

Why Be Moral?

- Why should *I* be moral? Consequences?

Why Be Moral Why Be Moral

Walter Terence Stace

Why Be Moral Why Be Moral:

Why Be Moral? Beatrix Himmelmann, Robert Loudon, 2015-09-25 What reasons do we have to be moral and are these reasons more compelling than the reasons we have to pursue non moral projects Ever since the Sophists first raised this question it has been a focal point of debate Why be Moral is a collection of new essays on this fundamental philosophical problem written by an international team of leading scholars in the field *Why be Moral?* Kai Nielsen, 1989 No Marketing Blurb Morality Bernard Williams, 2012-03-29 In *Morality* Bernard Williams confronts the problems of writing moral

philosophy and offers a stimulating alternative to more systematic accounts which seem nevertheless to have left all the important issues somewhere off the page Williams explains analyses and distinguishes a number of key positions from the purely amoral to notions of subjective or relative morality testing their coherence before going on to explore the nature of goodness in relation to responsibilities and choice roles standards and human nature A classic in moral philosophy

Morality Bernard Gert, 1988 This volume is a revised enlarged and broadened version of Gert s classic 1970 book *The Moral Rules* Advocating an approach he terms morality as impartial rationality Gert here presents a full discussion of his moral theory adding a wealth of new illuminating detail to his analysis of the concepts rationality irrationality good evil and impartiality by which he defines morality He constructs a moral system that includes rules prohibiting the kinds of actions that cause evil procedures for determining when violation of the rules is permitted and ideals which encourage actions that prevent or relieve suffering To be valid Gert argues any such system must be a public system that applies to all rational persons The book concludes with a discussion of medical ethics demonstrating the link between moral theory and its application to real moral problems the definition of morality , **Common Morality** Bernard Gert, 2004-08-19

Distinguished philosopher Bernard Gert presents a clear and concise introduction to what he calls common morality the moral system that most thoughtful people implicitly use when making everyday common sense moral decisions and judgments Common Morality is useful in that while not resolving every disagreement on controversial issues it is able to distinguish between acceptable and unacceptable answers to moral problems Thinking About Morality William K. Frankena, 2025-10-01 Many people think about and talk about morality journalists novelists social scientists doctors lawyers and theologians Most of their thinking and talking is either polemical attacking or defending morality or proclaiming a new morality or it is concerned with some popular practical moral issue like abortion euthanasia or war The author of *Thinking About Morality* believes that to be helpful and sound such moral thinking must be done in the context of a general theory or systematic philosophy of morality something moral philosophers have long been trying to provide In this book the author offers much of his own basic theory of morality hoping that it will be of use to his readers in their thinking about morality whatever the nature of their interest may be **The Nature of Morality** Gilbert Harman, 1977 This book is a philosophical introduction to ethics It differs from existing texts by focusing on a basic philosophical problem about morality its apparent

immunity from observational testing Other texts either ignore this issue altogether in order to concentrate on interesting but largely nonphilosophical discussions of moral problems or treat the issue as only one of several highly technical questions in something called meta ethics

Why Be Moral? Beatrix Himmelmann, Robert Louden, 2015-09-25 What reasons do we have to be moral and are these reasons more compelling than the reasons we have to pursue non moral projects Ever since the Sophists first raised this question it has been a focal point of debate Why be Moral is a collection of new essays on this fundamental philosophical problem written by an international team of leading scholars in the field

The Roots of Morality Maxine Sheets-Johnstone, 2008-12-12 This book argues the case for a foundationalist ethics centrally based on an empirical understanding of human nature For Maxine Sheets Johnstone an ethics formulated on the foundations of anything other than human nature hence on anything other than an identification of pan cultural human realities lacks solid empirical moorings It easily loses itself in isolated hypotheticals reductionist scenarios or theoretical abstractions in the prisoner s dilemma selfish genes dedicated brain modules evolutionary altruism or psychological egoism for example or it easily becomes itself an ethical system over and above the ethics it formulates such as the deontological ethics of Kantian categorical imperatives the utilitarianism of Bentham and Mill or the ethics of care Taking her cue from Hume especially his Treatise on Human Nature where he grounds the moral sense in human nature seen as always in tension between the natural tendencies of selfish acquisitiveness and sympathy for others Sheets Johnstone pursues her phenomenological investigation of the natural basis of human morality by directing her attention first in Part I to what is traditionally considered the dark side of human nature and then in Part II to the positive side The tension between the two calls for an interdisciplinary therapeutic resolution which she offers in the Epilogue by arguing for the value of a moral education that enlightens humans about their own human nature highlighting both the socialization of fear and the importance of play and creativity

