An Introduction to Christian Theology

FOURTH EDITION

DANIEL L. MIGLIORE

Treatise 1 Introduction To Theology Faith Seeking Understanding

Philip John Fisk

Treatise 1 Introduction To Theology Faith Seeking Understanding:

Faith Seeking Understanding Daniel L. Migliore, 2014-08-08 A superb standard Christian theology text for nearly a quarter century Daniel Migliore's Faith Seeking Understanding explores all of the major Christian doctrines in freshly contemporary ways This third edition offers new FOR FURTHER READING suggestions at the end of each chapter a substantial expansion of the glossary and new material incorporated throughout including a section on Christians and Muslims Further the three imaginary theological dialogues culminating the book pointedly playful exchanges that have delighted countless readers are here joined by a fourth dialogue between Karl Barth and Friedrich Nietzsche on atheism All in all a new generation of students pastors and Christian educators eager to better understand the rich heritage central themes and contemporary challenges of Christian theology will find both guidance and stimulation in Migliore's updated work

Faith Seeking Understanding Daniel L. Migliore, 2004-06-14 Daniel Migliore's Faith Seeking Understanding has been a standard introduction to Christian theology for more than a decade The book's presentation of traditional doctrine in freshly contemporary ways its concern to hear and critically engage new voices in theology and its creative and accessible style have kept it one of the most stimulating balanced and readable guides to theology available This second edition of Faith Seeking Understanding features improvements from cover to cover Besides updating and expanding the entire text of the book Migliore has added two completely new chapters The first Confessing Jesus Christ in Context explores the unique contributions to Christian theology made by recent theologians working in the African American Asian American Latin American Hispanic feminist womanist and mujerista traditions The second new chapter The Finality of Jesus Christ and Religious Pluralism addresses the growing interest in the relationship of Christianity to other religions and their adherents Migliore's three delightful theological dialogues are followed by a new appendix an extensive glossary of theological terms making the book even more useful to students seeking to understand the history themes and challenges of Christian belief

Yesteryear's Faith Seeking Understanding Philip John Fisk, 2022-06-24 The voices of yesteryear's scholastics are silenced Scholastic distinctions discarded Faith seeking understanding cancelled This book turns to university professors who brought classical medieval Reformation and Renaissance thought to bear on the teaching of the doctrine of providence at the early New England Colleges Their ultimate purpose was to exonerate God from the charge that he was the author even actor of evil Their scholastic method drew from a long and surprisingly ecumenical and philosophical enterprise in the history of the church This book's aim is to let the scholastic approaches to the mystery of divine providence speak for themselves Part One introduces the reader to the art of disputation and provides a guided historical theological tour of scholastic distinctions that were used by doctors of the church to explain issues related to the doctrine of divine providence Part Two invites the reader to follow the author on his journeys to Harvard Yale the College of New Jersey and the College of Rhode Island and Providence Plantations commencement day disputations as he engages in Platonic like dialogues with

presidents rectors and students of the New England Colleges While the dialogues are imagined the characters times locations and quoted texts are real *A Book of Faith Seeking Understanding* Philip John Fisk,2021-11-23 Far too often the God of the philosophers those who for the most part had no appointment at a university are the primary sources relied upon by many authors nowadays in their approach to the problem of evil These fifty two Lord s day or Sabbath day readings draw the reader into a dialogue with university professors of the late medieval era and sixteenth and early seventeenth centuries The theme of these literary renditions of yesteryear s debates and disputations is the perennial quest by theologians to exonerate God from the charge that he is the author of evil The sophistication and complexity of their scholastic method and solutions to the problem of evil may surprise but hopefully will persuade modern day readers to rethink their own conclusion about the problem and to take up and read university theologians who were formerly unknown all in the spirit of Anselm s faith seeking understanding

Introduction to Scholastic Theology Ulrich G. Leinsle,2010 Reading Introduction to Scholastic Theology is an adventure as it guides readers through the beginnings of scholastic theology in the works of the Fathers on to Early Scholasticism High Scholasticism scholastic thought in a time of paradigm shifts 14 15th century and its fate during Humanism and Reformation to the beginnings of the Enlightenment and Neo Scholasticism in the nineteenth century Book Jacket

