Who Is Our Church Imagining Congregational Identity:

Who Is Our Church? Janet R. Cawley, 2006-06-01 After congregations have considered their history added up all the statistics and tried to be honest about their core values the question still remains Who are we really Author Janet Cawley offers a creative engaging and faithful way to answer just that question Cawley demonstrates how to use a congregation's knowledge of itself to construct a metaphor of the congregation as a person and then draw on that metaphor to generate options for future mission Cawley makes the case that congregations with a clear well articulated identity those that know accept and love who they are can be flexible and respond to change and new initiatives from the Holy Spirit with boldness because their basic sense of themselves is affirmed rather than threatened They can make faithful and appropriate choices about what they should do Congregations will find this intuitive imaginative approach is useful accurate and lots of fun

Reaching Out in a Networked World Lynne M. Baab, 2008-12-08 A congregation communicates its heart and soul through words photos actions programs architecture decor the arts and countless other aspects of congregational life In Reaching Out in a Networked World communications expert and pastor Lynne Baab examines technologies such as websites blogs online communities and desktop publishing She demonstrates how a congregation can evaluate these tools and appropriately use them to communicate its heart and soul to convey its identity and values both within and outside the congregation Baab urges congregation leaders to reflect on the way they communicate The recent explosion in communication technologies offers many new ways to present values and identity but no one has much experience thinking about how best to use these tools Baab seeks to help leaders use these new technologies with more precision flair and consistency When congregations are intentional about communicating who they are and what they value people in the wider community can get a clear and coherent picture of the congregation and its mission Newcomers and visitors are more likely to see why faith commitments matter and why and how they might become involved in this congregation while current members and leaders will greatly benefit from having a unified vision of the congregation's heart and soul **Thriving**

Churches Loraine MacKenzie Shepherd, 2021-01-01 THRIVING CHURCHES tells the story of two United Church ministers who travelled across Canada visiting flourishing United Churches to uncover the reasons for their success Loraine MacKenzie Shepherd minister at Westworth United Church in Winnipeg visited urban churches and Tammy Allan minister at Olds Sunde Pastoral Charge Alberta visited rural churches They found these churches shared a number of features that helped them not only survive but also thrive through challenging times Filled with concrete examples from congregations of all sizes this book will inspire Also included is an eight session study guide on spiritual attributes of thriving churches

Being the Body of Christ in the Age of Management The Rev'd Lyndon Shakespeare, 2016-08-26 The church needs effective leaders We must be more missional Better organization is required Such sentiments are commonplace among Christians concerned with the health and sustainability of their local church as well as the church universal Over the past

thirty years the desire for more efficiently run effectively led and organizationally sound churches has contributed to an approach to thinking about the church in terms uncritically assumed from the business and management sector This has given rise to treating the church as if it were just another social body in need of better organization The question is what happens when we apply the logic of management techniques to an organization that identifies as the body of Christ Drawing on organizational theory theological anthropology and sacramental theology this book navigates a path for Christians that avoids reducing the church to just another organization while providing a vision for the church as the social body where all are invited to connect and be made members of Christ and each other Such a vision provides an alternative to the social categorization that would define the church by its organizational character rather than its eschatological destiny *The Congregation in Church* Thomas Isaac Ball,1902 *The Acts and Proceedings of the General Assembly of the Presbyterian Church in Canada* Presbyterian Church in Canada. General Assembly,2005 *The Congregation in Church* Congregation,1902 **The validity of congregational ordination. Duddleian lect., 1897** Williston Walker,1898 *Rural Congregational Studies* Loyle Shannon Jung,Mary A. Agria,1997 Nearly all pastors sent to rural congregations were nurtured in larger urban congregations and nearly always educated in urbanized seminaries A wide culture gap between leaders and members often emerges among the church leaders in rural congregations This book is designed to address and study the issues that arise when ordained and lay pastors are called or appointed to rural congregations This handbook will orient seminary students and pastors who are doing ministry in rural congregations It focuses on the nature of congregational life in such a setting showing ways to deal with the issues and challenges specific to rural culture The authors tell how to best engage in evangelism and mission in the particular locations in which these congregations find themselves *Rural Congregational Studies A Guide for Good Shepherds* outlines features of different rural settings that affect life and church life Each chapter contains a section of resources sidebars ideas programs and so forth that tie it to the chapter theme

Handbook for Congregational Studies Jackson W. Carroll,Carl S. Dudley,William McKinney,1986 **Expanding Your Church School Program** David W. Andersen,Wendell Brooker,1983 **Envisioning Faith** James Benedict Earley,1994 **The Congregationalist** ,1927 **Christian Chaos** Thomas G. Bandy,1999 Thomas Bandy continues his exploration of congregational life by arguing that the organization of a congregation its boards and committees constitutes a crucial ingredient in its vitality and mission The way in which a church is organized will make all the difference in whether it becomes what Bandy has named elsewhere a thriving church system or a declining one The book concludes with a compelling call for turning the laity loose through cell group ministry unleashing the Spirit driven Christian chaos by which a congregation can thrive in the challenging days ahead BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Congregationalist and Christian World** ,1903 *The American Lutheran* ,1928 *Journal of the Proceedings of the ... Annual Council of the Diocese of Arkansas ...* ,1899 *Balm for Gilead* Toinette M.

Eugene, James Newton Poling, 1998 *Balm for Gilead* expands our understanding of the role of the Black Church as an agent of care and reconciliation for African American families experiencing the results of child and domestic abuse. Crossing the disciplinary boundaries of pastoral care theology and ethics, this book provides a major examination of core issues of family violence. The authors maintain that the contemporary Black Church must provide more extensive professional and ethical training and education for its pastoral care givers through a multisystems approach to effective forms of ministry for African American families. Using case studies from individuals who have experienced abuse or who struggle with the reality of domestic violence, *Balm for Gilead* identifies and explores theological and ethical themes that are crucial for understanding and revitalizing the pastoral care of African American families who suffer because of child and domestic abuse. Illuminating the dynamics of abuse in these families and challenging the silence and helplessness surrounding their pain, this cross-cultural work will have a profound effect on all whose lives have been touched by this social and personal evil. *Balm for Gilead* is indispensable for pastoral leaders whose ministry and profession is often the only hope of healing and reconciliation available or acceptable of African American families.

Ecumenism: Theology and History Bernard Lambert, 1967 Karl Rahner has been very precise in defining Christianity as the religion of the absolute future but he has left unanswered the question as to what form this Christianity of the future will take. Will there be some kind of Super Church embracing all Christians? Will there be a loose confederation of autonomous Churches? Will present day confessional groups gradually be replaced by de-institutionalized communities of believers? Will the separation between Christian East and Christian West continue? These are some of the questions that constitute what the author calls the ecumenical problem. But his very use of the term problem indicates that for this historian-theologian there is a solution to the divisions and mutual hostilities that have plagued Christianity.
