Why I Wore Lipstick To My Mastectomy:

Why I Wore Lipstick Geralyn Lucas, 2004-10-04 In this soulful surprising coming of age journey a young dynamic breast cancer survivor reveals how adversity became the impetus to examine her own sexuality and burgeoning womanhood

Why I Wore Lipstick to My Mastectomy Geralyn Lucas, 2014-04-01 A bold memoir of one young woman's courageous battle with breast cancer the basis for the Emmy nominated Lifetime movie starring Sarah Chalke People Having recently graduated from Columbia Journalism School and landed her dream job at 20 the last thing twenty seven year old Geralyn expects to hear is a breast cancer diagnosis And there is one part of the diagnosis that no one will discuss with her what it means to be a young woman with cancer in a beauty obsessed culture Trying to find herself while losing her vibrancy and her looks Geralyn embarks on a road of self acceptance that will inspire all women Although her story is explicitly about a period of time when she was driven by fear and uncertainty Geralyn managed a transformation that will encourage all women under siege to discover their own courage and beauty The important and outrageous lessons of Why I Wore Lipstick come fast and furious with the same gusto that Geralyn has learned to bring to every aspect of her life **This Was No Coincidence**

Mitra Mostofi, 2012-11 It is no coincidence that you have come to this page call it a page in your life a chapter an entire book And that's what this is an entire book narrating a journey through thought provoking human emotions that make or break our lives If you're ready for the truth then you're ready to practice living truthfully If not simply turn away and deny that this event ever happened If you're still here then perhaps you agree with me that events in our lives are no coincidence that they are lessons we can learn from that our greatest sufferings can be our most profound courses in life **Then Came Life**

Geralyn Lucas, 2015-10-06 Author of Why I Wore Lipstick to My Mastectomy Geralyn Lucas's funny and moving story of leaving the traumatic experience of cancer behind and learning to survive all the challenges of a life she thought she would not have When Geralyn Lucas author of Why I Wore Lipstick to My Mastectomy put on red lipstick in the hall on the way to the operating room she was showing her doctors her family and most important herself that she planned on coming out of the OR and living life to the fullest She figured that that day in the OR would be the hardest day of her life but it turns out the twenty seven year old cancer survivor was a bit short sighted Then Came Life picks up almost two decades later when Geralyn is now living the life she was afraid she'd never be able to have After having almost died from cancer as a young woman Geralyn felt that growing old enough to get wrinkles is a gift one she prayed fervently for in her youth But she is now in her midforties Her two miracle babies both C sections both advised against by her doctors have grown into a mean tween with a fierce eye roll for her mother's failures and a tornado of little boy energy who refuses to play by his preschool's rules a storybook romance with her husband has become couples therapy with a grumpy prince and her demanding corporate job at Lifetime TV that she loves moves across the country without her She has lost the wonder of that cancer gratitude moment and when she looks in the mirror at her hard won wrinkles all she can think about is that she wants to have Botox Then Came

Life is a charming quirky delightful yet poignant story of surviving life a collection of coming of middle age stories of trying to be a role model for her daughter while being dissatisfied with her own looks and what happens when her adoring son is more intent on romancing her than her husband is right down to dueling Valentine's Day cards With the clear eyed wit and observations of Nora Ephron she not only explores the dissonance of facing the challenges she was afraid she wouldn't be alive to have but also confronts them with a great sense of infectious empowerment and a hilarious voice GERALYN harnesses her fighting spirit and leaves behind the trauma of cancer to battle all the rest that life has to throw at her Then Came Life is not a cancer recovery story It is about rediscovering the resilience courage and optimism it takes to reinvent yourself at every age

My Journey Through Breast Cancer Eve Preste, 2012-10 Eve Preste aka Eve Dolansky grew up in a small town in Appleton New York on a large fruit farm She went to college at Niagara University and Buffalo State College to study journalism After meeting her first husband she moved to Florida and had two daughters Alexis and Sierra She then embarked on a 20 year journey in the financial industry At 45 she was diagnosed with breast cancer Journaling became her vehicle of deliverance from a bottomless abyss Writing in her journal allowed her to spend time and make some sense of this surreal dream By exploring deep within her she began to develop clarity in the midst of a storm After yielding to the higher power it helped her welcome the beauty of the entire situation As Dr Wayne Dyer says When you change the way you look at things the things you look at change Perfect health is balanced by a life threatening disease Once an equilibrium is maintained we can understand that opposites are joined together When suffering comes our way it is how we respond to it that determines who we become It was her choice to make a calamity or true gift out of her illness Rather than lamenting Eve chose to be grateful for each sunrise sunset person and circumstance in her life After being diagnosed with breast cancer Eve embarked on a new journey of wellness She hopes to establish a wellness center to help people balance their mind body and spirit One major event can turn one's life around for the better we hold true to the saying Things happen for a reason **Beyond**

Words Kathlyn Conway, 2013-05-15 Kathlyn Conway opens primordial questions about the shattering events of illness through close readings of selected illness narratives proposing that only writing of a daring kind can utter the knowledge of the self telling body Wielding her ferocious intellect and braving exposure to self and other Conway makes original discoveries about writing and illness and more stunningly about writing and life Not a book about illness this is a book about writing and being It is taut brave unequalled in our scholarship and true Conway joins our most powerful investigators of the human predicament of mortality helping us to see helping us to live Rita Charon Columbia University Program in Narrative Medicine Published accounts of illness and disability often emphasize hope and positive thinking the woman who still looked beautiful after losing her hair the man who ran five miles a day during chemotherapy This acclaimed examination of the genre of the illness narrative questions that upbeat approach Author Kathlyn Conway a three time cancer survivor and herself the author of an illness memoir believes that the triumphalist approach to writing about illness fails to do justice to

the shattering experience of disease By wrestling with the challenge of writing about the reality of serious illness and injury she argues writers can offer a truer picture of the complex relationship between body and mind