Faith Seeking Understanding, Fourth ed. Daniel L. Migliore,2023-05-31 An authoritative and beloved textbook updated for the current generation of theology students Daniel L Migliore s classic theology textbook returns in a new edition revised and supplemented with fresh material Faith Seeking Understanding covers fundamental topics for budding theologians from biblical hermeneutics to the incarnation to the life of faith As in previous editions the material culminates in four imaginative dialogues between prominent thinkers to illustrate major theological debates In addition to updates throughout the text the fourth edition also includes a new introduction and an additional chapter on Christology Students will appreciate the textbook s accessible style comprehensive reading recommendations and glossary of theological terms

An Introduction to Theology in Africa and the Kpelelogical Foundations of Christian Theology Charles Amarkwei,2021-10-12 In this book African Christian theology is introduced as a Kpelelogical reflection about life in the context of Africa which exists in the context of the cosmos Kpelelogy is the ontological mode of being grasped by the agape of God in Christ by grace through faith in the power of the Holy Spirit By this mode African theology is introduced by way of a definition a principle of paradox and a description as well as a critical view of the works of African theologians It examines the issues of method criteria and sources of doing theology in Africa and introduces the method of Kpelelogy as an African theological method This is explored further as a holistic theological method that is conscious of its being in existence and its life in history that is driven by faith in the triune God in a pneumatic experience that has been termed in this book as the Kpelelogical ontological mode The book is ecumenical in view of its engagement with Christian tradition It presents a Kpelelogical theology that is concretely African and universally Christian in the Okpelejen Wulormor the cosmic Jesus Christ

who is and was but beyond the munus triplex Priest King and Prophet threefold office of Jesus Christ that is to come Hence it is a theology which embraces elements of Reformed Lutheran Methodist Pentecostal Charismatic Roman Catholic and Eastern Orthodox theological insights in the African context *An Introduction to Medieval Theology* Rik van Nieuwenhove,2012-04-19 Medieval theology in all its diversity was radically theo centric Trinitarian Scriptural and sacramental It also operated with a profound view of human understanding in terms of intellectus rather than mere ratio In a post modern climate in which the modern views on autonomous reason are increasingly being questioned it may prove fruitful to re engage with pre modern thinkers who obviously did not share our modern and post modern presuppositions Their different perspective does not antiquate their thought as some of the cultured despisers of medieval thought might imagine On the contrary rather than rendering their views obsolete it makes them profoundly challenging and enriching for theology today This book is more than a survey of key medieval thinkers from Augustine to the late medieval period it is an invitation to think along with major theologians and explore how their thought can deeply challenge some of today s modern and post modern key assumptions **Introduction to Medieval Theology** Rik Van Nieuwenhove,2022-03-24 The best introduction to medieval theology from the time of St Augustine to the 14th century in an expanded 2nd edition This volume invites us to think along with major theologians and spiritual authors in order to understand how pre modern thought can enrich and challenge us in a post modern context *Everyday Theology (Cultural Exegesis)* Kevin J. Vanhoozer,Charles A. Anderson,Michael J. Sleasman,2007-03-01 Everyday theology is the reflective and practical task of living each day as faithful disciples of Jesus Christ In other words theology is not just for Sundays and it s not just for professional theologians Everyday Theology teaches all Christians how to get the theological lay of the land It enables them to become more conscious of the culture they inhabit every day so that they can understand how it affects them and how they can affect it If theology is the ministry of the Word to the world everyday theologians need to know something about that world and Everyday Theology shows them how to understand their culture make an impact on it Engaging and full of fresh young voices this book is the first in the new Cultural Exegesis series [The Aesthetic Thought and View of Art of Thomas Aquinas](#) Zhiqing Zhang,2024-08-30 This book examines Aquinas s aesthetic thought and view of art within the broader context of medieval aesthetics and the history of aesthetic development emphasizing its profound influence on later aesthetics The book not only elaborates on Aquinas s efforts to establish coherence between faith and reason the transcendent and empirical as well as its significance but also discusses the main contents and characteristics of Aquinas s aesthetic thought from the three aspects of the ontology of beauty the theory of form and the theory of experience By examining Aquinas s aesthetic thought and view of art in relation to modern aesthetics and twentieth century aesthetics this book reveals the immense vitality of Aquinas s aesthetic thought **God Beyond Words** Jill Harshaw,2016-07-01 Responding to the view that people with profound intellectual disabilities cannot enjoy spiritual experiences this book pushes the boundaries of intellectual disability theology

Thought provoking and sensitive this book poses important questions about the nature of faith and how the Church treats people with intellectual disabilities

