Whitney and Bobbi Kristina Ian Halperin,2015-06-09 Shocking new revelations emerge about superstar Whitney Houston and her only daughter Bobbi Kristina Brown in 1 New York Times bestselling author Ian Halperin s account of their tumultuous lives On July 26 2015 after nearly six months in a coma Bobbi Kristina Brown daughter of musical megastars Whitney Houston and Bobby Brown tragically passed away at the age of twenty two Ever since she was found facedown and unresponsive in a bathtub in her suburban Atlanta home a media frenzy of harrowing rumors and accusations swirled particularly around Bobbi Kristina s longtime boyfriend Nick Gordon who has been a part of the family since Whitney took him in as a teenager But 1 New York Times bestselling author and investigative journalist Ian Halperin takes the story much much further back to the early days of Whitney s career exploring the devastating self destructive secrets that plagued the singer and led Whitney and subsequently her daughter down a dark and dangerous road Drawing on evidence from trusted Houston family members friends and other inside sources Halperin paints a portrait of Bobbi Kristina s downward spiral following her mother s death including drug abuse and abusive relationships How did Bobbi Kristina end up unconscious in a bathtub almost exactly three years after her mother s mysterious death What was her relationship with Nick Gordon really like How did a childhood in the spotlight as the daughter of controversial pop royalty lead to her troubling fate Halperin offers readers a fascinating and candid behind the scenes look at the glamorous world personal demons and never before told life of Bobbi Kristina Brown *Bobbi Kristina Brown* Sebastian St. Jacque,2015-07-27 Bobbi Kristina Brown A Princess Gone Too Soon is a book created as a memorial to honor the life of Bobbi Kristina Brown the daughter of Whitney Houston and Bobby Brown I wanted to use this book to illuminate the beauty and the spirit of Ms Bobbi Kristina Brown and to create a memoir that would uplift her family as well as focus on the positivity of her life **The Murder of Whitney, Snitch and Bobbi Kristina** Winford Salmon,2015-09-01 When I a freelance writer learned that Bobbi Kristina is dead I set out immediately to find Snitch the muscular black man who had confessed how he played a role in the covert murder of Whitney Houston But within one minute of a phone call I learned that Snitch is also dead I knew how Whitney Houston was killed The burning question which faced me was Who killed Snitch And was Bobby Kristina Brown s death a murder The shocking and depressing details inside **Ebony** ,1995-05 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Never Settle for Less, Always the Best** Marian Olivia Heath Griffin,2022-01-09 My motto is Instead of harming ourselves and our children with opium and other drugs alcohol sex guns and hatred malice and racism we as Blacks and Whites Latinx and Asians and Indians and all in between need to manage disappointment poverty and living with stress to the extent that our choices allow us to leverage intelligence and energy in order to produce and create a level beyond good enough to outstanding A parent or guardian s responsibility as caregiver to their children s mental physical and moral development

Whitney Houston is one of the best selling musical artists of all times Her career personal life and marriage to the high profile singer Bobby Brown is well documented This amazing talent sadly passed away on February 9th 2012 at the young age of forty eight her lifestyle and better judgement fatally colliding in a hotel room at the Beverly Hilton Whitney makes contact and clears any doubts about her passing addiction to drugs husband and the people who were important in her life But it is not primarily about these events as we discovered she has a clear and passionate message for her daughter There are a number of references specifically directed to her daughter Bobbi Kristina to read and find comfort It s a message from a loving mother who wishes to connect with her only child beyond the physical to explain the event that was her passing The spirits of Whitney and Bobbi Kristina will always be intertwined Whitney tells us she left unexpectedly and could not say goodbye but this is a chance to communicate and eventually complete her passage to the other side Even though Sussan and I were not followers of Whitney s career we enjoyed and respected her talent she was iconic and a modern day diva This book is not about the mega star Whitney Houston it is about a grieving mother who misses her daughter and did not get her opportunity to say goodbye in her own way This message is hers and hers alone As a channeler Sussan allows the non physical entity in this case Whitney Houston to enter and transfer her message using Sussan s vocabulary and emotions We do not exercise any judgement or have an opinion because for us we are only here to relay the message Ronald Ritter Sussan Evermore *I Sing to Use the Waiting: A Collection of Essays About the Women Singers Who've Made Me Who I Am* Zachary Pace,2024-01-23

I Sing to Use the Waiting A Collection of Essays about the Women Singers Who ve Made Me Who I Am is a vital and affecting reflection on

how popular culture can shape personal identity With remarkable grace candor and a poet's ear for prose Zachary Pace recounts the women singers from Cat Power to Madonna Kim Gordon to Rihanna who shaped them as a young person coming of age in rural New York first discovering their own queer voice Structured like a mixtape Pace juxtaposes their coming out with the music that informed them along the way They recount how listening to themselves sing along as a child to a Disney theme song they recorded on a boom box in 1995 was when they first realized there was an effeminate inflection to their voice As childhood friendships splinter Pace discusses the relationship between Whitney Houston and Robyn Crawford Cat Power's song My Daddy Was a Musician spurs a discussion of Pace's own musician father and their gradual estrangement Resonant and compelling I Sing to Use the Waiting is a deeply personal rumination on how queer stories are abundant yet often suppressed and how music may act as a comforting balm carrying us through difficult periods and decisions Read an excerpt Debutiful presents Colors of the Wind an excerpt from Zachary Pace's I Sing to Use the Waiting Further reading LitHub presents Zachary Pace on the Push and Pull of Working in Publishing as a Writer Jan 23 2024
