*White Women's Christ and Black Women's Jesus* Jacquelyn Grant, 1989 Christology is especially problematic for feminists Because Jesus was undeniably male and because the Christian church claims him as the unique God bearer feminist christology confronts the dual tasks of explaining the significance of a male God bearer for women and creating a christological model adequate to feminist experience Jacquelyn Grant rehearses the development and challenges of feminist christology and argues that because it has reflected the experience of White women predominantly it fails to speak to the concerns of non white and non western women In response to this failure Grant proposes a womanist theology and christology that emerge from and are adequate to the reality of contemporary Black women Dictionary of Feminist Theology Russell, Russell, David, 2004-01-01 Providing a tool for all who wish to learn about the growing fields of womanist mujerista Asian feminist and white Euroamerican feminist studies in religion this dictionary furnishes a pluralistic approach to feminist theologies guiding readers who are interested in all areas of Christian theology as they relate to feminism

**The Nonviolent Atonement, Second Edition** J. Denny Weaver, 2011-01-26 A provocative study that cuts to the very heart of Christian thought The Nonviolent Atonement challenges the traditional Anselmian understanding of atonement along with the assumption that heavenly justice depends on Christ's passive innocent submission to violent death at the hands of a cruel God Instead J Denny Weaver offers a thoroughly nonviolent paradigm for understanding atonement grounded in the New Testament and sensitive to the concerns of pacifist

black feminist and womanist theology While many scholars have engaged the subject of violence in atonement theology Weaver's *Nonviolent Atonement* is the only book that offers a radically new theory rather than simply refurbishing existing theories Key features of this revised and updated second edition include new material on Paul and Anselm expanded discussion on the development of violence in theology interaction with recent scholarship on atonement and response to criticisms of Weaver's original work Praise for the first edition The best current single volume on reconstructing the theology of atonement S Mark Heim in *Anglican Theological Review* Weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist feminist womanist and black theologians into the centuries old christological conversation A provocative but faithful proposal benefiting any student of christology *Religious Studies Review* A noteworthy contribution to the literature on the atonement Weaver provides a useful critique of the history of atonement motifs he does a fine job of placing Anselm's theology in its historical context he creatively fuses a singular biblical vision from the earthly narrative of the Gospels and the cosmic perspective of the Apocalypse and he attempts to relate discussions of the atonement to Christian social ethics *Trinity Journal* This is a superb succinct survey and analysis of classical and contemporary theories of the atonement ideal for students and general readers A clearly written passionately expressed introduction to current debates on the atonement Excellent resource *Reviews in Religion and Theology*