The People of God's Presence Terry L. Cross, 2019-10-15 In an age when the church is sometimes viewed as irrelevant and inauthentic leading Pentecostal theologian Terry Cross calls the people of God to a radical change of structure and mission based on theological principles Cross whose work is respected by scholars from across the ecumenical landscape offers an introduction to ecclesiology that demonstrates how Pentecostals can contribute to and learn from the church catholic A forthcoming volume by the author *Serving the People of God's Presence* will focus on the role of leadership in the church

The Empowering God Edward Y. Suh, 2021-05-20 The Prosperity movement has been rightly challenged on biblical theological and pastoral grounds and has been found to be lacking Yet the movement continues to grow in popularity around the world particularly amongst the poor What deeper factors might account for this continued sociological appeal In this unique study the author draws on biblical and theological sources as well as research on human flourishing from psychological sociological economic and anthropological perspectives to evaluate possible reasons for this phenomenon Consequently he finds that one unexplored reason for the lasting resonance of the Prosperity movement is its unexpected effectiveness in leading practitioners to overcome the trauma of victimization and disempowerment This undercurrent of empowerment suggests that there are ways Prosperity theology can mature to preserve this dynamic whilst shedding its more questionable practices thus potentially giving rise to an Evangelical expression of this movement centered around the themes of shalom and human flourishing Thus the constructive aspect of this book proposes an Evangelical theology of empowerment and abundance formed around a robust image of the Empowering God that accounts for abundance and lack health and disability and the normal ebbs and flows of life and death

Patience—A Theological Exploration Paul Dafydd Jones, 2022-11-17 What does it mean to exercise patience What does it mean to endure to wait and to persevere and on other occasions to reject patience in favor of resistance haste and disruptive action And what might it mean to describe God as patient Might patience play a leading role in a Christian account of God's creative work God's relationship to ancient Israel God's governance of history and God's saving activity The first instalment of *Patience A Theological Exploration* engages these questions in searching imaginative and sometimes surprising ways Following reflections on the biblical witness and the nature of constructive theological inquiry its interpretative chapters engage landmark works by a number of ancient medieval modern and contemporary authors disclosing both the promise and peril of talk about patience Patience stands at the center of this innovative account of God's creative work God's relationship with ancient Israel creaturely sin scripture and God's broader providential and salvific purposes

Angelology Dylan David Potter, 2017-02-23 Angels have fascinated people for millennia because they point to an invisible dimension that parallels our own This book examines the different ways that angels have been portrayed at certain key points in biblical and theological history By tracing patterns in the appearance of higher order beings from their ancient Near Eastern origins the Hebrew

Scriptures the writings of Pseudo Dionysius Thomas Aquinas Karl Barth and even modern New Age writers Angelology demonstrates that angels allow various authors to emphasise divine transcendence immanence and creativity Identifying the theological purpose underlying the depiction of angels at certain key points in the history of their use raises new questions about how angels are to be understood by people today Introducing the Reformed Faith Donald K. McKim,2001-01-01 In this book Donald McKim examines Reformed beliefs on sixteen theological topics including Scripture the Trinity sin salvation the person of Jesus and Baptism He also discusses distinctive emphases of the Reformed faith and shows how Reformed beliefs relate to the broader ecumenical family of Christian teachings The Drama of Doctrine Kevin J. Vanhoozer,2005-01-01 Observing a strange disappearance of doctrine within the church Kevin Vanhoozer argues that there is no more urgent task for Christians today than to engage in living truthfully with others before God He details how doctrine serves the church the theater of the gospel by directing individuals and congregations to participate in the drama of what God is doing to renew all things in Jesus Christ Taking his cue from George Lindbeck and others who locate the criteria of Christian identity in Spirit led church practices Vanhoozer relocates the norm for Christian doctrine in the canonical practices which he argues both provoke and preserve the integrity of the church s witness as prophetic and apostolic **The Mystery of Jesus Christ** Fernando Ocáriz Braña,Fernando Ocáriz,Lucas F. Mateo Seco,José Antonio Riestra,1994 Written chiefly for theology students the book presents the authentic teachings of Catholic faith to be found not only in the ancient conciliar sources but also in important recent documents dealing with disputed issues of our times Chapters deal with The hoped for Saviour The Coming of Jesus Christ in the fullness of time The Person of Christ Christ the Way the Truth and the Life Redemption **Historical Introduction to Philosophy** Albert B. Hakim,2016-06-03 This text anthology is designed to lead beginning students to an appreciation of Western philosophy through an exploration of its history the problems classical questions it has dealt with and the major philosophers and their works within that historical setting
