Whitetail Deer Hunting My Way Frank W. Wathley, 2015-09-23 10 years ago if it was deer season I was in the woods I still try to follow that rule but New York State has made the hunting season so long I cant afford the loss of income for that amount of time On top of that 70 or more days open for deer season is a wicked strain on my senses I am hung up on the quarter moon phase for my dream buck hunt I always plan my hunting around these two moons The length of the bow gun deer season allows for two full moon phases A small part of my reasoning here for a shorter deer hunting season is envy I suppose The fact is Im a self employed landscaper watching these two extra quarter moons go through their phases and not being able to fit them in to my hunting budget I will hopefully make more sense of this moon theory later on in this book Pay attention because there is tip after tip buried in each story Maybe not always a new one but theres a bunch of them here My stories are true facts my methods and techniques have all proven themselves many times for me over a life time of whitetail deer hunting Now hopefully you have time to kick back and enjoy a fact filled humorous book about whitetail deer hunting done my way in Columbia and Greene Counties of New York State *My Exciting Whitetail Hunts* Jimmy King, 2007-06 These stories show how safe hunting can be fun and exciting and also create a love for nature D Hutto **Big Bucks the Benoit Way** Bryce M. Towsley, 2016-04-19 See what it takes to track trophy sized bucks like the legends do If there is such a thing as hunting royalty then the Benoit family is it They have been raking in trophy sized bucks since Larry Benoit first began to pioneer his unique tracking methods As the family grew so did the Benoit hunting repertoire expanding beyond simple snow tracking to all season tracking Author Bryce M Towsley had a unique opportunity in the late nineties to deer hunt with the Benois for an extended period in the deep woods of Maine He spent time with the Benoit family observing and learning their hunting tactics techniques and long protected secrets The product of Towsley s inclusion in the Benoit family tradition is *Big Bucks the Benoit Way* Fully illustrated with Towsley s beautiful full color photography and written with his trademark prose and with a new introduction by the author it tracks his experience following in the footsteps of the great Benoit hunters learning their craft and sharing it with you *Big Bucks the Benoit Way* is more than an exploration of the fine art of tracking bucks it s a glimpse at the heart and beauty of American big game hunting Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bow hunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home Field & Stream, 1977-08 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice
