White The Biography Of Walter White Mr Naacp:

Walter White Kenneth Robert Janken,2006 Walter White 1893 1955 was among the nation s preeminent champions of civil rights With blond hair and blue eyes he could pass as white even though he identified as African American and his physical appearance allowed him to go undercover to invest White Kenneth Robert Janken,2003 **How Far the Promised Land?** Jonathan Rosenberg,2006 World War I and the peace settlement Between the wars From World War II to Vietnam **Walter F. White** Robert L. Zangrando,Ronald L. Lewis,2019 Walter F White of Atlanta Georgia joined the National Association for the Advancement of Colored People NAACP in 1918 as an assistant to Executive Secretary James Weldon Johnson When Johnson retired in 1929 White replaced him as head of the NAACP a position he maintained until his death in 1955 During his long tenure White was in the vanguard of the struggle for interracial justice His reputation went into decline however in the era of grassroots activism that followed his death White s disagreements with the US Left and his ambiguous racial background he was of mixed heritage could pass as white and divorced a black woman to marry a white woman fueled ambivalence about his legacy In this comprehensive biography Zangrando and Lewis seek to provide a reassessment of White within the context of his own time revising critical interpretations of his career White was a promoter of and a participant in the Harlem Renaissance a daily fixture in the halls of Congress lobbying for civil rights legislation and a powerful figure with access to the administrations of Roosevelt via Eleanor and Truman As executive secretary of the NAACP White fought incessantly to desegregate the American military and pushed to ensure equal employment opportunities On the international stage White advocated for people of color in a decolonized world and for economic development aid to nations like India and Haiti bridging the civil rights struggles at home and abroad **Encyclopedia of the Harlem Renaissance: K-Y** Cary D. Wintz,Paul Finkelman,2004 An interdisciplinary look at the Harlem Renaissance it includes essays on the principal participants those who defined the political intellectual and cultural milieu in which the Renaissance existed on important events and places The New Abolition Gary J. Dorrien,2015-01-01 The black social gospel emerged from the trauma of Reconstruction to ask what a new abolition would require in American society It became an important tradition of religious thought and resistance helping to create an alternative public sphere of excluded voices and providing the intellectual underpinnings of the civil rights movement This tradition has been seriously overlooked despite its immense legacy In this groundbreaking work Gary Dorrien describes the early history of the black social gospel from its nineteenth century founding to its close association in the twentieth century with W E B Du Bois He offers a new perspective on modern Christianity and the civil rights era by delineating the tradition of social justice theology and activism that led to Martin Luther King Jr African American History Day by Day Karen Juanita Carrillo,2012-08-22 The proof of any group s importance to history is in the detail a fact made plain by this informative book s day by day documentation of the impact of African Americans on life in the United States One of the easiest ways to grasp any aspect of history is to look at it as a

continuum African American History Day by Day A Reference Guide to Events provides just such an opportunity Organized in the form of a calendar this book allows readers to see the dates of famous births deaths and events that have affected the lives of African Americans and by extension of America as a whole Each day features an entry with information about an important event that occurred on that date Background on the highlighted event is provided along with a link to at least one primary source document and references to books and websites that can provide more information While there are other calendars of African American history this one is set apart by its level of academic detail It is not only a calendar but also an easy to use reference and learning tool

Born along the Color Line Eben Miller,2012-02-01 With elegant writing and piercing insight historian Eben Miller narrates how this little known conference brought together a remarkable young group of African American activists capturing through the lives of five extraordinary participants youth activist Juanita Jackson diplomat Ralph Bunche economist Abram Harris lawyer Louis Redding and Harlem organizer Moran Weston how this generation shaped the ongoing movement for civil rights during the Depression World War II and beyond

Measuring Manhood Melissa N. Stein,2015-09-01 From the gay gene to the female brain and African American students insufficient hereditary background for higher education arguments about a biological basis for human difference have reemerged in the twenty first century Measuring Manhood shows where they got their start Melissa N Stein analyzes how race became the purview of science in nineteenth and early twentieth century America and how it was constructed as a biological phenomenon with far reaching social cultural and political resonances She tells of scientific experts who advised the nation on its most pressing issues and exposes their use of gender and sex differences to conceptualize or buttress their claims about racial difference Stein examines the works of scientists and scholars from medicine biology ethnology and other fields to trace how their conclusions about human difference did no less than to legitimize sociopolitical hierarchy in the United States Covering a wide range of historical actors from Samuel Morton the infamous collector and measurer of skulls in the 1830s to NAACP leader and antilynching activist Walter White in the 1930s this book reveals the role of gender sex and sexuality in the scientific making and unmaking of race

Library of Congress Information Bulletin ,2003 *The Greenwood Encyclopedia of African American Literature: U-Z* Hans A. Ostrom,J. David Macey,2005 Designed to meet the needs of high school students undergraduates and general readers this encyclopedia is the most comprehensive reference available on African American literature from its origins to the present Other works include many brief entries or offer extended biographical sketches of a limited selection of writers This encyclopedia surpasses existing references by offering full and current coverage of a vast range of authors and topics While most of the entries are on individual authors the encyclopedia gathers together information about the genres and geographical and cultural environments in which these writers have worked and the social political and aesthetic movements in which they have participated Thus the encyclopedia gives special attention to the historical and cultural forces that have shaped African American writing Publisher
