self sabotaging Babe s newfound spirituality coupled with her faith in the universe and its messages leads her all over the world shoulder dancing in Paris tripping out in Amsterdam and hooking up in the Mediterranean only to land her back in New York City forced to choose between a man who is perfect in every way except for one small detail and a man who could be The One if only he didn t drive Babe to utter insanity Unapologetic and uproarious Psychos is the send up of the season already as timeless as vintage Dior

The Girl Problem Ruth M. Alexander,1995

An absorbing analysis of delinquency among working class adolescents This clearly written and well researched study includes a useful bibliographical essay Library Journal The Girl Problem is based in large part on the records of one hundred young women incarcerated between 1900 and 1930 in two institutions the New York State Reformatory for Women at Bedford Hills and the Western House of Refuge for Women at Albion in upstate New York The records are rich with detail including psychological

assessments correspondence from families and between inmates and others and parole applications that Alexander has used to good effect Nearly all of those incarcerated were poor and came from immigrant or African American homes Journal of Social History Alexander's study adds an important set of characters and locales to the growing history of women's lives during the intense immigration urbanization and modernization of the early twentieth century This book is a powerful argument on several levels for why poverty seems to breed criminality in this country Women's Review of Books *Six Boys in Trouble* Walter C.
