Whisper In The Night:

The Shadows Whisper: Tales from the Edge of the Night Pasquale De Marco, 2025-07-27 Prepare yourself for a journey into the shadows where whispers of the unknown dance on the edge of perception The Shadows Whisper Tales from the Edge of the Night is a collection of tales that will haunt your thoughts long after you finish reading Within these pages you will encounter secrets hidden in the darkness echoes of the past that refuse to be silenced and the chilling whispers of the supernatural This book is not for the faint of heart It will challenge your beliefs confront your fears and push you to the brink of insanity You will question the nature of reality as you delve into the depths of the human psyche where nightmares and dreams collide The line between truth and illusion will blur and you will be left wondering what is real and what is merely a figment of your imagination But within the darkness there lies a hidden wisdom a path to enlightenment that can only be found by those who dare to venture into the unknown The Shadows Whisper Tales from the Edge of the Night is an invitation to embrace the shadows to confront your demons and to discover the hidden strength that lies within the darkness These tales are not for the faint of heart but for those who hunger for the unknown who seek adventure in the shadows and who are willing to confront the darkness within themselves If you dare to step into the shadows The Shadows Whisper Tales from the Edge of the Night awaits you If you like this book write a review **Night-Whispers Vol 01-Q1-'Stirring**

The Holy City Patrick McCabe, 2011-06-01 Now entering his sixty seventh year Chris McCool can confidently call himself a member of the Happy Club he has an attractive and exceedingly accommodating Croatian girlfriend and has been told he bears more than a passing resemblance to Roger Moore As he looks back on the glory days of his youth he recalls the swinging sixties of rural Ireland a decade in which the cool cats sang along to Lulu and drove around in Ford Cortinas when swinging meant wearing velvet trousers and shirts with frills and where Dolores McCausland Dolly Mixtures to those who knew her best danced on the tops of tables and set the pulses of every man in small town Cullymore racing Chris McCool had it all back then He had the moves he had the car and he had Dolly a woman who purred suggestive songs and tugged gently at her skin tight dresses a Protestant femme fatale who was glamorous transgressive and who called him her very own Mr Wonderful She was in short the answer to this bastard son of a Catholic farmer's prayers Except that there was another Mr Wonderful in town a certain Marcus Otoyó a young Nigerian with glossy curls and a dazzling devoutness that was all but irresistible Although Chris of course was interested in Marcus only because of their shared religious fervour and mutual appreciation of the finer things That was all Besides Mr McCool was always a hopeless romantic some even described him as excessively so but is there anything wrong with that Spiked with macabre humour and disquieting revelations The Holy City is a brilliant disturbing and compelling novel from one of Ireland's most original contemporary writers
