

# LAWN MOWER

## SERVICE MANUAL AND PARTS LIST

FILE NUMERICALLY IN SERVICE INFORMATION SECTION OF SERVICE REFERENCE FILE

### OPERATING INSTRUCTIONS

READ CAREFULLY BEFORE OPERATING YOUR MOWER

You have made a substantial investment, and this manual has been prepared to assist you in getting the best results. Read it over carefully. Be familiar with the instructions, refer to them for assistance in problems pertaining to its operation and maintenance. Should any serious trouble develop, it is best to contact your nearest authorized engine manufacturer's service station as listed on the yellow pages of your telephone directory. We suggest you make only the simple adjustments mentioned in this manual.

**CAUTION: KEEP HANDS AND FEET FROM UNDER MACHINE AT ALL TIMES. NEVER LEAVE ENGINE RUNNING WHEN AWAY FROM MACHINE. THE BLADE CANNOT BE SEEN WHEN MOTOR IS RUNNING. NEVER PLACE HANDS OR FEET UNDER MOWER.**

1. Respect your mower as a piece of power equipment, and treat it in this respect to all who operate the equipment.
2. Never allow children or young teenagers to operate it and instruct children to keep away from the area of operation.
3. Be sure you know how to stop mower at a moment's notice.
4. Before starting operation, walk over the entire lawn area and clear it of all debris that could catch on to or be driven by the blade.
5. Stop the cutting operation so it is not necessary to pull the mower backwards towards you, particularly on a down-grade.
6. When mow on rough terrain or in high grass or weeds, the wheels should be set at the highest cutting point to minimize debris being ejected from the mower.
7. Unless there is very good artificial light, mow only during the daylight.
8. Do not operate power mowers in wet grass, which clogs the mower and increases the danger of your slipping and falling and possibly coming in contact with the blade.
9. Spilled gasoline on a hot engine is a very common source of engine fires, this type of damage is not covered by warranty. Avoid spilling gasoline and don't let while the engine is running or while you are smoking.
10. Don't mow when barefoot or wearing open sandals. Provide some protection by means of long, heavy denim trousers and heavy shoes. If you have safety shoes, wear them.
11. Give complete and undivided attention to the job at hand.
12. Don't start the mower until you are ready to start mowing. Stop the motor whenever you leave the mower.
13. Don't over-speed the engine. Excessive cutting speed or tampering with the governor can be dangerous. Operate the engine at the slowest speed which will cut satisfactorily.
14. Start the mower carefully. When starting an engine, it is advisable to place one foot firmly on the rear of the lawn mower deck, and the other foot firmly on the ground, but away from the mower. Be sure that the mower will not tip or roll during the starting operation, so there will be no danger of the rotating lawn-mower blade coming in contact with your person.
15. Stay clear of the front of self-propelled mowers during and after starting.
16. Keep in step with the mower. If you lag behind or let it pull you, you will not be in full command of the machine. Do not run.
17. Control the direction of the mower by hand pressure on the handle, not by foot pressure on the mower housing.
18. When operating over uneven terrain and slopes, use extreme care and make sure of solid and firm footing at all times.
19. Exercise special care when mowing around objects to prevent the blade striking them and over deliberately mow over any object.
20. Stop operation when another person approaches. Do not pass or stand on the grass discharge side of the mower with engine running.
21. Follow implicitly the manufacturer's recommendations for maintenance of engine.
22. It is desirable to have a competent serviceman make a thorough inspection of the mower at least once a year.
23. Never adjust the mower nor change attachments until the engine has been turned off and the sparking wire disconnected. It is possible that the engine could start if the blade were turned while making an adjustment or repair.
24. If carburetor adjustment is necessary, stand to one side and keep the feet and hands in the clear while making adjustments.
25. Keep motors free from accumulation of grass, leaves or excessive grease. An accumulation of these combustible materials may result in a fire.
26. Store power mowers in a cool dry place when not in use.
27. Store gasoline in a metal container, approved by Underwriters Laboratory or another recognized approving agency. Store the container in a cool, dry place, not in the house or near heating appliance.
28. Keep the mower and fuel container in locked storage to prevent children from playing and tampering with them.
29. Maximum mowing results and safety can only be expected if the mower is maintained and operated correctly.

**Subscription Services** Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of White Lawn Mower Service Manual eBooks, including some popular titles.

## FAQs About White Lawn Mower Service Manual Books

**What is a White Lawn Mower Service Manual PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a White Lawn Mower Service Manual PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a White Lawn Mower Service Manual PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a White Lawn Mower Service Manual PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a White Lawn Mower Service Manual PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
