Why Are Canadian Seniors Worth More Dead Than Alive:

Why Are Canadian Seniors Worth More Dead Than Alive? Leonard H. Goodman, 2014-06-15 With one stroke of a government pen millions of Canadian seniors could have access to the significant hidden cash value they have in their life insurance policies But it requires provincial governments to strike an egregious regulation from their books which would then provide millions of dollars to those who want or need it In this short perspicacious book Leonard Goodman rips the veneer off of what he considers an egregious economic and moral injustice for millions of Canadians and encourages tens of thousands of Canadians and politicians to right this wrong *Developments in Animal Health Surveillance* Marta Martinez Aviles, Lesley Stringer, Marta Hernandez-Jover, Bernard J. Phiri, 2021-03-03 Stephen Harper and the Future of Canada William Johnson, 2009-02-24 There has never been a book about Stephen Harper yet on June 28 he came close to being our prime minister If Paul Martin miscalculates Stephen Harper could be our next prime minister in months not years Who is this man Everyone knows that he became leader of the Alliance Party and against all odds gathered in the old Conservative Party to create a force designed to win power coming very close in 2004 Yet what are his core beliefs To what extent does he agree with his party s social conservatives who scared away voters in the last election Where will he take us if he gets power William Johnson has researched the Harper family background and the historical context that shaped his political career He paints a fascinating picture of a man who like Pierre Trudeau trained mentally for political power like an athlete training for the Olympics yet is not a natural politician and never really wanted the political leader s life By studying Harper s approach to the main issues in Canadian politics he shows that Harper is a sophisticated political operative far more complex and intellectual than the right wing Republican image that has been created for him This is a serious objective political biography short on gossip but long on clear discussion of Harper s political views and how he got them Johnson s message Don t underestimate this man *Sea Breezes* ,1964 Mother Jones Magazine ,1991-03 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues *Sociology : a Down-to-earth Approach, Second Canadian Edition.
