Re-Views by an Evangelical Biblical Critic Robert H. Gundry, 2022-10-13 Review essays feature analysis and elaboration what scholars call criticism largely missing from ordinary book and movie reviews The present book contains review essays that have appeared in a variety of publications and remain relevant for contemporary thinking Christians The essays include critiques of written works by popular thinkers such as N T Wright Bart Ehrman Reza Aslan Christian Smith and Frederic Raphael films by directors Mel Gibson and Ingmar Bergman a recent biography of F F Bruce and more The hyphen in Re Views links the newness of republication with the analytical character of the essays They start with those dealing with the biblical text and its translation proceed to some higher critical issues graduate to literary portraits of Jesus discuss the relation between the Bible and tradition and conclude with some biographical portrayals of people associated with Scripture and its interpretation

Why Are These Books in the Bible and Not Others? - Volume Two - A Translator's Perspective on the Canon of the New Testament Gary F. Zeolla, 2016 Christians claim the Bible is the Word of God that it is the final authority in all matters relating to Christian faith and practice and that it is absolutely reliable in all that it teaches But to put such confidence in the Bible requires that we have the correct books in the Bible But do we Why are the 66 books in the Bible in the Bible and why were other books that could have been included not included This subject is very important and complicated so complicated it takes three volumes to fully cover it Volume One studied the books included in the Old Testament OT and considered other books that could have been included but were not This Volume Two will cover the books included in the New Testament NT Volume Three will then consider the writings of the Apostolic Fathers some of which were considered for inclusion in the NT along with other writings orthodox and Gnostic that many wonder why they are not included in the NT In this second volume each of the 27 books included in the NT will be reviewed in detail Who wrote them and when their theology and other pertinent background information will be discussed to explain why they were

included in the NT Arguments against the traditional viewpoints on these books will be addressed For The Thinking Sapiens Peter Lawrence,2019-09-08 For The Thinking Sapiens presents musings about people faith success love hope wisdom fortitude truth money and work It will certainly make you re think about what matters in life and offer a model for daily living The short essays have been deliberately choreographed such that there is a subtle link between the essays in the various chapters including selected transcripts from movies By the end of the book an astute reader will have enjoyed tying the pieces together Expect a dash of dry humor Eyewitness to Jesus Carsten Peter Thiede,Matthew D'Ancona,1996
