Why Women Should Rule The World

Richard Bailey

Why Women Should Rule The World:

Why Women Should Rule the World Dee Dee Myers, 2009-02-24 If women ruled the world politics would be more collegial businesses would be more productive and communities would be healthier More women should lead not because they are the same as men but precisely because they are different Reflecting on her own tenure as White House press secretary and her work as a political analyst media commentator and former consultant to NBC's *The West Wing* Dee Dee Myers blends memoir and social history with a call to action as she assesses the crucial but long ignored strengths that female leaders bring to the table With intelligence courage candor and wit she looks at the obstacles women must overcome and the traps they must avoid on the path to success and she challenges us to imagine a not too distant future with more women standing tall in the top ranks of politics business science and academia

Why Women Should Rule the World LP Dee Dee Myers, 2008-04-08 What would happen if women ruled the world Everything could change according to former White House press secretary Dee Dee Myers Politics would be more collegial Businesses would be more productive And communities would be healthier Empowering women would make the world a better place not because women are the same as men but precisely because they are different Blending memoir social history and a call to action Dee Dee Myers challenges us to imagine a not too distant future in which increasing numbers of women reach the top ranks of politics business science and academia Reflecting on her own tenure in the Clinton administration and her work as a political analyst media commentator and former consultant to NBC's *The West Wing* Myers assesses the crucial but long ignored strengths that female leaders bring to the table Women tend to be better communicators better listeners better at forming consensus Myers argues In a highly competitive and increasingly fractious world women possess the kind of critical problem solving skills that are urgently needed to break down barriers build understanding and create the best conditions for peace Myers knows firsthand the responsibilities and rewards of taking on leadership roles traditionally occupied by men At thirty one she was appointed White House press secretary to President Bill Clinton the first woman ever to hold the job In a candid look at her years in Washington's political spotlight she recalls the day to day challenge of confronting a press corps obsessed with more than just the president's policies Virtually every story written about me included observations about my earrings my makeup my clothes my shoes And then there was my hair Recalling the pressures both invited and imposed of her *West Wing* years Myers offers a hard hitting look at the challenges women must overcome and the traps they must avoid as they travel the path toward success From pioneering research in the laboratory to innovations in business entertainment and media to friendships that transcend partisanship in the U S Senate she describes how female participation in public life has already transformed the world in which we live

The Fictional Female Presidency in Film, Television, and Literature

Kathleen W. Taylor Kollman, 2025-11-13 This book examines the ways in which popular culture has entertained the notion of a female U S presidency through portrayals in film television and literature dating back to the 1930s To date no woman has

served as Commander in Chief in the White House This lack of precedent however has not deterred the continued exploration of this idea in U S popular culture for decades In this book Kathleen W Taylor Kollman analyzes fictionalized portrayals of female U S Presidents across a variety of media spanning both genre and time period to demonstrate how the perceptions of audiences and content creators have shifted when considering the idea of a woman s ability to run the United States She then contextualizes each example by positioning it alongside real life women in politics to examine the accuracy of existing portrayals when compared to the media framing of aspiring political candidates By analyzing works diverse in genre including science fiction dystopias slapstick comedias political dramas satire and romance novels Kollman also explores the ways in which genre can also play a critical factor in the framing of these women with regard to both subject matter and approach Scholars interested in parasocial relationships the history of feminist movements the intersection of political and media audiences and popular media trends will find this book particularly compelling

Why Women Should Rule the World Richard G. Levy,1952 *Women in the American Political System* Dianne G. Bystrom,Barbara Burrell,2018-12-01

This book examines how women candidates voters and office holders shape U S political processes and institutions lending their perspectives to gradually evolve American life and values This book provides an encyclopedic sourcebook on the evolution of women s involvement in American politics from the colonial era to the present covering all of the individuals organizations cultural forces political issues and legal decisions that have collectively served to elevate the role of women at the ballot box on the campaign trail in Washington and in state and city level political offices across the country The in depth essays document and examine the rising prominence of women as voters candidates public officials and lawmakers enabling readers to understand how U S political processes and institutions have been and will continue to be shaped by women and their perspectives on American life and values The entries cover a range of women politicians and officials female activists and media figures relevant organizations and interest groups such as Emily s List League of Women Voters and National Right to Life key laws court cases and events such as the Nineteenth Amendment the Equal Rights Amendment the Seneca Falls Convention the passage of Title IX and Roe v Wade and other topics like media coverage of appearance women s roles as campaign strategists fundraisers gender differences in policy priorities and the gender gap in political ambitions The text is supplemented by sidebars that highlight selected landmarks in women s political history in the United States such as the 2012 election of Tammy Baldwin the first openly gay U S senator

The Secret Thoughts of Successful Women Valerie Young,2011-10-25 Learn to take ownership of your success overcome self doubt and banish the thought patterns that undermine your ability to feel and act as bright and capable as others already know you are with this award winning book by Valerie Young It s only because they like me I was in the right place at the right time I just work harder than the others I don t deserve this It s just a matter of time before I am found out Someone must have made a terrible mistake If you are a working woman chances are this internal monologue sounds all too familiar And you re not alone From the high achieving

Ph D candidate convinced she's only been admitted to the program because of a clerical error to the senior executive who worries others will find out she's in way over her head a shocking number of accomplished women in all career paths and at every level feel as though they are faking it impostors in their own lives and careers While the impostor syndrome is not unique to women women are more apt to agonize over tiny mistakes see even constructive criticism as evidence of their shortcomings and chalk up their accomplishments to luck rather than skill They often unconsciously overcompensate with crippling perfectionism overpreparation maintaining a lower profile withholding their talents and opinions or never finishing important projects When they do succeed they think Phew I fooled 'em again An internationally known speaker Valerie Young has devoted her career to understanding women's most deeply held beliefs about themselves and their success In her decades of in the trenches research she has uncovered the often surprising reasons why so many accomplished women experience this crushing self doubt In *The Secret Thoughts of Successful Women* Young gives these women the solution they have been seeking Combining insightful analysis with effective advice and anecdotes she explains what the impostor syndrome is why fraud fears are more common in women and how you can recognize the way it manifests in your life
