

Love Spell

I cast this circle, round about,
So, love I'll never do without.
I ask for this aloud and bold,
For loving words, love will hold.
I cast this circle, once again,
To find new love, let it come in!
Myself, it is that I must move.
My words and deeds, I will improve.
I cast this circle three times three,
Myself, forever changed to be,
Words and acts both good and kind,
Forever, will my true love bind.
Give me the love, that love will bring.
Goddess, change me. Do this thing!

and Power today **Love Spells that Work!** Dayanara Blue Star,2015-03-29 There are as many love spells as there are people who wish to cast them The most powerful spells are those that influence the chakras spiritual pathways of another or create love bonds between two souls These spells can be challenging and even dangerous however so it is often better to rely on magic that embraces the natural world and only subtly creates the opportunity for others to recognize one s inner beauty There are also spells that rely on a magical focus like stones candles or mirrors in order to draw the inherent magical forces into a shape moldable by the spell caster This manner of spell has been in use for ages and even in an increasingly cynical society which has largely turned its back on the spirit world persist today because of their proven effectiveness There are spells crafted to find the love of others and to open our souls to the love of self without the confidence in oneself and the love of oneself how can one hope to harness the energies needed to gain the love of another There are also spells designed to request the help of the goddess in her many forms should one be able to supplicate to her and prove their cause worthy Included here are a range of love spells of various type and description These have been drawn from ancient traditions the world over and some will appeal to certain kinds of casters while others may seem at odds with their nature You must always remember that casting is done with the heart and soul and that magic exists in the world of spirit so you should only try the magic that speaks to you on a mystical level If you cannot believe a spell will work it most certainly will not Please read the spells in this book and experiment with them responsibly Love is the most powerful force in the universe and it is unwise to use magic to toy with it unjustly Keep your heart pure in your pursuits and let your spirit guide you on a righteous path Blessed Be Dayanara Blue Star **Wicca Book of Spells** Lisa Chamberlain,2020-08-18 Bestselling Wiccan author Lisa Chamberlain has created the perfect concise guide for the novice witch who wants to learn how to cast key Wiccan spells With the help of this accessible guide by one of the most popular Wicca authors today even beginners can successfully perform Wiccan spells to bring positive experiences into their life and the lives of those they love From thousands of potential spells Lisa has chosen 50 of the most important distilling them into three key categories of magical aims love and relationships including friends and family such as Relationship Potential Divine Forecast and Spare Key Spell for Spiritual Connection wealth and prosperity Honey Abundance Jar and Job Interview Success Spell and health and well being Anxiety Calming Spell and Protection Spell for Pets Plus there s a section on divination and spellwork involving essential oils moon phases and homemade ingredients from an avocado beauty spell to a chicory root victory charm **Book Of Shadows - 150 Spells, Charms, Potions and Enchantments for Wiccans** Shadow Books,2018-03-26 The Book of Shadows spellbook makes the perfect ally for any practising Witch or starting Wiccan it contains over 150 Spells Charms Potions and Enchantments from all over the world Covering a variety of categories including Harmony Prosperity Protection Love Healing Success Fertility and many more Included in the back of the book are approximately 20 blank pages for you to add your own notes or spells **Wiccan Love Spells** Brittany Nightshade,2019-12-26 Build Confidence and Find Love with
