John F Kennedy. *Ultimate Sacrifice* details a previously unknown Plan for a Coup in Cuba authorized by President John Kennedy, run by Attorney General Robert Kennedy and set for December 1, 1963. The Kennedy plan, unique and different from any previously disclosed operation, was as detailed in a Joint Chiefs of Staff memo to have included a palace coup, a provisional Cuban government and, if necessary, a full-scale invasion by invited US military forces. The CIA's code name for their part of the operation, AMWORLD, has never previously surfaced in any government investigation nor in any book or article, making it one of the most covert operations in United States history. *Ultimate Sacrifice* will detail how the Kennedy plan was penetrated by three mafia godfathers: Carlos Marcello, Santo

Trafficante and Johnny Roselli being vigorously pursued by Attorney General Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK's assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which Ultimate Sacrifice reveals for the first time in any book Ultimate Sacrifice has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys' closest Cuban exile aide Harry Ruiz Williams **The Assassination Chronicles** ,1995