The Evolution of Morality Richard Joyce, 2007-08-24 Moral thinking pervades our practical lives but where did this way of thinking come from and what purpose does it serve Is it to be explained by environmental pressures on our ancestors a million years ago or is it a cultural invention of more recent origin In The Evolution of Morality Richard Joyce takes up these controversial questions finding that the evidence supports an innate basis to human morality As a moral philosopher Joyce is interested in whether any implications follow from this hypothesis Might the fact that the human brain has been biologically prepared by natural selection to engage in moral judgment serve in some sense to vindicate this way of thinking staving off the threat of moral skepticism or even undergirding some version of moral realism Or if morality has an adaptive explanation in genetic terms if it is as Joyce writes just something that helped our ancestors make more babies might such an explanation actually undermine morality s central role in our lives He carefully examines both the evolutionary vindication of morality and the evolutionary debunking of morality considering the skeptical view more seriously than have others who have treated the subject Interdisciplinary and combining the latest results from the empirical sciences with philosophical discussion The

Evolution of Morality is one of the few books in this area written from the perspective of moral philosophy Concise and without technical jargon the arguments are rigorous but accessible to readers from different academic backgrounds Joyce discusses complex issues in plain language while advocating subtle and sometimes radical views The Evolution of Morality lays the philosophical foundations for further research into the biological understanding of human morality Morality Bernard Gert,1998 For more than thirty years philosopher Bernard Gert has been developing and refining his distinctive and comprehensive moral theory This book presents the fullest statement yet of his influential theoretical model **Moral Thinking** Richard Mervyn Hare,1981 This book is a continuation of the enterprise which the author began with The Language of Morals and Freedom and Reason In the present work R M Hare has fashioned out of the logical and linguistic theses of his earlier books a full scale but readily intelligible account of moral argument **The Concept of Morals** Walter Terence Stace,1937 **Morality and the Good Life** Thomas L. Carson,Paul K. Moser,1997 Contemporary moral philosophers have produced an enormous amount of rich and varied published work on virtually all the issues falling within the scope of ethics and moral philosophy Morality and the Good Life is a comprehensive survey of contemporary ethical theory which collects thirty four selections on morality and the theory of value Emphasizing value theory metaethics and normative ethics it is non technical and accessible to a wide range of readers Selections are organized under six main topics 1 Concepts of Goodness 2 What Things are Good 3 Virtues and Ethics 4 Realism vs Anti Realism 5 Value and Obligation and 6 The Value and Meaning of Life The text includes both a substantial general introduction featuring explanatory summaries of all the selections and an extensive topical bibliography which enhance the volume s research and pedagogical utility The most up to date and wide ranging survey of its kind Morality and the Good Life is ideal for advanced undergraduate and graduate courses in contemporary ethical theory moral philosophy and theory of value *Living Morally* Laurence Thomas,1990-06-01 Laurence Thomas addresses two main questions in this philosophical exploration of morality What constitutes a moral life How does one acquire and maintain a good moral character In answering these questions he maintains that social interaction is the thread from which the fabric of moral character is woven and he promotes friendship and parental upbringing as the most important forms of social interaction Thomas rejects the view now prominent in contemporary ethical theory that individuals are essentially self interested Instead he argues that a great deal of altruism can be found in the biological and psychological make up of human beings Thomas defends the view that sociobiology can serve as a basis for ethics Regarding this capacity for altruism as a natural gift or talent he observes that whether or not a quality flourishes is dependent upon the nature of one s social environment Thomas contends that within each person s social environment parental love companion friendships and our beliefs about how others will treat us provide the strongest encouragement for developing a good moral character Author note Laurence Thomas is Professor of Philosophy and an affiliate member of the Department of Political Science at Syracuse University *The Moral Rules* Bernard Gert,1973

