White House Call Girl The Real Watergate Story:

White House Call Girl Phil Stanford, 2013-09-02 Heidi Rikan was an ex stripper working for the mob in Washington D C White House Call Girl tells how a call girl operation she was running at the time led to the Watergate break in which brought down Tricky Dick Nixon himself Though it s a fully sourced political non fiction it reads like a detective novel full of prostitutes mobsters political operatives and even football team players And it s got plenty of evidence including photos of an address book owned by the main call girl in question chock full of very interesting phone numbers and addresses For forty years we ve only heard the Woodward and Bernstein perspective on Watergate Now we ve got the photos What s more we ve got Heidi s little black book

Tricky Dick Roger Stone, 2017-07-11 Finally there is a warts and all biography of the most enduring American politician of the 20th century Richard Milhous Nixon written by an author with unprecedented access and insight about our 37th President New York Times Bestselling Author Roger Stone Stone and his co author award winning Investigative reporter Michael Colapietro look at the totality of Nixon s entire career utilizing stunning new information either suppressed or unknown by the main stream media of the time Tricky Dick includes new and never before published documentation that the CIA infiltrated the original Watergate burglary team in order to purposely botch the break in that White House Counsel John Dean consistently lied about his true role in planning execution and cover up of the Watergate break lying to Nixon about White House involvement for nine months and concealing ties between Dean and his wife and a high priced call girl ring utilized by the

Democratic National Committee to entertain visiting Democrat dignitaries Building on the blockbuster revelations of Roger Stone's previous book on the Nixon's presidency *Nixon's Secrets* the longtime Nixon intimate and his co author have added shocking new material that proves that the Watergate Special Prosecutor met secretly repeatedly and illegally with Watergate Trial Judge John Sirica in a successful effort to railroad Nixon and rig any appeal to a higher court Stone and his co author Colapietro trace Nixon's meteoric climb from his first race for the House in 1947 his dogged pursuit of Soviet spy Alger Hiss classified Russian documents released after the fall of the Soviet Union prove Hiss was indeed a KGB Spy Nixon's bruising campaign for the US Senate in 1950 his improbable selection by General Dwight D Eisenhower to be vice president only six years after his election to Congress the triumphs and humiliations of his vice presidential years and his razor thin loss of the presidency to John F Kennedy in 1960 *Tricky Dick: The Rise and Fall and Rise of Richard M Nixon* proves in intricate detail how the 1960 election was stolen from a surging Nixon detailing voter fraud in both Texas and Illinois to a degree heretofore undocumented by political scientists and covered only by the New York Herald Tribune at the time These New York Times bestselling authors also detail Nixon's reinvention of himself as *The New Nixon* and *The greatest single come back in American history* which resulted in Nixon's triumphant election as president in 1968 *Tricky Dick* also dissects the military industrial complex unhappiness with Nixon's end to the war in Vietnam his historic strategic arms limitation agreement with the Soviets and his opening to China and the resultant plot to bring Nixon down in the scandal known today as Watergate

Nixon's Gamble Ray Locker, 2015-10-01 After being sworn in as president Richard Nixon told the assembled crowd that government will listen Those who have been left out we will try to bring in But that same day he obliterated those pledges of greater citizen control of government by signing National Security Decision Memorandum 2 a document that made sweeping changes to the national security power structure Nixon's signature erased the influence that the departments of State and Defense as well as the CIA had over Vietnam and the course of the Cold War The new structure put Nixon at the center surrounded by loyal aides and a new national security adviser Henry Kissinger who coordinated policy through the National Security Council under Nixon's command Using years of research and revelations from newly released documents USA Today reporter Ray Locker upends much of the conventional wisdom about the Nixon administration and its impact and shows how the creation of this secret unprecedented extra constitutional government undermined U S policy and values In doing so Nixon sowed the seeds of his own destruction by creating a climate of secrecy paranoia and reprisal that still affects Washington today

Haig's Coup Ray Locker, 2019-05-01 When General Alexander M Haig Jr returned to the White House on May 3 1973 he found the Nixon administration in worse shape than he had imagined President Richard Nixon reelected in an overwhelming landslide just six months earlier had accepted the resignations of his top aides the chief of staff H R Haldeman and the domestic policy chief John Ehrlichman just three days earlier Haldeman and Ehrlichman had enforced the president's will and protected him from his rivals and his worst instincts

for four years Without them Nixon stood alone backed by a staff that lacked gravitas and confidence as the Watergate scandal snowballed Nixon needed a savior someone who would lift his fortunes while keeping his White House from blowing apart He hoped that savior would be his deputy national security adviser Alexander Haig whom he appointed chief of staff But Haig s goal was not to keep Nixon in office it was to remove him In Haig s Coup Ray Locker uses recently declassified documents to tell the true story of how Haig orchestrated Nixon s demise resignation and subsequent pardon A story of intrigues cover ups and treachery this incisive history shows how Haig engineered the soft coup that ended our long national nightmare and brought Watergate to an end **Watergate and the White House: July-December 1973** Edward W.