Human Morality Berkeley Samuel Scheffler Professor of Philosophy University of California, 1992-05-21 Some people believe that the demands of morality coincide with the requirements of an enlightened self interest Others believe that morality is diametrically opposed to considerations of self interest This book argues that there is another position intermediate between these extremes which makes better sense of the totality of our moral thought and practice Scheffler elaborates this position via an examination of morality's content scope authority and deliberative role Although conflicts between morality and self interest do arise according to this position nevertheless morality is fundamentally a reasonable and humane phenomenon Moreover the psychological bases of effective moral motivation have sources deep within the self and morally motivated individuals try to shape their own interests so as to avoid conflict with morality Since human practices and institutions help to determine the prevalence of these motives and since in this and other ways they influence the degree to which conflicts between morality and self interest actually occur the extent of such conflict is not fixed or immutable and is in part a social and political issue

The Object of Morality, 2022-06 The central issue is that of identifying and understanding the fundamental principles of morality but the book also discusses the place of rules in moral thought the nature of obligation the relation between morality and religion and that of being moral and rational

The Origin and Development of the Moral Ideas Edward Westermarck, 2019-12-02 In *The Origin and Development of the Moral Ideas* Edward Westermarck embarks on an exhaustive exploration of the evolution of moral concepts analyzing their sociocultural underpinnings Westermarck employs a comparative approach drawing on diverse cultures and historical periods to illustrate the dynamic nature of morality His literary style is rigorous yet accessible reflecting both philosophical inquiry and anthropological observation This seminal work situates moral ideas within the broader scope of human development offering insights into how they are shaped by social interactions and collective experiences Edward Westermarck 1862-1939 was a Finnish sociologist and philosopher known for his foundational contributions to moral philosophy and social ethics His background in anthropology and his experiences in various cultural contexts deeply informed his perspectives on morality Westermarck's empirical approach to ethics marks a departure from prescriptive moral philosophies emphasizing the role of observed human behavior in understanding moral norms His extensive research laid the groundwork for contemporary studies of morality in both sociology and psychology I highly recommend Westermarck's work to scholars students and anyone interested in the intricate relationship between culture and morality *The Origin and Development of the Moral Ideas* not only provides a profound understanding of ethical evolution but also invites readers to critically engage with their own moral frameworks This book is essential for those who seek to grasp the complexities of moral thought and its significance in human society In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences

that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings
Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked
Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references
historical allusions and archaic phrases for an effortless more informed read

Yeah, reviewing a book **Why Be Moral Why Be Moral** could ensue your close contacts listings. This is just one of the solutions for you to be successful. As understood, realization does not recommend that you have fabulous points.

Comprehending as well as concord even more than extra will give each success. adjacent to, the statement as well as acuteness of this Why Be Moral Why Be Moral can be taken as skillfully as picked to act.

Why Be Moral Why Be Moral Introduction

In the digital age, access to information has become easier than ever before. The ability to download Why Be Moral Why Be Moral has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Why Be Moral Why Be Moral has opened up a world of possibilities. Downloading Why Be Moral Why Be Moral provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Why Be Moral Why Be Moral has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Why Be Moral Why Be Moral. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Why Be Moral Why Be Moral. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Why Be Moral Why Be Moral, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Why Be Moral Why Be Moral has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Why Be Moral Why Be Moral Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Why Be Moral Why Be Moral is one of the best book in our library for free trial. We provide copy of Why Be Moral Why Be Moral in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Why Be Moral Why Be Moral. Where to download Why Be Moral Why Be Moral online for free? Are you looking for Why Be Moral Why Be Moral PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Why Be Moral Why Be Moral. This method for see exactly what may be included and adopt these ideas to your book.
